## Special Finishes

The finishing touch to any commercial restroom.
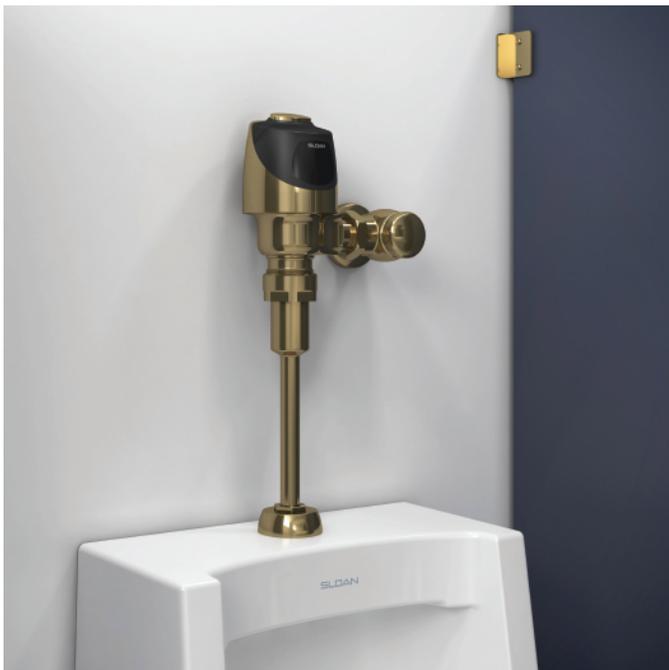

Brass

Make a bold statement with polished brass.

Create the aura of high-end luxury and transform your space with polished brass. This finish is luxurious yet warm and will catch the eye of everyone who walks in the room. With a touch of gold, the polished brass finish will elevate the design in any environment.

Shown: ECOS® 8111 and **ECOS 8186** Sensor Flushometers, **AER-DEC®** Integrated Sink System with **BASYS® EFX250** Sensor Faucet, **ESD500** Soap Dispenser, and **BASYS®** style Hand Dryer for **AER-DEC®** only.

Revitalize your environment with brushed nickel.

Complete your restroom space and complement your brushed nickel design with Sloan's products. With less fingerprints or water marks left behind, the finish remains sharp and clean even after high-traffic use in any environment.

Shown: Solis® 8111 Sensor Flushometer, **Designer Series™** Gradient Sink with **Optima® EAF250-ISM** Sensor Faucet and **ESD2000** Soap Dispenser.

Stainless

Keep things clean and efficient with brushed stainless.

Create a fresh and elegant restroom experience that won't tarnish over time. The brushed stainless finish hides most fingerprints or water marks, keeping your restroom clean no matter the environment. Match the stainless finish across all products for a spotless finishing touch.
