SL Series G3 Residential Parts Service Kit
(85/115/160/199)

Parts Service kits are an easy and cost-effective way to maintain and service IBC boilers.

- Kits contains original, high-quality IBC spare parts in a convenient compact case.
- Each service kit is tailored to the requirements of that particular series.
- Kits contains a Fan, Controller, Gas Valve, Ignitor, Sensors, gaskets etc. *See back for full contents.*
- Convenience in one package without the need for multiple parts orders.
- Reduces inventory costs
- Reduces service times and down time.
