

SAFETY TUBS®

The Safety Tubs 51" x 30" Acrylic walk-in bath provides a similar bathing experience to larger models but fits in smaller spaces and uses less water. The included tub extender allows this tub to retrofit in the same space as a standard bathtub. The full sized, contoured door with a low door threshold allows ease of entry and exit.

Fully equipped, the Luxury Series offers all the latest in safety and comfort features with the most advanced therapeutic options and backed by a lifetime warranty on the door seal, a 15 year warranty on the tub shell and a 10 year warranty on all other components.

Jet Massage

A soothing and invigorating water jet massage system, the Jet Massage features an in-line heater, an automatic tub cleaning system and Legs-Only massage. Customize back and leg muscle therapies with 13 different water jets. The Jet Massage is combined with all of the features of the Soaker Tub providing an enhanced therapeutic bathing experience.

Air Massage

Experience a soft and caressing all-over body massage powered by a variable speed heated blower that releases thousands of air bubbles rising throughout the water from 26 different air jets. The automatic purge cycle helps keep the system running efficient and clean. The Air Spa is combined with all of the features of the Soaker Tub providing an enhanced therapeutic bathing experience.

Dual Massage System

Combines all of the features of the Soaker Tub, the Air Massage and the Jet Massage Systems for the ultimate therapeutic bathing experience.

Minute Drain® System

Spend less time waiting with this patented innovation, that requires no additional plumbing, once activated it rapidly pumps the water out from within the tub-making it safe to open the door and exit the tub. Included in all systems.
