- Annual rates for teachers, integrated technology specialists, resource specialists, hearing specialists, and school nurses. Salary Schedules A and B, 183-day assignment.
- Columns A/B through VI reflect increasing education (from BA / BA+15 up to MA+30 or Doctorate); see the original PDF for the exact units that define each column.
- Steps marked with * (12* through 30*) are the anniversary-increment milestones by year of service, not regular salary schedule steps - their listed salary already includes the cumulative increment.
- Anniversary increments build up as: +\$2,200 at the 12th year, +\$2,700 at 14th, +\$3,200 at 18th, +\$3,700 at 22nd, +\$4,200 at 26th, +\$5,000 at 28th, +\$6,000 at 30th year of service.
- An earned doctorate adds \$1,500 per year. Maximum initial step placement for prior experience is Step 10 (see current contract).
- Approved by Superintendent 10/28/25; rates effective 07/01/26.
