

# MERRY Christmas

# MISSIONS Today

Dec. 2023

Compliments of the Season to you.

We bless the name of the Lord for His grace over us all.

We specially thank God for you in your walk with Him and being a part of His mission, part of which is your support to us through your gifts and prayers all through 2023. It is a privilege.

## PROGRESS REPORTS IN THE TRIANGLE.

- ✓ In fulfilling our objective of setting up leaders from different segments of the society to lead change, Teachers in TRIANGLE had improved on their responsibility as they regularly join us for follow up and discipleship training online.
- ✓ The Teachers resourced in Koindu, Sierra Leone had continued meeting and transferring lessons they learnt in the fortnightly discipleship meeting we conduct for them.
- ✓ Three of them - Mr. Tommy Nyuma, Mr. Yillia Anthony and Mr. Abel Fayia Joseph had not only passed on the lessons, but they mobilised 57 students and youths from different communities for and envisioning session.

- ✓ Besides the spiritual developments, Pastor Anthony Yila also graduated ?? trained on different business skills.

## TRAINING MISSIONAL LEADERS.

We had the privilege of training a set of 6 students at the Diploma class of the Africa Centre for Theological Studies, Lagos. The special sessions Paul facilitated were:

1. Transformational Church Planting and Growth:  
Course Purpose – the students/participants should better understand the Theology and practice of Church Planting and be better equipped to lead or participate in a Church planting and spiritual multiplication project.
2. Strategic Planning for Missions: Course Purpose -  
The students/participants should understand the Biblical understanding of leadership, and to develop the perspectives, strategy and skills needed to move their organization toward greater Kingdom effectiveness.

As part of their requirements for graduation, they have begun planning and

raising funds for their first outreach to Oja Odan, Ogun state in Q1, 2024.

Another class of Students from the Mission school were in Fagba, Lagos, where they were hosted by the community

as they conducted Multimedia (film), Medical and Children outreaches.

85 people got medical attention.

Some 100 children were at the children's outreach.

Later in the evening, presenting the gospel via the media, 45 people, including Children made the decision to follow Christ.

**Thank you for your Partnership and support in this mission of winning souls, building workers and sending Missionaries! The Lord blesses you richly for all you do for Him in Jesus name, amen!**

Your Missionaries,

**Paul and Lola Alabi.**
