- When the district and/or schools must close and/or go into remote learning and there is no opportunity for work, employee training, or make-up workdays within the approved work calendars, certain jobs (bus driver, transportation assistant, campus security associate, school police officer, clinic assistant, food service worker, production chef, etc.) will default to non-work days. In such cases, employees will be allowed to use up to ten (10) days of their established sick/vacation leave quotas in lieu of no pay on these remote/no-work days. Any days missed due to inclement weather will be made up strictly based on school system need.
