APPLICATION

The AMX100 and AMX300 Series DirectConnect™ Mixing Valves fit any application requiring accurate control of water temperature by mixing hot and cold water.

The valves provide increased comfort and safety for the user, as well as reduced installation time for the plumbing contractor.

SPECIFICATIONS

Construction Materials:

AMX100: Bronze/stainless construction, Teflon® coated wear surfaces to prevent lime deposits

AMX300: Nickel-plated brass/bronze construction, Teflon® coated valve body wear surface, Teflon® coated brass shuttle, EPDM O-rings, and proportional design (simultaneous control of hot and cold ports)

Maximum Working Pressure: 150 psi (1034 kPa).

Flow Rate:

AMX100: Minimum - 0.5 gpm (1.9 lpm).

AMX300: Minimum - 0.25 gpm (0.95 lpm). Maximum - See Fig. 1.

Cold inlet temperature: 33 to 80 °F (0.5 to 27 °C).

Hot inlet temperature: 100 to 180 °F (38 to 100 °C)*.

Maximum Hot Water Inlet Temperature: 180 °F (82 °C)*.

Mixed Outlet Temperature: 100 to 145 °F (38 to 63 °C).

Maximum Temperature (AMX100):

200 °F (93 °C), except for CPVC mixing valves (maximum of 180 °F [82 °C] at maximum of 100 psi).

Minimum Required Temperature Difference between Hot and Mix:

AMX100: 10 °F (-12 °C).

AMX300: 27 °F (15 °C).

* The AMX series is tested to ASSE 1017 by CSA which requires a maximum temperature of 180 °F (82 °C); however, Resideo has tested the maximum temperature at 212 °F (100 °C).

Lead Free Plumbing Code Compliance:

The wettable surfaces of lead free models contain less than .25% of lead by weighted average.

Recirculation Port: 1/2 in. NPT.

Dimensions: See Fig. 2 (AMX100) or Fig. 3 (AMX300).

FLOW RATE

Fig. 1. AMX300 Pressure Drop Chart.

IMPORTANT

- Do NOT expose the mixing valve to temperatures below 32 °F (0 °C) or allow it to freeze.
- Do NOT subject the mixing valve to excess heat during installation.
- Do NOT use excess thread sealant. If sealant inadvertently enters into the mixing valve chamber, it may cause the internal assembly to malfunction.

DIMENSIONS

Product Number	Dimensions (inches)			
	A	B	C	D
AMX101-US-1LF	4-3/16	9	2-1/2	1-1/2
AMX101-UT-1LF	4-3/16	9-11/16	3-1/2	1-1/2
AMX101-UP-1LF	4-3/16	8-3/4	3-1/4	1-1/2
AMX102-US-1LF	4-1/2	10	3-1/2	1-1/2
AMX102-UT-1LF	4-1/2	10-5/16	3-13/16	1-1/2
AMX102-UP-1LF	4-1/2	10-3/16	3-11/16	1-1/2
