

EA79 INDUSTRIAL AIR VENT

Automatic air vent for high pressure

The Resideo EA79 Industrial Air Vent

Purges air from high pressure mains and equipment in hot or cold closed water systems.

Features

- Built-in shutoff valve for servicing without system shutdown
- Built-in vacuum breaker
- Removable float/valve assembly for easy servicing
- Brass shell construction
- Safety drain connection and vent cap with leakage guard
- Internal parts made of corrosion resistant and chemical-resistant materials for use with water systems containing propylene glycol, mineral oils, or petroleum-based oils
- Maintains quiet and efficient operation

PART NUMBER	SIZE	CONNECTION
EA79A1004	3/4"	3/4" NPT male pipe thread with 1/2" NPT female pipe thread
