Join RSLWA for a special commemorative event honouring the service, sacrifice, and achievements of women in the Armed Forces of Australia. This meaningful occasion recognises the vital role women have played across all branches of service, both in times of war and peace, and celebrates their enduring contribution to our nation's defence and military history.

Through reflection, remembrance, and acknowledgement, we pay tribute to the courage, resilience, and dedication of past and present servicewomen. The event provides an opportunity for veterans, families, supporters, and the wider community to come together in respect and gratitude.

All are welcome to attend as we recognise and commemorate the legacy of women who have served Australia with honour.
