

200 Reasons (And Counting) To Join AAPMD

Get complimentary access to our entire Webinar Library as a Member.

Join today at aapmd.org!

- Addressing Online Crime And Personal Information Protection For Healthcare Providers**, Sal Rodas, MBA
- Comparing Mechanisms and Applications of Two Breathing Training Approaches: The Buteyko and WIM_HOF Methods**, Rosalba Courtney, ND, DO, PhD
- Q & A: Vitamin D Deficiency in Pediatric Airway Patients**, Stasha Gominak, MD
- The Crossroads of Restorative Dentistry And Medicine Is Sleep Related Breathing Disorders (SRBD). How Do You Get There?**, Steve Lamberg, DDS, DABDSM
- AAPMD LIAISONS CoLAB Meeting – April 11, 2023**
- Creating A Successful Airway Practice (Part II) – Risk Management for Expansion Appliances**, Ken Berley, DDS, DABDSM
- Creating A Successful Airway Practice (Part I)**, Jerald Simmons, MD; William Harrell, DMD; Joseph Yousefian, DMD
- Integrative Team Approach To Airway, TMJ, Orthodontics, and Whole-Body Health**, Katherine Ahn Wallace, DDS; Tim Adams, DDS; Melissa Nealy, IBCLC
- AAPMD Endeavour Section: What is Airway Orthodontics?**, Brian Hockel, DDS & Kevin Adair, DDS
- Women: Airway & Cranio-Facial Pain – Healthcare Inequities** Pat McBride, PhD; Richard Seymour, DDS; Amalia Geller, MD; and Glennine Varga, Clinical Sales Specialist
- The Human Behind Hypermobility: An Overview Of The Hypermobility Patient** Elizabeth Arnold Cells, PT, DPT, CFMT, CSCS
- AAPMD ENDEAVOUR WEBINAR: Vitamin D Deficiency And The Pediatric Sleep Patient: Could My Cranky Toddler Have Rickets? Could My Teenager With Insomnia Have Rickets?** Stasha Gominak, MD
- Liaisons Meeting (Feb. 8, 2023) Seeking The Cure In Collaboration Cures: Adding Nutrition to Your Practice** Stacey Larkin, RDH, Susan Levin, CHC
- How To Become The Best Advocate For Patients With Sleep Disturbances** Jerald H. Simmons, MD
- Identifying and Treating Toxicity In A Collaborative Practice** Griffin Cole, DDS, MIAOMT-IAOMT
- Myofunctional Treatments, Airway and Eating: What Are We Missing?** Pejman Katiraei, DO
- PHYSICAL THERAPY SECTION: The Neural-Autonomic-Adrenal Axis and the Inflammatory Process: Restoring Immune System Homeostasis** Cheryl Wardlaw, PT, MMSc, CFMT
- The Myths + Physics of Soft Tissue Surgical Lasers**, MInstP, CPhys Peter Vitruk, PhD
- Endeavour Pediatric Section: My Lifelong Oral Development Program** Hidehiro Abe, DDS
- Myofunctional Therapy Is Reaching A Tipping Point: Update On OMT From Around The World** Marc Moeller, Director, AOMT
- Sleep Disordered Breathing: Is Our Treatment Protocol Correct?** Peter J. Catalano, MD, FACS, FARS
- AAPMD LIAISONS CoLAB Meeting – December 8, 2022**
- The Trigeminal Cervical Complex** Garrett Petry, PT
- Palate Expansion in the Under-6's: Expanding The Foundation for Better Sleep, Function and Healthspan** Shereen Lim, DDS
- Collaboration Cures Presents Protecting and Restoring Brain Health** Dale Bredesen, MD; Howard Hindin, DDS; Chip Whitney, MD; Susan Maples, DDS; Jack Kall, DMD; GERALYN BEERS, RDH
- AAPMD Functional Medicine Section: Herbal Medicine for Oral Systemic Health** Oscar Sierra, L.Ac., R.H. (AHG)
- Management of the Acute Closed Lock Temporomandibular Joint Patient Secondary to Macro-Trauma** Bill Esser, MS, PT, CCTT
- Marketing Essentials For Airway-Focused Doctors: Practices and Treatments – Part 5** Peter Beckwith, President, Mad Rose Media
- Marketing Essentials For Airway-Focused Doctors: Practices and Treatments – Part 4** Peter Beckwith, President, Mad Rose Media
- Combating the Main Problem in Pediatric Growth and Development** Stephen Deal, DDS
- Endeavour Section: The Tongue and RTOTS** Larry Kotlow, DDS
- Marketing Essentials For Airway-Focused Doctors: Practices and Treatments – Part 3** Peter Beckwith, President, Mad Rose Media
- Marketing Essentials For Airway-Focused Doctors: Practices and Treatments – Part 2** Peter Beckwith, President, Mad Rose Media
- Marketing Essentials For Airway-Focused Doctors: Practices and Treatments – Part 1** Peter Beckwith, President, Mad Rose Media
- Physical Therapist's Overview Of TMD, Headache And Cervical Pain**, Michael Karegeannes, PT
- Introduction to a 7-Part Series on Digital Marketing** Peter Beckwith, MBA
- Functional & Physiological Effects of Nasomaxillary Skeletal Expansion** Audrey Yoon, DDS
- Building A Collaborative Practice With A Focus On Tongue Ties** Brynn Leroux, DDS
- The Relationship Between The Airway and Scoliosis: How Are They Connected?** Lisa Mangino, PT, DPT, Molly Miller, PT, DPT
- How An Education Engineering Problem Resulted In The Most Unusual Patient Handbook In History** David E. McCarty, MD, FAASM
- LiveO2: A Revolutionary Method To Breathe Deep And Feel Well** David Chamblee, Exec. Trainer, LiveO2
- Airway And Sleep Dysfunction: The Complex Path to Intracranial Hypertension & CSF Leak Taken By Those with Hypermobility and Dysautonomia AKA Spiky-Leaky Syndrome** Andrew J. Maxwell, MD, FACC
- CBCT For Nasal Cavity and Paranasal Sinus Disorders** Dale A. Miles BA, DDS, MS FRCD(C) Dip. ABOMR, Dip. ABOM
- AAPMD Endeavor Section – Birth, Airway, TMD and Cranial Osteopathy** Tasha Turso-Moore, DO
- AIRWAY AIRWAY CO-LAB – The Role of the Myofunctional Therapist in a Collaborative Therapy Approach** Leyli Norouz-Knutsen, Chad Knutsen, Renata Nehme
- Breastfeeding, Growth & Development** Pat McBride, PhD, Kevin Boyd, DDS, Marissa Yahil, MSOT, OTR/L, CBS, IBCLC, Steven D. Townsend, PhD, Lawrence Kotlow, DDS
- Practical Information for Promoting Sleep Health** Catherine (Katie) Siengsukon, PT, PhD
- Snoring and Sleep Difficulties in Children Not Always OSA** Dr. Jim Papadopoulos
- The Important Role of Physical Therapists in the Treatment of Airway & Myofunctional Patients (courtesy Airway Circle Radio)** David Evans, PT, DPT, OCS, OMT; Randi Lee Esquibel, PT, DPT, OCS, MTC, OMT, CERT. VRS; Kahl Goldfarb PT, DPT, OCS, OMT, CSCS
- Craniosacral Fascial Therapy: The Gillespie Approach** Holly Steflik, LMT, Kim Sherlock, LMT
- Sleep Surgery: Restoring Sleep Airway Health Is The Gateway To Wellness** Stanley Yung Liu, MD, DDS
- The PT/MYO Connection for Optimal Airway Outcomes** Brad Gilden, DPT, Nicole Archambault, CCC-SLP
- Collaborative Cures For Women: Unlocking the Secrets of False Healthcare** Richard Seymour, DDS
- Airway & Orthodontics: Past, Present & Future** William Hang, DDS
- Toddlers in the Crosshairs** Robert Lustig, MD, Kevin Boyd, DDS

56. **There Is No Panacea For Treating The Upper Airway: New Approaches To Manage OSA** Jerald Simmons, MD
57. **AAPMD Social Justice Section – Airway & The Underserved** Pat McBride, PhD
58. **AAPMD Co-Lab Meeting | Spring 2022** Various Speakers
59. **The Health Coach – Doctor/Patient Collaboration to Approach Chronic Disease** Susan Levin, CHC, Rhett Bergeron, MD
60. **The Fascia Connection: Toes to Tongue & Everything In Between** Valerie Sinkus, PT
61. **Creating a Personal & Customized Digital Marketing Toolbox to Attract Airway Qualified Parents & Patients** Peter Beckwith, President & Creative Director, Mad Rose Media
62. **SBD During Pregnancy: The Impact of Intervention on Maternal and Fetal Health Outcomes** Steve Lamberg, DDS
63. **Facemask Protraction Applications – Part II** Duane Grummons, DDS, MSD, ABO
64. **Inspiring Breathing Related Evaluation & Treatment of the Thoracic Region for Collaborative Airway Management** Jane Lucas, PT, DPT, BFR, CEMT, FAAOMPT, FIT
65. **An ENT Perspective to Dysfunctional Breathing SDB in Children** Jeevanan Jahendran, MD, ENT
66. **Facemask Protraction Applications – Part I** Duane Grummons, DDS, MSD, ABO
67. **The Airway Physical Therapy Report: From Patient Intake to Marketing Tool** Lenore Morrissey, MPT, DPT, OCS, CFC
68. **Putting Kids in the Driver's Seat on Their Own Health Journey** Susan Maples, DDS, MSBA
69. **Special COVID Update – Jan. 5, 2022** Ahvie Herskowitz, MD
70. **Creating and Growing A Collaborative Airway Practice** Jerald H. Simmons, MD
71. **Whole Body Impact On Airway** Peter Coppola, PT
72. **How To Go From A Fixer Of Teeth To An Advisor** Mary Osborne
73. **AAPMD LIAISONS CoLAB Meeting – December 8, 2021**
74. **Physical Therapy Management of the Cranium, TMJ, and Airway** Steve Warfel II, PT, DPT, MTC, FFMT
75. **Integrative Dental Medicine: The Next Great Frontier** Dewitt Wilkerson, DMD, Lora Hopper, BSDH, RDH
76. **Creating An Airway-Focused Pediatric Dental Practice: Overcoming Challenges & Obstacles** Lauren Ballinger, DDS, Kevin Boyd, DDS, Loria Nahatis, DDS, Carla Damon, DDS
77. **Orthopedic Stability In Airway Diagnosis And Treatment Planning** Tim Herre, DDS
78. **Optimizing Airway Vs. The Standard Of Care: Must We Choose?** William Hang, DDS
79. **Ethical Principles in the Practice of Scientific Research and Public Policy** Soroush Zaghi, MD
80. **The Nose Knows: Nasal Function & Resistance** Karen Davidson, DHA, MSA, MEd., MSN, RN
81. **Orthodontic Screening & Treatment for the Under 71-Month Child** Bill Hang, DMD, Marianna Evans, DDS, Barry Raphael, DMD, Kevin Boyd, DDS
82. **Functional Airway Evaluation Screening Tools: A PT Perspective** Cynthia Peterson, PT, CSOM, CST, CEAS
83. **FroggyMouth: An Anoetic Approach Toward Rehabilitation** Patrick Fellus, MD, Founder, Société Française d'Orthodontie Pédiatrique
84. **Physical Therapy Section: Cervical Fascial Layers As They Relate to Breathing Function** Garrett Petry, PT
85. **Endeavor Pediatric Section: Breathe Well Little One** Susan Maples, DDS
86. **Are You A Wellness Practitioner? (Or are you stuck treating symptoms?): A Paradigm Shift in Dental Care** Nancy Weiser, MBA, NBC-HWC, Lisa Feiner, MBA, M.Ed., NBC-HWC
87. **Airway CoLab Meeting – June 2021**
88. **Myth Information About CBCT** Jeffrey Hindin, DDS, John Kelly, DDS, Lennart Elgaard, Dir. Strategic Dev., VATECH
89. **Connecting Ground Sense and Airway Through Arm Swing** Lousie Kelley, DPT, PRC
90. **AAPMD Endeavour Pediatric Webinar: An Airway Perspective On Tongue Ties** Shereen Lim, DDS
91. **Myth-Information About Vitamin D** Stasha Gominak, MD
92. **Craniofacial Observations Suggestive of Axial Skeletal Asymmetry** Robert "Skip" George, D.C., CCSP, CSCS, PRC
93. **Children: Missed, Dismissed or Misdiagnosed** Sharon Moore, SLP
94. **Beyond Wound Care: The Importance of Neuromuscular Re-Education from the SLP's Perspective** Robyn Merkel-Walsh MA, CCC-SLP, COM® and Lori L. Overland MS CCC-SLP, C/NDT, CLC, FOM
95. **CoLab Q&A – India April 2021**
96. **Connecting the Dots: Airway, Forward Head Posture and Pelvic Floor Disorders** Jennifer Poulin, PT, PRC
97. **AAPMD Co-Lab Meeting | Spring 2021** Various Speakers
98. **Report – ADA Meeting: Pediatric Airway Screening Task Force** Steve Carstensen, DDS
99. **Integrative Optometry & Airway: A Perfect Storm** Randy Schulman, M.S., O.D.
100. **Nasal Breathing: The Key To Restorative Sleep And Health** Bahar Esmaili, DDS
101. **Red Flags of Pediatric Airway: Looking Beyond the Truth** Carla Damon, DDS, Loria Nahatis, DDS
102. **Screening For and Treating Pediatric Airway Cases** Lisa Baines, DDS
103. **Integrating Biofield Therapies for Airway Health** Heather Carr, DPT
104. **Endeavor Pediatric Case Study Series II – Screening for SDB Can Save A Life** Marianna Evans, DMD
105. **Recognizing, Diagnosing & Treating The Under 6** Kevin Boyd, DDS
106. **Finding + Fitting The Right Mask: An Innovative Approach To Providing Protection + Comfort** Jesse Chang, Founder, Ceo My Mask Movement Stanley Yung-Chuan Liu, MD, DDS, FACS
107. **AAPMD Liaisons: A Growing World Wide Group Of Community Healthcare Leaders** Leyli Norouz, Moderator
108. **Myofunctional Therapy: Has It Reached A Tipping Point To Become A Field Of Medicine?** Joy Moeller, BS, RDH, Marc Richard Moeller, Samantha Weaver Moeller
109. **Endeavor: A Mission For Healthier Children Today and Healthier Adults Tomorrow** Lauren Ballinger, DDS
110. **Using Home Sleep Testing For Diagnosing Sleep / Airway Problems During The Covid Pandemic** Edward T. Sall, MD, DDS, MBA
111. **Mild Malocclusions Are ... Maybe Not So Mild** Kevin Boyd, DDS, Darius Loghmanee, MD
112. **eMedTalks Series: Update No. 5 – Coronavirus Impact on Your Life and Health** Ahvie Herskowitz, MD
113. **Hydration: Supporting the Immune System and Restoring Health** Dana Cohen, MD
114. **Myofunctional Therapy: Myths VS. Facts** Nicole Goldfarb, MA, CCC – SLP, COM, Padmanabhan Yuvaraj, MDS, SDB, OSA
115. **Airway CoLab – Inaugural Meetings**
Session 1 – Geared to US, UK, European and Indian Communities
Session 2 – Geared to US and Australian Communities
116. **Understanding Oral Dysfunction Starts Before Birth** Lawrence Kotlow, DDS
117. **Masks, What Are They Good For ... A Pulmonologist's View of Masks, Breathing & CO2 Toxicity** Deepak Shrivastava, MD
118. **Breath: The New Science of a Lost Art** James Nestor, Author
119. **Optimal Care for Complex Conditions: Collaboration Between Integrative MD and Health Coach** Stephen Bock, MD, Susan Levin, CHC, Medical Detective
120. **Bite Registrations for Oral Appliance Therapy** John Tucker, DMD
121. **CBD: The Endocannabinoid System** Kathleen Carson, DDS
122. **Health Coaches: Enhancing Patient and Practitioner Outcomes** Lisa Feiner, Nancy Weiser
123. **Perspectives on Losses and Gains in Connection to COVID-19** Heather Servaty-Seib, PhD
124. **Airway Remodeling** Dave Singh, DMD, PhD, DDS
125. **Navigating the World of Autism and Sleep: A Whole Child and Whole Team Approach / An OMT Home Program: Supporting a Family When Direct Therapy is Impossible**

- Nicole Archambault-Besson, EdS, MS, CCC-SLP, CLEC, CIMI, Linda D'Onofrio, MS, CCC-SLP
126. **Update No. 4 – Coronavirus impact on Your Life and Health** Ahvie Herskowitz, MD
 127. **The Vitamin D – Covid – Sleep – Airway -Immune Connection** Stasha Gominak, MD
 128. **Reopening Readiness: Infection Control, PPE, Procedures, Protocols in the Post-Pandemic World** Pat McBride, PhD, RDA, CCSH, Susan Maples DDS, Jeff Hindin, DDS, Ralph Cozzolino, GM, Focus Treatment Solutions, Steve Carstensen, DDS, Michael Gelb, DDS
 129. **I Got My PPP Money, Now What?** Dan Wicker, CPA
 130. **Airway Management: Interdisciplinary Oscillatory Concepts During Forward Locomotor Movement** Ron Hruska, PT
 131. **A Systematic Approach to Treatment of the Entire Airway: Building on Mandibular Repositioning** Mark Abramson, DDS
 132. **Creating a Triple Win: How to Build a Dental / Medical / Patient / Partnership for Optimal Clinical Outcomes and Better Practice Growth** Dipesh Sitaram, DDS, FICCMO, OCF
 133. **Orofacial Myofunctional Therapy** Kim Benkert, RDH, Certified Orofacial Myologist
 134. **Periodontal Disease, Heart Disease and COVID-19: Learn the Link, Know Your Role** Doug Thompson, DDS, FAAMM, ABAHP, Founder, Wellness Dental Network
 135. **Your Life and Your Practice After Covid-19: A Guide For Success** Ben Waldman, Susan Maples, DDS and Michael Goldberg, DDS
 136. **Prepare for the Future: Focus on Us and Not on the Virus** Ahvie Herskowitz, MD
 137. **Staying Connected With Your Patients: Now & In The Post-COVID-19 World** Clifford Yurman, President, Media Consulting Services, Peter Beckwith, Founder, Mad Rose Media
 138. **AAPMD Liaisons: Starting A Virtual Study Club in Your Community,** Leyli Norouz-Knutsen, Chad Knutsen
 139. **Pediatric Airway Focus: Collaboration Yields Resolutions,** Duane Grummons, DDS, MSD, David McIntosh, MBBS, FRACS, PhD, Dennis Garcia with Sal Rodas, Exec. Dir., Foundation for Airway Health
 140. **Update on the Coronavirus, Your Health and Steps You Can Take,** Ahvie Herskowitz, MD
 141. **COVID-19 Update Followed by Immunomodulation and Mitochondria,** Ahvie Herskowitz, MD, President, ACAM, Ryan Smith, VP, Tailor Made Compounding
 142. **Telemedicine Before & After COVID-19,** Crystal May
 143. **Healthier Breathing Has Never Been More Relevant,** William Hang, DDS, MSD
 144. **The Physics & Myths of Surgical Lasers,** Peter Vitruk, PhD, MInstP, CPhys
 145. **Introduction to Mindfulness: Relaxation, Stress Reduction and Immune System Modulation,** Mark Abramson, DDS
 146. **Collaborative Sleep Medicine & Dentistry,** Mark Murphy, DDS, Jerald Simmons, MD
 147. **Drowzle: The First FDA Cleared Mobile HST to Assess Risk for SDB,** Ruchir Sehra, MD
 148. **How To Become An Getting and Staying Healthy in the Present Coronavirus Pandemic and Beyond** Pat McBride, PhD, Ahvie Herskowitz, MD, Mark Murphy, DDS, Mark Abramson, DDS, Judson Crawford, CPA, Leyli Norouz, TBI
 149. **Airway Advocate With Online Training** Julia Worrall
 150. **Airway/Sleep Problems Correlate With Total Body Health, So ... Treat the Cause!** Steve Lamberg, DDS
 151. **Airway Orthodontics: The Present State and Future Considerations** Barry Raphael, DDS
 152. **The Role of the Dentist Team in a Collaborative Approach to Sleep Medicine** Jerald Simmons, MD
 153. **Integral Role of the Dental Team to Intercept Sleep Disordered Breathing** Ben Miraglia, DDS
 154. **Early Intervention: Recognizing and Treating ACD in Children** Kevin Boyd, DDS
 155. **Connecting the Dots: The Role of Physical Therapy in a Collaborative Approach to Airway Health** Gregg Johnson, PT
 156. **The Heart Attack Solution: Live a Life of High Performance, Uninterrupted** Dr. Gina Pritchard, DNP
 157. **Vitamin D For Airway and Inflammation: The Nutrient Every Airway Practitioner Must Measure** Stasha Gominak, MD
 158. **Breastfeeding: Architect of the Human Airway** Jennifer Tow, BFA, MA, IBCLC, RLC, COMS
 159. **Seeing is Believing: Creating Website Videos to Tell Your Story** Peter Beckwith
 160. **Healthy Mouth Media: Preview of Oral Health Summit III** Scott Saunders, DDS, Bonnie Benjamin
 161. **You Can't Treat What You Don't See: Uncovering TMJ Patients In Your Practice** Richard Klein, DDS
 162. **Autonomic Regulation and HRV: Instrumentation for Optimal Outcomes & Collaboration** Jeffrey Hindin, DDS
 163. **TMD and Sleep-Related Breathing Disorders: Identifying Them in Your Practice** Richard Goodfellow, BSc. DDS
 164. **Medical/Dental Interventions in Pediatric Airway Disorders: Helping or Hurting?** Joseph Z Yousefian, DMD MS MA
 165. **Breath as Medicine in Airway Centered Disorders,** Ed Harrold
 166. **CBCT-TMJ and Airway: Connecting the Dots,** Michael Gelb, DDS MS
 167. **Airway Orthodontics: Healthier Children with Beautiful Faces and Smiles,** Jill Meyer, DDS
 168. **Sleep-Related Breathing Disorders (SRBD): How to Screen Early and Save Lives** Marsha Luginbuehl, Ph.D., NCSP
 169. **Learn How To Become An Airway Advocate: Change Lives,** Julia Worrall, RN
 170. **The Present and Future Role of Dentistry in Collaborative Approach to Airway Health** Steve Carstensen, DDS, Barry Raphael, DDS
 171. **PREVENT! A Collaborative Approach to Identifying, Measuring and Reversing Inflammation** Gina L. Pritchard, MSN, RN, CNS, ACNP, DNPc, Clinical Program Director, Bale-Donnen Method, Nurse Practitioner, Founder and Director, The Prevent Clinic
 172. **Mindfulness in Medicine and Dentistry/Use of An Oral Appliance to Support Speech Therapy** Mark Abramson, DDS
 173. **A Collaborative Approach to Treating Sleep Apnea with an Implanted Muscle Stimulator** Pat McBride, BA, CCSH, RDA
 174. **Foundation for Airway Health Airway Advocate Program 2019** Julia Worrall, RN CCRN
 175. **The Price of a Beautiful Smile: Airway and Aesthetics** William Hang, DDS
 176. **Airway Advocate Program: What You Need to Know! Why You Must Participate!** Barry Raphael, DDS
 177. **Soft Tissue Dysfunction: The Importance of Early Identification** Amanda Moore Chastain, MA, CCC-SLP, COM
 178. **Report on Children's Airway Health** Glennine Varga, Dental Team, Business Development & Dental Sleep Medicine Coach
 179. **Advancing The Airway Paradigm: Nurses and Hygienists As Airway Advocate Leaders** Julia Worrall, RN
 180. **Physiological Dentistry: Identifying and Reversing Inflammation** Jeffrey Hindin, DDS, John J. Kelly, DDS
 181. **Oventus O2VENT: A New Treatment Modality,** Chris Hart, DSc. BDS.
 182. **Implementing Cybersecurity – Protect Patient Data | Protect Your Practice,** Gary Salman, CEO, Black Talon Security
 183. **Take Charge of Your Airway Practice** Pat McBride, MA, RDA, CCSH
 184. **The US Army's Dental Sleep Initiative, and How You Can Help** Dr. Michael Pagano
 185. **Sleep Disordered Breathing ... Identifying and Correcting Dysfunctional Daytime Behavioral Patterns** Sandra Coulson, MS, ST, ED, COM, Roger Price, CEO – Respiratory Physiologist
 186. **The DNA Appliance: Remodeling the Airway to Treat Sleep Disorders and Facial Enhancement,** Martha Cortes, DDS
 187. **Reopening Bicuspid Spaces for Better Airways, Beautiful Faces and Healthier Lives** William M. Hang DDS, MSD
 188. **Sleep Well, Live Well: Home Program to Improve Sleep Hygiene** Nancy Rothstein, MBA
 189. **Myofunctional Therapy: An Essential Part of All Aspects of Dentistry** Joy Moeller, BS, RDH
 190. **Medical/Dental Treatment Failures? Uncovering Links to Chronic Inflammation** Lyn Patrick, ND

- 191. Getting Patients to say "YES" to a Sleep Test – The Psychology Behind Obstructed Perceptions**
Ryan C. Javanbakht, Co-Founder, SleepTest.com
- 192. Three Simple Steps to Improve the Neurochemistry of Your Patients' Sleep**
Stasha Gominak, MD
- 193. Does Dementia Begin in Childhood**
Lisa Feiner, Founder, Sharp Again Naturally
- 194. AirwayCentric® Dentistry, ADA and ACP Policy**
Michael Gelb, DDS
- 195. Mindfulness in Medicine** Mark Abramson, DDS
- 196. From RO to AO: Real Orthodontist to Airway Orthodontist in 8 Years** Barry Raphael, DDS
- 197. Comparison of Panoramic and CBCT Images**
Dr. Dale Miles
- 198. 3D Facial Biomarker Detection of Airway Issues**
William Harrell, DMD
- 199. Which Side Are You On? The Cervical Revolution**
Ron Hruska MPA, PT
- 200. Xylitol and Airway Health**
Shirley Gutkowski, RDH, BSDH
