### Upgrade Options

Ask your heating and cooling professional about:

#### TH6220WF2006

T6 Pro Smart provides energy savings settings using scheduling or Geofencing, as well as app control when you're home or away.

#### THX321WFS2001W

T10 Pro Smart with wireless sensor has the same great features as the T6 Pro Smart, but also allows you to optimize comfort using wireless sensors.
