

The VisionPRO® 8000

Beyond a thermostat.
It's simple whole-home comfort.

Now with RedLINK™ wireless technology, manage your entire home comfort system with the VisionPRO 8000 from Resideo. With one easy-to-use interface, total control is always at your fingertips.

“Best Buy”

designation for Best Programmable
Thermostats of 2022.

The VisionPRO® 8000

Complete connected comfort in one thermostat.

EASY TO USE, EASY TO LOVE

- Answer some simple questions, and the system programs itself.
- Set up notifications to know your home is comfortable, protected, and saving you money.
- On-screen guided set-up and support.

RedLINK Internet Gateway with Total Connect Comfort Services

After a pro installs it your system, create an account to customize your system and set up notifications. The free app is available for Apple® and Android™ devices.

CONTROL MORE THAN TEMPERATURE – MUCH MORE

- Set vacation, home, and away modes with the touch-screen display.
- Schedule from your smartphone, computer, or tablet with RedLINK™ and Resideo's Total Connect Comfort.
- Manage window frost and condensation, check outdoor temp and humidity, and adjust your system from anywhere.
