# *What is* **HOPE?**

PROJECT H.O.P.E. (***HELPING OTHER PEOPLE EVERYDAY***) is an initiative by the Rotaract District Organization RID 3012, launched in 2020. It was started with an aim to celebrate the commencement of the Rotary year, organised in each tenure from July 1st to July 8th.

This event is dedicated to addressing and raising awareness about the seven Rotary Focus Areas and District Community Projects, with each day dedicated to a different focus area. Our District Projects cater to diverse fields.

The seven Rotary Focus Areas represent key areas of humanitarian concern and action for Rotary International, a global service organization dedicated to promoting peace, fighting diseases, providing clean water, saving Mothers and Children, supporting Education, growing local Economies, and protecting the Environment. These areas serve as guiding principles for Rotaract clubs worldwide in their efforts to make a positive impact in their communities and beyond. HOPE aims to create sustainable solutions and foster a better world through service projects, partnerships, and advocacy initiatives.

With the seventh edition of HOPE i.e. HOPE 7.0, RID 3012 plans to achieve greater heights with the greatest impact ever through its commitment to "SERVICE ABOVE SELF" and "FELLOWSHIP THROUGH SERVICE" to cultivate leadership, promote fellowship, and inspire young adults to serve humanity with integrity and compassion in their pursuit of positive social change and global understanding.

# *Focus Area of the Day*

## **SAVE THE ENVIRONMENT**

Rotary International's commitment to Protecting the Environment reflects its dedication to preserving our planet for future generations. Recognising that a healthy environment is essential for thriving communities, Rotary supports initiatives that conserve natural resources, promote ecological sustainability, and strengthen resilience against climate change. Through environmental education, conservation projects, sustainable development initiatives, and partnerships with organisations such as the United Nations Environment Programme, Rotary empowers communities to adopt local solutions that protect land, freshwater, coastal, and marine ecosystems. By encouraging sustainable practices, reducing greenhouse gas emissions, restoring biodiversity, and advocating for responsible resource management, Rotary continues to create lasting environmental impact while fostering harmony between people and nature.

At the Rotaract District Organization level, young leaders actively champion environmental sustainability through innovative, community-driven initiatives. Our Rotaract clubs collaborate with schools, local authorities, environmental organisations, and community groups to organise tree plantation drives, cleanliness campaigns, waste management projects, biodiversity conservation activities, and awareness programmes on climate action and sustainable living. Members also promote responsible consumption, encourage recycling and upcycling practices, support water conservation efforts, and conduct educational workshops that inspire individuals to adopt environmentally conscious lifestyles. Through hands-on service, advocacy, and collaboration, Rotaract members contribute towards building cleaner, greener, and more resilient communities while advancing Rotary's vision of environmental stewardship.

In Rotary International District 3012, we are committed to creating sustainable environmental impact by encouraging responsible action, protecting natural resources, and promoting climate resilience across our communities. This year, we have elevated our commitment by expanding the scale and reach of our environmental initiatives, embracing innovative solutions, strengthening community partnerships, and inspiring individuals to become active custodians of the planet. Through collective action and sustained efforts, we strive to leave behind a greener, healthier, and more sustainable future for generations to come.

## *Message from Rotary International President*

# **RTN. OLAYINKA H. BABALOLA**

Dear Rotarians and Rotaractors,

As we begin a new Rotary year, I invite each of you to embrace a simple yet powerful purpose: Create Lasting Impact.

For generations, Rotary has been known for changing lives through service. We have fought disease, promoted peace, strengthened education, supported communities, and brought hope where it was needed most. But our greatest impact begins long before any project. It begins with each one of us.

Rotary transforms those who choose to serve. It shapes our character, broadens our perspective, and reminds us that true leadership is rooted in compassion, integrity, and action. When we grow as individuals, our clubs grow stronger. When our clubs grow stronger, our communities flourish.

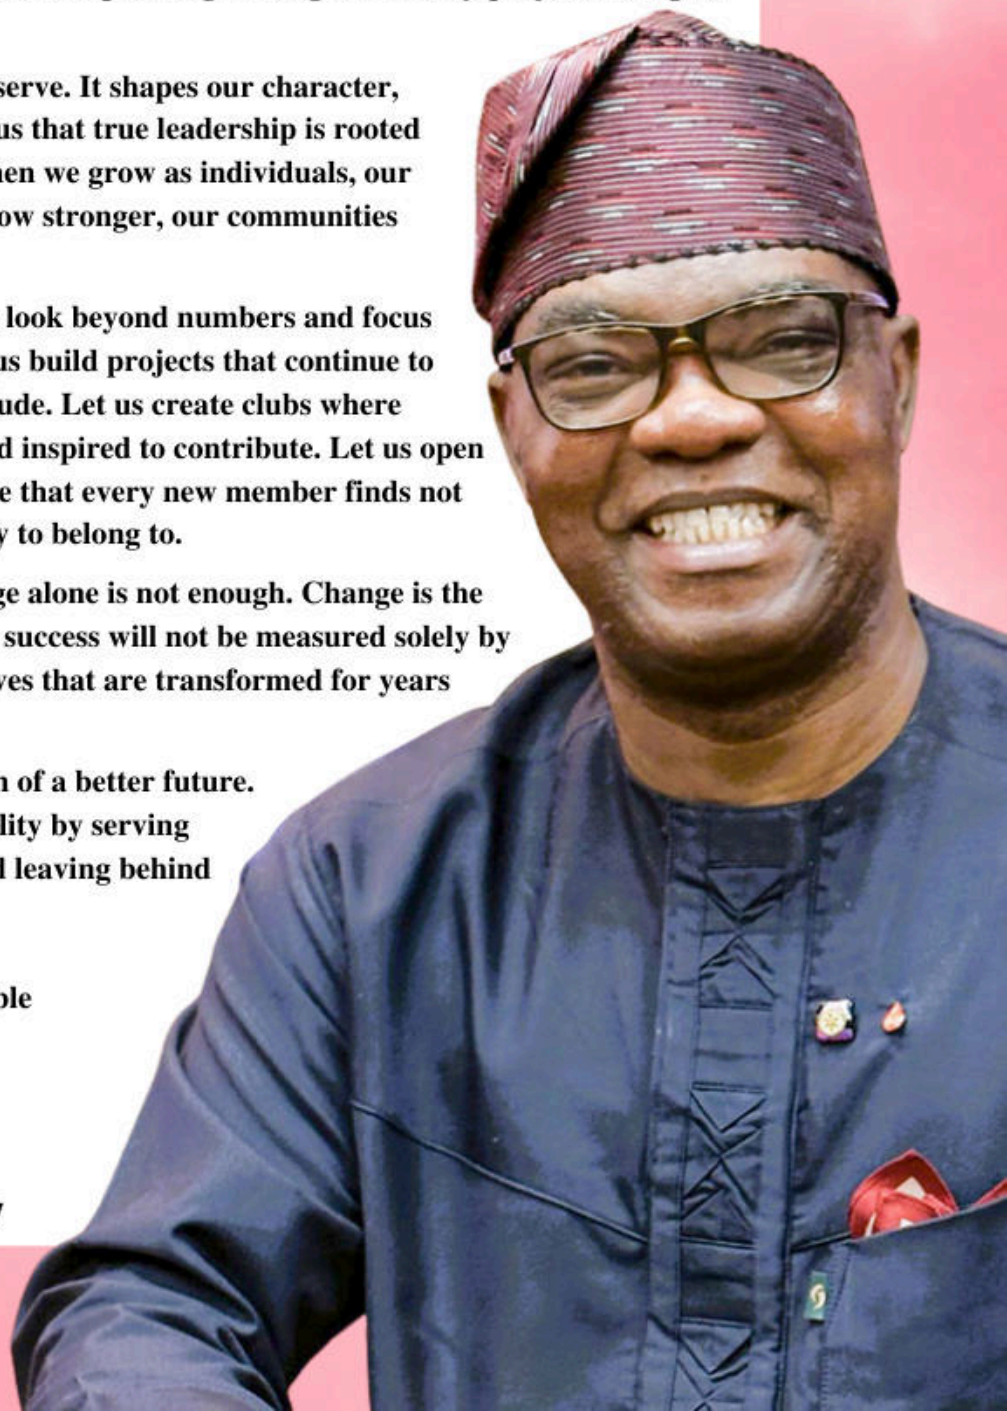

This year, I encourage every member to look beyond numbers and focus on meaningful, sustainable impact. Let us build projects that continue to uplift communities long after they conclude. Let us create clubs where every person feels welcomed, valued, and inspired to contribute. Let us open our doors, embrace diversity, and ensure that every new member finds not only an organisation to join, but a family to belong to.

Creating change is important, but change alone is not enough. Change is the beginning. Impact is what endures. Our success will not be measured solely by what we accomplish today, but by the lives that are transformed for years to come.

As members of Rotary, we share a vision of a better future. Together, let us turn that vision into reality by serving with purpose, leading with humility, and leaving behind a legacy that inspires generations.

I look forward to witnessing the incredible difference we will make together.

Yours in Rotary Service,  
Rtn. Olayinka H. Babalola  
President, Rotary International 2026–27

## *District Governor & First Lady*

# **RTN. AMIT GUPTA & DR. SWATI GUPTA**

Amit Gupta is a distinguished educationist and committed Rotarian, known for his unwavering dedication to community service and leadership. An alumnus of the prestigious Delhi Public School, Ghaziabad, he holds a graduate degree in Science and an MBA in management.

He currently serves as the Chairman of the esteemed Sanskar Educational Group, Ghaziabad. Additionally, he is the General Secretary of Shree Bankey Bihari Dental College and Research Centre. His family has been actively engaged in the cement C&F business for over five decades.

Driven by the belief that “The purpose of human life is to serve and show compassion,” Amit Gupta joined Rotary in 2009 as a proud member of Rotary Club of Ghaziabad Central. Demonstrating remarkable leadership, he served as Club President in the year 2012-13, and since then, has been wholeheartedly devoted to the service of Rotary.

His wife, Dr. Swati Gupta, has been his constant source of strength and support. A committed Rotarian herself, she served as President of RC Ghaziabad Central in RY 2014-15, receiving the Kohinoor President Award, and served as Assistant Governor in 2020-21.

Her key area of interest lies in literacy, where she has contributed immensely as DLCC over the years.

Amit and Swati remain deeply committed to serving society with compassion and purpose, continuing their Rotary journey with greater zeal.

## *Message from District Rotaract Representative*

### **PHF. RTR. HARSHITA DHAKAD**

Rotaract is more than just a community; it is a feeling of belonging, a shared passion for service, and a constant journey of personal growth. It is a privilege for all of us to be part of one of the biggest NGOs in the world,

to have a platform dedicated to the welfare of all. Ultimately, this is a journey of community service and personal growth where we discover our own potential while uplifting others.

I believe we must always put our best foot forward in serving society, for together we can make a lasting difference. No effort is ever too small; you never know how deeply it might touch and transform someone's life. All my best wishes to you as you embark on this journey of creating a better tomorrow. I wish to walk alongside you, so that no step feels uncertain and no challenge feels overwhelming. After all, Rotaract is about fellowship through service- let us come together to truly bring meaning to our motto.

Yours in Rotaract,  
PHF Rtr. Harshita Dhakad  
District Rotaract Representative,  
RDO RID 3012

## *Message from District Rotaract Secretary*

### **RTR. AYUSH RAJ**

Rotaract is built on the belief that every act of service has the power to inspire hope and create lasting change. Project H.O.P.E. (Helping Other People Everyday) beautifully reflects this spirit by encouraging us to serve with purpose, compassion, and commitment.

As we begin this Rotary Year, let us come together to address the seven Rotary Areas of Focus through meaningful community service. Each project we undertake is an opportunity to make a difference, strengthen our fellowship, and remind ourselves that even the smallest efforts can leave a lasting impact.

I encourage every club and every Rotaractor to participate wholeheartedly in this initiative. Together, let us lead with empathy, serve with dedication, and make Project H.O.P.E. a true celebration of "Service Above Self."

# *Message from the* **DISTRICT CORE TEAM**

**Rtr. Kyra Mehra**  
Deputy District Rotaract  
Representative

Every meaningful change begins with a single step, and Rotaract gives us the opportunity to take that step together. It is not just a platform for service but a journey that shapes our character, strengthens our bonds, and inspires us to become leaders who create a positive impact. As we continue this journey, I encourage each one of you to serve with sincerity, lead with humility, and embrace every opportunity to learn.

Let us strengthen our fellowship, uphold the values of Rotaract, and work hand in hand to make a meaningful difference!

As we begin a new Rotary year, I wish every Rotaractor of District 3012 a year filled with meaningful service, lasting friendships, and inspiring achievements. May we continue to lead with integrity, serve with compassion, and create a positive impact in our communities.

Here's to new opportunities, stronger collaborations, and an unforgettable year ahead. Wishing you and your club a successful tenure.

**Rtr. Ishan Porwal**  
District Sergeant- at- Arms

# Message from the DISTRICT CORE 26-27

**Rtr. Tarun Aggarwal**  
Joint District Rotaract Secretary

Every journey of impact begins with a single act of service, and Rotaract gives us the chance to walk that path together. Beyond projects and events, it is the people we meet, the lives we touch, and the values we carry forward that truly define our journey.

As we move ahead, let us lead with compassion, serve with purpose, and never underestimate the difference even the smallest effort can make. Together, we can create meaningful change and leave a legacy that lasts.

They say one person can't change the world... good thing Rotaract never works alone! Every project, every laugh, every late-night planning session, and every act of service brings us one step closer to making a real difference.

So let's keep showing up, lifting each other up, and serving with big hearts. Here's to creating memories, making an impact, and proving that together, we really can make the world a little brighter.

**Rtr. N V Aruna Devi**  
District Treasurer

**RTR. BHUMIKA SINGH**  
ZONAL ROTARACT  
REPRESENTATIVE (ZRR)  
ZONE 1

Leadership, to me, has never been about standing ahead—it's about walking beside people, understanding their journeys, and empowering them to discover their own potential. As a Trainee Psychologist, I believe that empathy is one of the strongest forms of leadership, and my years in Rotaract have only strengthened that belief. From leading a club as President to serving across district initiatives, every experience has shaped me into someone who values people before positions and purpose before recognition. As your Zonal Rotaract Representative, I hope to build a zone where collaboration replaces competition, ideas are celebrated, and every club feels inspired to create meaningful change. Together, let us make this tenure not just a collection of successful projects, but a journey remembered for the lives we touched, the bonds we built, and the hope we spread.

# ROTARACT CLUB OF OP JINDAL GLOBAL UNIVERSITY

*People impacted:* 747

*No. of collaborations:* 02

*No. of volunteers:* 17

The Rotaract Club of OP Jindal Global University organised a series of environmental sustainability initiatives to promote responsible waste management, conservation, and community awareness. A Tree Plantation Drive was conducted to increase green cover and encourage environmental stewardship among participants. Through a Cloth Bag Distribution Drive, reusable bags were distributed to promote sustainable alternatives to single-use plastics. An E-Waste Collection Drive facilitated the safe disposal and recycling of electronic waste, preventing hazardous materials from entering landfills. To engage participants in environmental learning, a Waste Management Quiz was organised, testing and enhancing knowledge on sustainable waste practices. An Awareness Session on the Three R's—Reduce, Reuse, and Recycle educated community members on practical methods to minimise waste generation. Additionally, an Animal Feeding Drive was conducted to feed stray animals, reducing their dependence on overflowing garbage bins and helping maintain cleaner public spaces. Together, these initiatives fostered environmental responsibility, promoted sustainable habits, and encouraged active community participation in building a cleaner and greener society.

# ROTARACT CLUB OF BPIT

*People impacted:* 70

*No. of collaborations:* 04

*No. of volunteers:* 03

To promote environmental sustainability, responsible waste management, public cleanliness, and environmental awareness among children. Under Project Prakriti, a "Best Out of Waste" activity was organized in collaboration with Ecotopia at CSK, where children created pen holders using waste bottles and paper, followed by the distribution of sketch pens. A cleanliness drive was conducted near Rohini Sector 18–19 Metro Station, and a sapling plantation drive was organized with the children of Kilkari in collaboration with Samvriti, the Eco Club of DESU, at Kilkari. Children from CSK and Kilkari, local residents, commuters, and the surrounding community. The activities encouraged sustainable practices, improved the cleanliness of a public space, increased green cover through sapling plantation, and strengthened environmental awareness and community participation.

# ROTARACT CLUB OF JIMS

## VASANT KUNJ

*Saplings planted:* 60  
*No. of collaborations:* 02  
*No. of volunteers:* 05

The Rotaract Club of JIMS Vasant Kunj, in collaboration with the Rotaract Club of Saanjh and the Rotaract Club of Delhi, organized an environmental awareness and plantation drive at Gyanadhar NGO, Rajapur, Rohini. The initiative aimed to promote environmental sustainability by encouraging children to actively participate in creating a greener future. During the event, the NGO children enthusiastically planted 60 saplings and attended an interactive session on the importance of protecting the environment and caring for plants. The project fostered environmental responsibility, teamwork, and awareness while inspiring young minds to adopt sustainable practices and contribute towards a healthier planet.

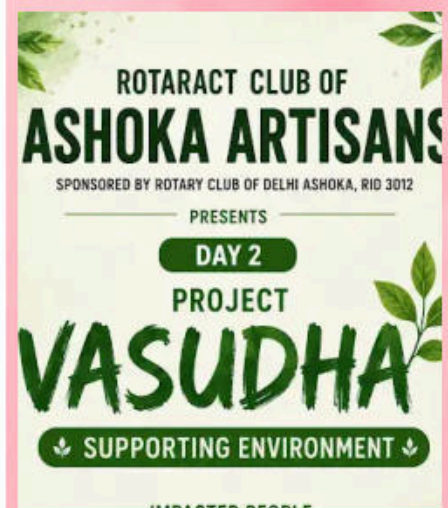

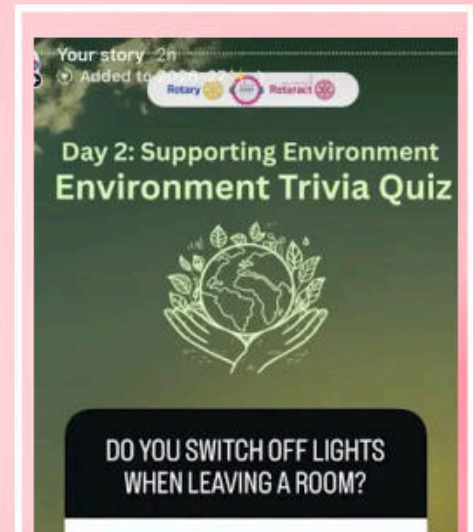

# ROTARACT CLUB OF ASHOKA ARTISANS

*People impacted:* 532+

*No. of collaborations:* 02

*No. of volunteers:* 02

On HOPE Day 2, under Project Vasudha, the objective was to spread environmental awareness and promote sustainable practices through digital engagement. The project was executed using Instagram as a medium, where an interactive awareness quiz, a reel demonstrating bottle drip irrigation for water conservation, and informative content highlighting the benefits of using cloth bags over plastic bags were shared. These activities aimed to educate and sensitize people in a simple and engaging manner. The beneficiaries included students, youth, and the wider social media audience who engaged with the content. As a measurable impact, the initiative reached 450+ people, increased awareness about water conservation and plastic waste reduction, and encouraged the adoption of eco-friendly habits and responsible environmental behavior.

# ZONAL ROTARACT REPRESENTATIVE ZONE 2

**RTR. ISHITA SANDUJA**  
ZONAL ROTARACT  
REPRESENTATIVE (ZRR)  
ZONE 2

**Wishing you all a wonderful start to your tenure! May you all achieve tremendous benchmarks and take your club, your zone, your district and rotaract as a whole to another heights!!**

**From leading my home club as the President to continuing as the Zonal Rotaract Representative; the journey has been truly mesmerising and full of many surprises. You'll never get to know how certain things help you in ways you can't even think of, so always embrace being a rotaractor with the bottom of your heart and carry it with prestige wherever you go.**

**I hope to be able to grow our zone into the most impactful one and stay as a family that nurtures, provides and encourages one another in every aspect. This H.O.P.E. let us make sure that people's hope in us does not go in vain.**

**After all, great leaders do not desire to lead but to serve.**

# ROTARACT CLUB OF USME

*People impacted:* 1990+

*No. of collaborations:* 05

*No. of volunteers:* 12

RaC USME conducted three initiatives promoting environmental sustainability and awareness. Project RACHIKA at Intas Foundation, Malviya Nagar, aimed to encourage sustainable living through fabric upcycling while offering cancer patients a creative and engaging experience. Volunteers guided 40+ beneficiaries in transforming old pillow cases into reusable tote bags, equipping them with a practical eco-friendly skill while fostering creativity, emotional well-being, and environmental consciousness.

Project VANMEET, organised in collaboration with There Is No Earth B at Yamuna Bank, Kalindi Kunj, focused on environmental conservation through community action. Volunteers collected 58.675 kg of waste from the Yamuna riverbank and conducted discussions on pollution, conservation, and youth responsibility, creating a cleaner environment and strengthening awareness about protecting natural resources.

RaC USME also collaborated with Stracts by Riya Jain to host an interactive interview on fast fashion and sustainable living. An in-depth discussion and rapid-fire round was conducted based on the environmental impact of fast fashion, conscious consumerism, and sustainable business practices. The initiative engaged viewers, raised awareness, encouraged informed choices and greater responsibility towards the environment.

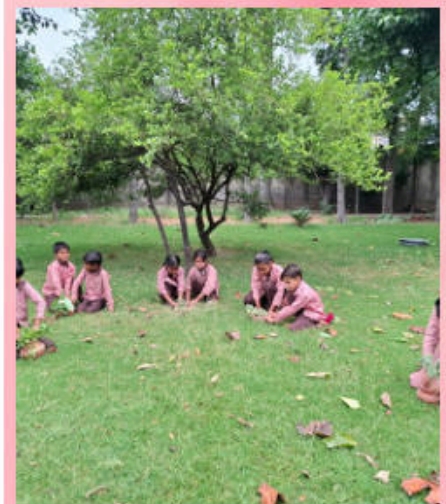

# ROTARACT CLUB OF GL BAJAJ

*People impacted:* 350+

*No. of collaborations:* 02

*No. of volunteers:* 09

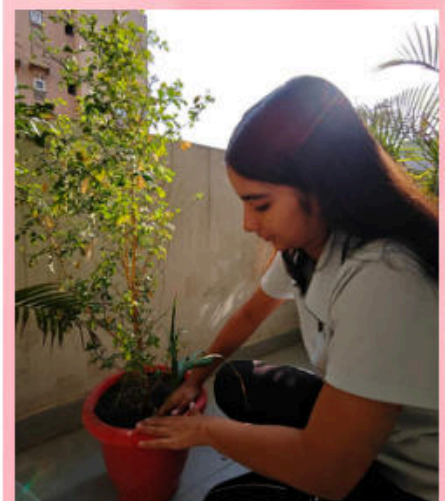

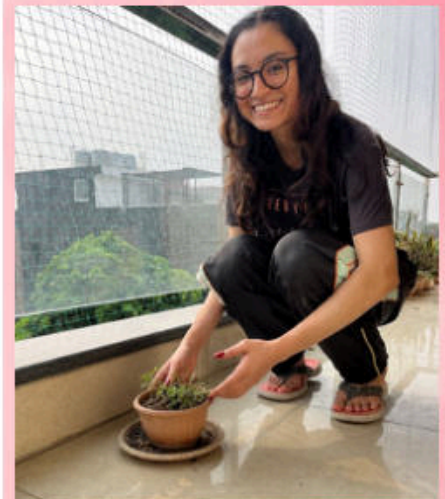

Project Vasudha was conducted on HOPE Day 2 with the objective of promoting environmental sustainability, encouraging community participation in conservation efforts, and fostering compassion towards animals. The initiative comprised a plantation drive, the school activity "EcoClub," an animal feeding drive, and an online awareness campaign. Executed in collaboration with two Rotaract Clubs, the project engaged more than 350 individuals from the community. A total of 70 saplings were distributed and planted to encourage a greener environment, while over 50 animals were fed through the distribution of 10 kg of fodder, 4 packets of bread, and 5 packets of milk. Through these activities, Project Vasudha successfully raised environmental awareness, inspired sustainable practices among young minds, and promoted kindness towards animals, creating a meaningful and lasting community impact.

# ROTARACT CLUB OF SHAHEED SUKHDEV COLLEGE OF BUSINESS STUDIES

*People impacted:* 80+  
*No. of collaborations:* 01  
*No. of volunteers:* 08

Project EcoLens was conducted under HOPE 7.0 to promote environmental awareness and encourage sustainable habits among students and Rotaractors. The objective was to help participants identify environmental myths and take small, actionable steps towards a greener future. The project was executed through two activities: an interactive “Myth vs Fact” Instagram story series and a sapling plantation drive, where participants planted saplings or potted plants and shared photographs of their efforts. The initiative benefited Rotaract club members and the wider online community by spreading awareness about environmental sustainability. The project generated active digital engagement, participation from multiple clubs, and visible environmental action through plantation activities, fostering greater awareness, community involvement, and a stronger commitment to sustainable living.

# ROTARACT CLUB OF DOC DSE

*People impacted:* 100+  
*No. of collaborations:* 02  
*No. of volunteers:* 15

## Objective (WHY):

To encourage environmental conservation, promote sustainable living, and inspire individuals to adopt eco-friendly practices while fostering compassion towards animals and increasing awareness about innovative environmental solutions.

## Execution (HOW):

Day 2 comprised a Cleanliness Drive, Plantation Drive, Animal Feeding Drive, Water Bowl Drive for birds and stray animals, and a Carbon Footprint Challenge to promote sustainable habits. Additionally, Project Harit Sankalp, a collaborative session with the Rotaract Club of Dyal Singh College, was conducted by Dr. Monu Mishra, focusing on sustainable technologies and environmental innovation through the theme Invisible Towers.

## Beneficiaries (WHO):

Students, local residents, volunteers, nature enthusiasts, and stray animals benefited from the day's activities and awareness initiatives.

## Measurable Impact (WHAT CHANGED):

The initiatives contributed to cleaner public spaces, enhanced green cover, improved welfare of stray animals, and increased awareness about environmental responsibility. Participants gained practical insights into reducing their carbon footprint and were inspired to adopt sustainable practices through the informative Project Harit Sankalp session.

# ROTARACT CLUB OF DELHI

*People impacted:* 150+

*No. of collaborations:* 00

*No. of volunteers:* 05

As part of HOPE 7.0 – Day 2 under the theme Supporting Environment, the Rotaract Club of Delhi organized a plantation drive, nature revival activity, and cleaning drive to promote environmental conservation and community responsibility. With the support of five dedicated volunteers, we planted 50 saplings to increase green cover and revived 25 existing trees by enriching the soil with organic manure, helping improve their health and growth. A cleaning drive was also conducted to restore the cleanliness of the surrounding area and encourage responsible waste management. The initiative directly engaged our volunteers while indirectly benefiting more than 150 community members through a cleaner, greener, and healthier public space. Overall, 75 plants were positively impacted, contributing to improved biodiversity, better air quality, and a more sustainable environment. Through these collective efforts, we reinforced the importance of protecting nature and inspired the community to take small but meaningful steps towards a greener future, truly Flying Towards a Legacy of Service.

# SAANJH: ROTARACT CLUB OF DELHI ROHINI

*People impacted:* 1270+  
*No. of collaborations:* 38  
*No. of volunteers:* 18

As environmental challenges continue to grow, Saanjh Rotaract Club of Delhi Rohini's H.O.P.E. 7.0 – Day 2 inspired communities to reconnect with nature through meaningful action. Under the Rotary focus area of Environment, eight impactful initiatives promoted sustainability. Dharohar led a plantation drive with Rotary Club of Delhi Rohini, Sustain Wise, Green Pencil Foundation, RaC JIMS VK, RaC OPJU, and RaC Karjat, planting 250 saplings across Rohini, Gurgaon, and Maharashtra. Safai Abhiyan conducted a cleanliness drive with the Municipal Corporation, collecting 32 kg of waste. Feathered Friend installed bird water stations, while Sanjeevni spread awareness on waste segregation. Cow-Friend visited a gaushala, BYOB transformed bottles into eco-art and plant setups, Kudrat explored the value of herbal gardens, and a social media campaign promoted responsible e-waste disposal. Together, these initiatives positively impacted over 1,270 lives, including students, communities, animals, birds, online participants, and digital audiences, proving that lasting change begins with collective action.

# ROTARACT CLUB OF CAPITAL CITY NEW DELHI

*Saplings planted:* 50  
*No. of collaborations:* 00  
*No. of volunteers:* 05

The objective of the sapling plantation drive was to promote environmental sustainability and encourage community participation in increasing green cover. The activity was carried out by five volunteers, each planting saplings in their respective local areas to maximize outreach and local engagement. The beneficiaries include local residents, future generations, and the surrounding environment, which will benefit from improved air quality, enhanced biodiversity, and greener neighborhoods. As a measurable impact, a total of five volunteers actively participated in the initiative, successfully planting saplings across different locations. The drive raised awareness about the importance of tree plantation and inspired responsible environmental practices within the community, contributing to a cleaner and more sustainable ecosystem.

# ZONAL ROTARACT REPRESENTATIVE ZONE 3

**RTR. SARTHAK GUPTA**  
ZONAL ROTARACT  
REPRESENTATIVE (ZRR)  
ZONE 3

Stepping into the role of Zonal Rotaract Representative after serving as a Club President has been a profound shift in perspective one that deepened my understanding that true leadership isn't about titles, but about listening, uplifting, and standing firm through challenges. Zone 3 is brimming with energy and potential, and my vision is to cultivate an environment where collaboration replaces competition, where clubs don't operate in silos but as a connected ecosystem of shared learning and collective strength. I see my role not as a supervisor, but as a connector someone who amplifies your voices at the district level, clears obstacles from your path, and genuinely rejoices in every milestone you achieve. Because at the end of the day, leadership is not about walking ahead with a pointer, it's about walking alongside, rolling up our sleeves together, and building something that outlasts any single term. That's the energy I'm bringing, and I can't wait to see what we create together.

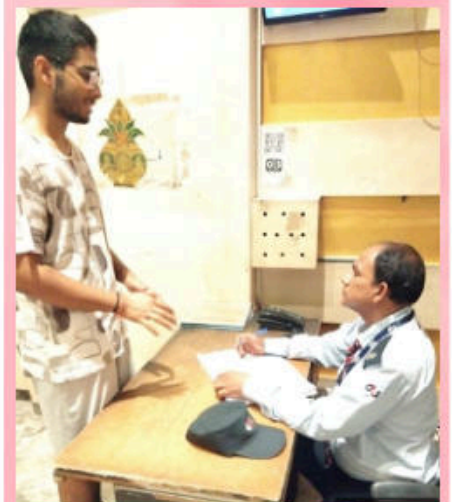

# ROTARACT CLUB OF NIET

*People impacted:* 400

*No. of collaborations:* 01

*No. of volunteers:* 40

**Objective (WHY):** To promote environmental sustainability, animal welfare, and healthy lifestyle choices. **Execution (HOW):** Following an online meeting with the One Just Foundation, students installed bird water feeders in their respective hometowns and conducted community awareness campaigns to advocate for a plastic-free environment and a transition from meat to healthy, plant-based green diets. **Beneficiaries (WHO):** Local bird populations, participating students, and the wider community members reached by the campaign. **Measurable Impact (WHAT CHANGED):** Provided immediate water access for local wildlife, successfully educated residents on the health and ecological benefits of vegetarianism, and initiated a conscious community effort toward reducing plastic usage and adopting sustainable habits.

# ROTARACT CLUB OF INMANTEC INSTITUTION

*People impacted:* 600+  
*No. of collaborations:* 01  
*No. of volunteers:* 15

Hope day 2 introduced VASUDHA:

To nurture a greener tomorrow, our team wove sustainability into everyday action, restoring nature, reducing waste, and building an eco-conscious community.

The day began with Eco Srijan, a plantation drive of 25 saplings, graced and honoured by Mr. Praveen Chaudhary, Deputy Mayor, Nagar Nigam Ghaziabad, and Parshad, Raj Nagar. Building on this green momentum, Adopt a Plant saw 15 nature lovers pledge long-term care, ensuring these saplings grow into a lasting legacy rather than a one-day gesture. Meanwhile, Punar Urja collected 18.5L of used cooking oil from 7 vendors, redirecting it toward biofuel conversion. Oil that would have otherwise clogged drains and poisoned groundwater, now transformed into clean energy that protects water systems and cuts carbon emissions. Complementing this, Swap Green donated 100 cloth bags in exchange for 200+ single-use plastic bags, sparing soil and waterways from years of pollution. Dana Pani, installing bird feeders that welcomed urban wildlife back into a thriving ecosystem. Together, these five initiatives proved that small, consistent habits like a planted sapling, a saved litre of oil, a swapped bag can ripple into real, measurable ecological change.

# ROTARACT CLUB OF ARDENT CREATORS

*People impacted:* 50+

*No. of collaborations:* 00

*No. of volunteers:* 06

**Objective (Why):** To promote environmental awareness, encourage sustainable habits, and inspire participants to understand the importance of protecting the environment through interactive learning and creative engagement.

**Execution (How):** The event commenced with Planet Matters, an informative session explaining the components of the environment and the significance of its conservation. This was followed by R3 Revolution, where participants learned practical ways to incorporate the principles of Reduce, Reuse, and Recycle into their daily lives. The event concluded with Waste to Wonder, a hands-on activity in which participants transformed discarded materials into useful and decorative items, demonstrating the value of upcycling.

**Beneficiaries (Who):** Kids of Little Seeds NGO.

**Measurable Impact (What Changed):** Kids developed a better understanding of environmental conservation, adopted practical sustainable practices, and creatively repurposed waste materials, fostering greater awareness and responsibility towards protecting the environment. 50+ kids were impacted.

# ROTARACT CLUB OF DYAL SINGH COLLEGE

*People impacted:* 195

*No. of collaborations:* 14

*No. of volunteers:* 14

Day 2 of H.O.P.E 7.0 introduced Project Harit Sankalp – A Promise Today for a Greener Tomorrow, featuring four events centered on environmental awareness and sustainable living. Animal Allies, held at Samvedna NGO, engaged 20 specially-abled participants in creating bird feeders and feeding stations, encouraging compassion and care for urban wildlife. Compost Corner, hosted at Delhi Cantt, guided 72 children through the process of composting and responsible waste management, helping them understand how everyday waste can be turned into valuable resources. Climate Clues, held at Ishwar NGO, helped 36 children grasp the basics of climate change and adopt eco-friendly habits in their daily lives. Invisible Towers, conducted online via Google Meet, educated 67 participants on the environmental impact of technology and the importance of biodiversity conservation. Together, these events strengthened environmental consciousness and reaffirmed a shared commitment to building a greener, more sustainable tomorrow.

# ZONAL ROTARACT REPRESENTATIVE

## ZONE 4

**RTR. TISHYA JAIN**  
ZONAL ROTARACT  
REPRESENTATIVE (ZRR)  
ZONE 4

Every new journey begins with a shared purpose, and I truly believe the greatest achievements are never accomplished alone. They are built through trust, collaboration, and the willingness to grow together, which inspires others to believe in the power of this organisation.

As your ZRR, I hope to foster a Zone where every club feels connected, supported, and empowered. My goal is to strengthen collaboration between clubs, encourage meaningful networking, create opportunities to learn from one another, and ensure that every club has the platform to grow.

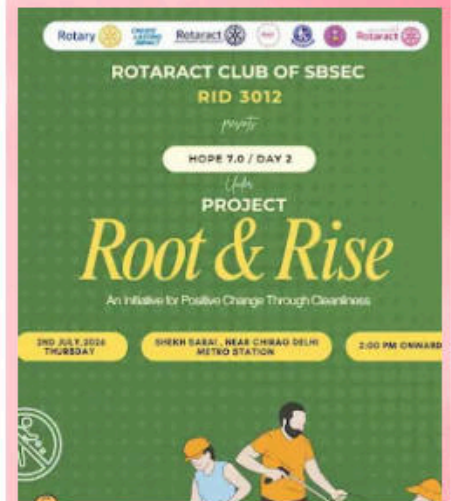

Together, let's build such an environment that celebrates every success, embraces every challenge, and leaves behind a legacy of service, leadership, and unity.

This HOPE Week, let's look beyond numbers and milestones. Let's use these days to build trust, strengthen our bonds, and create such impact that carries the spirit of hope throughout the year.

# ROTARACT CLUB OF SBSEC

*People impacted:* 100  
*No. of collaborations:* 05  
*No. of volunteers:* 40

Rotaract Club of SBSEC organized Project Root and Rise on 2nd July 2026 under Hope 7.0 with the objective of supporting the environment through active community participation. Members conducted a plantation drive across 12+ locations covering Delhi, Uttar Pradesh, Punjab, Rajasthan, and Himachal Pradesh and also in collaboration with Insaniyat Foundation, Ambala. Organic fertilizer and vermicompost prepared by members was directly used for the plantation, reinforcing sustainable practices. A cleaning and garbage disposal drive was conducted at Sheikh Sarai Park, New Delhi collected around 4.5kg of waste, promoting cleanliness and environmental responsibility. An online session by Dr. Monu Mishra in collaboration with Rotaract DSC on sustainable use of technology was also conducted, engaging 50 participants. Day 2 engaged 40 volunteers with 50+ planters planted across multiple states, inspiring collective action for a greener and healthier tomorrow.

# ROTARACT CLUB OF ASHOKA UNIVERSITY YOUTH

*Saplings planted:* 18

*No. of collaborations:* 01

*No. of volunteers:* 07

Our Club's objective was to promote environmental awareness and encourage sustainable action through a hands-on plantation drive. The initiative aimed to highlight the importance of increasing green cover and inspiring members to take responsibility for protecting the environment. To execute this, club members organized a small tree plantation drive and planted 18 saplings in the designated area. The activity was carried out collectively, with members participating in planting, arranging the saplings, and ensuring they were placed in suitable spots for growth. The primary beneficiaries of this initiative are the local community, the campus environment, and future generations, who will benefit from cleaner air, improved greenery, and a healthier ecosystem. The measurable impact of the drive was the successful plantation of 18 saplings, contributing directly to environmental conservation efforts while also fostering awareness, teamwork, and a stronger sense of social responsibility among club members.

The Rotaract Club of Delhi Pegasus, RID 3012, proudly executed Project ReVive - six impactful environmental initiatives under Day 2 of Project H.O.P.E. 7.0 - Supporting the Environment, demonstrating its unwavering commitment to environmental sustainability and community service. The project commenced with a large-scale Plastic waste and E-Waste Collection Drive, ensuring the responsible collection of 250+ kg of waste. Two Plantation Drives, conducted at Rohini and Than Singh Ki Pathshala, brought together youth and children to plant 90+ saplings, promoting ecological responsibility. A Flora & Fauna Quiz engaged 60+ children, fostering awareness about biodiversity and conservation. The club also expressed gratitude to 35+ police personnel through a heartfelt Police Appreciation Drive, recognizing their selfless service. An Online Nature Photography Campaign Delhi Through My Lens (Flora and Fauna edition) clicked by the club members further engaged 50+ participants, encouraging people to connect with and celebrate nature. Overall, the project directly engaged 145+ individuals, facilitated the responsible disposal of 250+ kg of e-waste, and strengthened environmental consciousness through the plantation of 90+ saplings. These initiatives embodied Rotary's spirit of Service Above Self, creating meaningful, measurable, and lasting environmental impact.

The objective of Roots of Responsibility was to promote sustainable environmental conservation by maintaining existing plantations alongside new plantation efforts. Instead of focusing solely on planting more trees, our volunteers revisited the saplings planted during the previous HOPE initiative and watered them along a one kilometre road divider, ensuring they continue to grow and thrive. The team also planted four new saplings as part of today's collaborative plantation activity. With the participation of 5 volunteers, the project highlighted the importance of long term care and responsibility towards the environment. By maintaining existing green cover and adding new saplings, the initiative contributed to a healthier and greener community while spreading awareness that environmental action extends beyond one day plantation drives. The activity created a lasting positive impact by improving the survival of previously planted trees and expanding the area's green cover.

# *Message from* **TEAM PUBLIC RELATIONS**

In a world that often rushes past, Hope Week reminds us to pause, connect, and care. As the PR Team of RID 3012, it fills us with pride to witness how each project, post, and partnership during this week echoed our collective spirit of service and solidarity. Hope is not just an idea—it is in every meal served, every smile shared, and every hand extended to those in need.

Through the power of communication, we aimed to amplify the voices of change and compassion across districts and digital spaces. This week is not just about visibility—it is about impact. And every club, every volunteer, every story make a difference.

To all the Rotaractors who went the extra mile—your efforts are the reason hope continues to shine in every corner we reach. Here's to keeping the momentum alive, and to telling stories that move hearts and inspire action.

With gratitude and pride,  
Public Relations Team  
RDO RID 3012
