

# Band-Seal® Specialty Couplings

100% MADE

Shielded Transition Couplings join similar and dissimilar pipe sizes and pipe materials. Sizes 3/4" to 8" make almost any connection.

## Features

- Meets and exceeds material and performance requirements of **ASTM C1460**
- Corrosion-resistant series 300 stainless steel components
- Creates a rigid, durable, long-lasting joint
- Internal rubber sleeve reduces noise and vibration
- Easy to assemble, disassemble and reuse
- Neoprene rubber sleeve conforms to **ASTM C564**
- Stainless steel meets **ASTM A240M**
- All specialty couplings use 5/16" hex head screws and tighten to 60 in./lbs.
