

SUBMARINE DARK RIDE

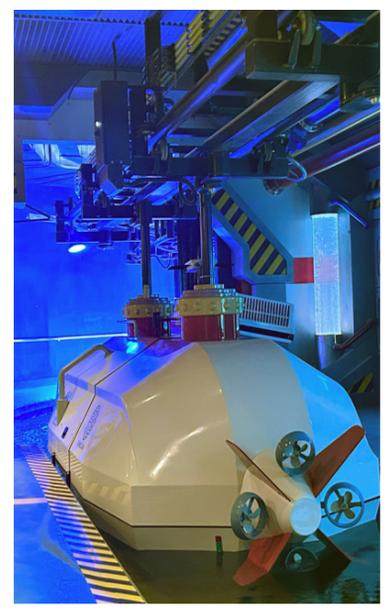

DARK RIDES

Get ready for a deep sea adventure

EXPLORE THE DEPTHS. ENGAGE YOUR GUESTS.

HIGHLIGHT
Live aquarium meets
ride technology.

Combine real marine life with themed storytelling. Our submarine dark ride merges a genuine aquarium experience with engaging ride technology. Guests explore vibrant underwater worlds filled with live sea creatures and dynamic scenes. The result: a family-friendly attraction with strong repeat value and visual impact.

Deliver big experiences in a compact footprint. This attraction is designed for flexible integration, offering scalable layouts that fit both new builds and retrofits. From small parks to major resorts, operators benefit from high guest throughput, low staffing needs, and minimal motion systems: all while offering a rich, immersive experience.
