

Designers Series Basket Strainer

Snap-N-Loc® | Sink Strainer, 300 Grade Stainless or Brushed Stainless Steel

SS-306

Clamshell
Package

As one of Jomar's more popular basket strainers, the Snap-N-Loc® is known for its original spring-loaded ball bearing post design that snaps perfectly into place, creating a positive leak-proof seal every time. This popular strainer is constructed with a high quality stainless steel deep-cup body, ball bearing, and basket, and comes standard with a brass tail nut. With a sleek design and proven track record, it has become such a favorite among installers that it is offered in brushed or polished stainless steel finish.

Fits sinks which have a thickness between 1/16" and 3/4"
