What is **HOPE?**

PROJECT H.O.P.E. (***HELPING OTHER PEOPLE EVERYDAY***) is an initiative by the Rotaract District Organization RID 3012, launched in 2020. It was started with an aim to celebrate the commencement of the Rotary year, organised in each tenure from July 1st to July 8th.

This event is dedicated to addressing and raising awareness about the seven Rotary Focus Areas and District Community Projects, with each day dedicated to a different focus area. Our District Projects cater to diverse fields.

The seven Rotary Focus Areas represent key areas of humanitarian concern and action for Rotary International, a global service organization dedicated to promoting peace, fighting diseases, providing clean water, saving Mothers and Children, supporting Education, growing local Economies, and protecting the Environment. These areas serve as guiding principles for Rotaract clubs worldwide in their efforts to make a positive impact in their communities and beyond. HOPE aims to create sustainable solutions and foster a better world through service projects, partnerships, and advocacy initiatives.

With the seventh edition of HOPE i.e. HOPE 7.0, RID 3012 plans to achieve greater heights with the greatest impact ever through its commitment to "SERVICE ABOVE SELF" and "FELLOWSHIP THROUGH SERVICE" to cultivate leadership, promote fellowship, and inspire young adults to serve humanity with integrity and compassion in their pursuit of positive social change and global understanding.

Focus Area of the Day

WATER SANITATION & HYGIENE

Rotary International's commitment to Water, Sanitation, and Hygiene is pivotal in addressing one of the world's most pressing humanitarian challenges. Through sustainable water projects, sanitation infrastructure, and hygiene education initiatives, Rotary has transformed the lives of millions by improving access to safe and clean water. By supporting the construction of wells, rainwater harvesting systems, sanitation facilities, and handwashing stations, Rotary helps prevent the spread of waterborne diseases while promoting healthier communities. Through partnerships, advocacy, and long-term community engagement, Rotary International continues to strengthen water security, improve sanitation practices, and empower communities with the knowledge and resources needed to maintain lasting public health and well-being.

At the Rotaract District Organization level, young leaders focus on Water, Sanitation, and Hygiene through grassroots initiatives and community-driven projects. Our Rotaract clubs often collaborate with local authorities, healthcare providers, educational institutions, and social organisations to organise water conservation campaigns, sanitation drives, hygiene awareness programmes, and community outreach initiatives. They contribute to improving public health by promoting safe drinking water practices, supporting sanitation facilities, distributing hygiene essentials, conducting handwashing and menstrual hygiene awareness sessions, and encouraging responsible water usage. Rotaract members also engage in fundraising and volunteer efforts to support clean water and sanitation projects in underserved communities. By leveraging their energy and passion for service, Rotaract clubs play a vital role in advancing Rotary's goals of water, sanitation, and hygiene at the local level, making a meaningful impact on the health and well-being of their communities.

In Rotary International District 3012, we aim to improve access to safe water, promote proper sanitation, and encourage healthy hygiene practices to build stronger and healthier communities. This year, we have raised our expectations and implementation to new heights, striving to create an even greater impact through innovative initiatives, wider outreach, and sustained community engagement.

Message from Rotary International President

RTN. OLAYINKA H. BABALOLA

Dear Rotarians and Rotaractors,

As we begin a new Rotary year, I invite each of you to embrace a simple yet powerful purpose: Create Lasting Impact.

For generations, Rotary has been known for changing lives through service. We have fought disease, promoted peace, strengthened education, supported communities, and brought hope where it was needed most. But our greatest impact begins long before any project. It begins with each one of us.

Rotary transforms those who choose to serve. It shapes our character, broadens our perspective, and reminds us that true leadership is rooted in compassion, integrity, and action. When we grow as individuals, our clubs grow stronger. When our clubs grow stronger, our communities flourish.

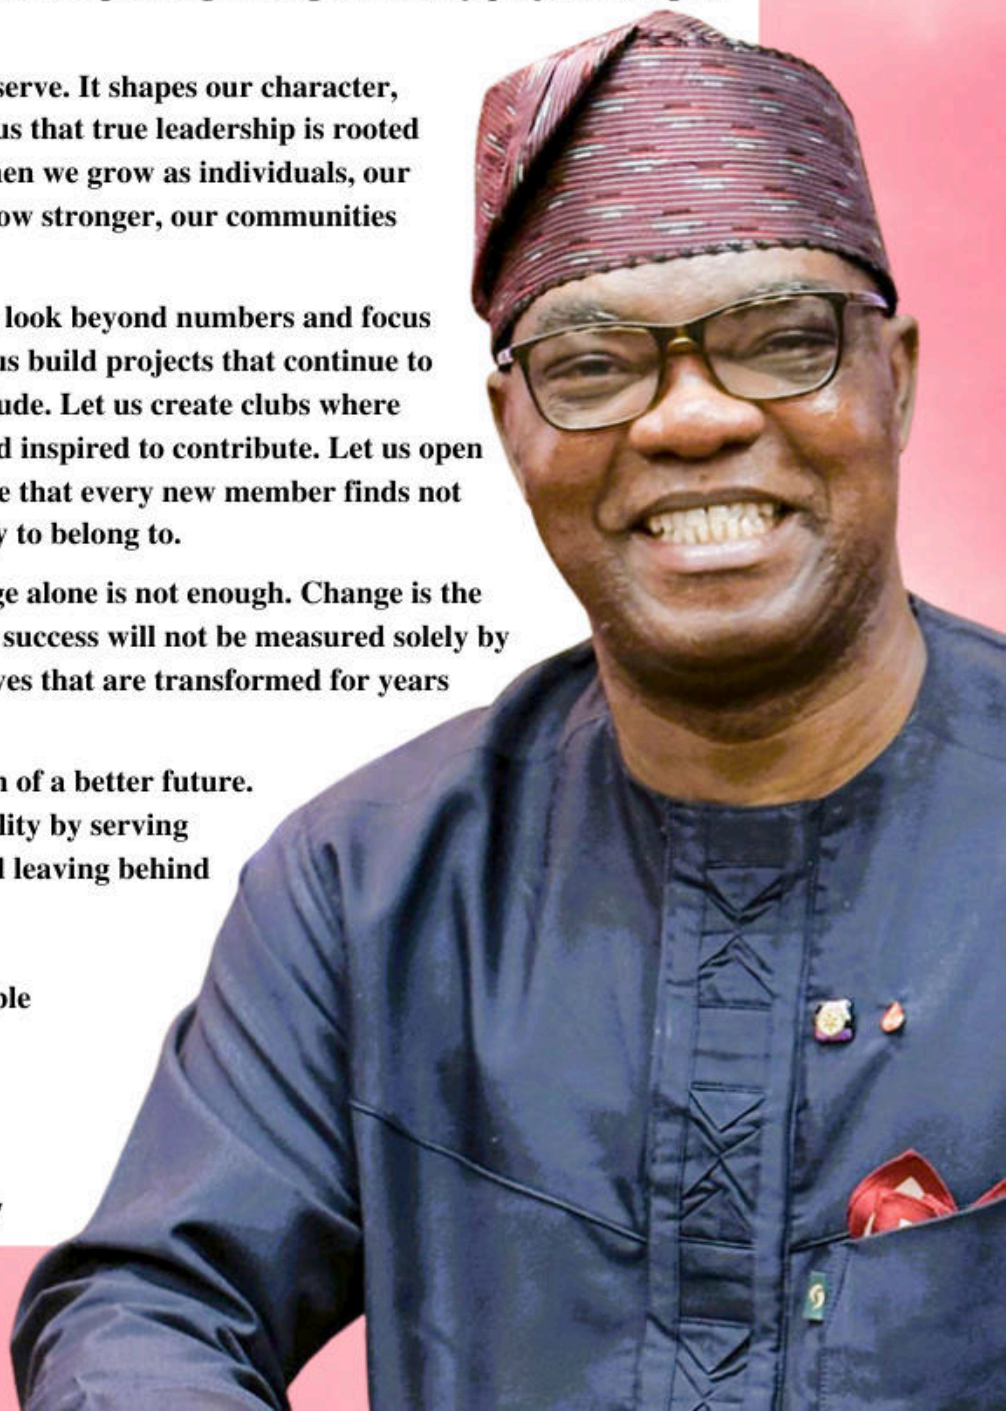

This year, I encourage every member to look beyond numbers and focus on meaningful, sustainable impact. Let us build projects that continue to uplift communities long after they conclude. Let us create clubs where every person feels welcomed, valued, and inspired to contribute. Let us open our doors, embrace diversity, and ensure that every new member finds not only an organisation to join, but a family to belong to.

Creating change is important, but change alone is not enough. Change is the beginning. Impact is what endures. Our success will not be measured solely by what we accomplish today, but by the lives that are transformed for years to come.

As members of Rotary, we share a vision of a better future. Together, let us turn that vision into reality by serving with purpose, leading with humility, and leaving behind a legacy that inspires generations.

I look forward to witnessing the incredible difference we will make together.

Yours in Rotary Service,
Rtn. Olayinka H. Babalola
President, Rotary International 2026–27

District Governor & First Lady

RTN. AMIT GUPTA & DR. SWATI GUPTA

Amit Gupta is a distinguished educationist and committed Rotarian, known for his unwavering dedication to community service and leadership. An alumnus of the prestigious Delhi Public School, Ghaziabad, he holds a graduate degree in Science and an MBA in management.

He currently serves as the Chairman of the esteemed Sanskar Educational Group, Ghaziabad. Additionally, he is the General Secretary of Shree Bankey Bihari Dental College and Research Centre. His family has been actively engaged in the cement C&F business for over five decades.

Driven by the belief that “The purpose of human life is to serve and show compassion,” Amit Gupta joined Rotary in 2009 as a proud member of Rotary Club of Ghaziabad Central. Demonstrating remarkable leadership, he served as Club President in the year 2012-13, and since then, has been wholeheartedly devoted to the service of Rotary.

His wife, Dr. Swati Gupta, has been his constant source of strength and support. A committed Rotarian herself, she served as President of RC Ghaziabad Central in RY 2014-15, receiving the Kohinoor President Award, and served as Assistant Governor in 2020-21.

Her key area of interest lies in literacy, where she has contributed immensely as DLCC over the years.

Amit and Swati remain deeply committed to serving society with compassion and purpose, continuing their Rotary journey with greater zeal.

Message from District Rotaract Committee Chair

RTN. VIDUR CHHARIA

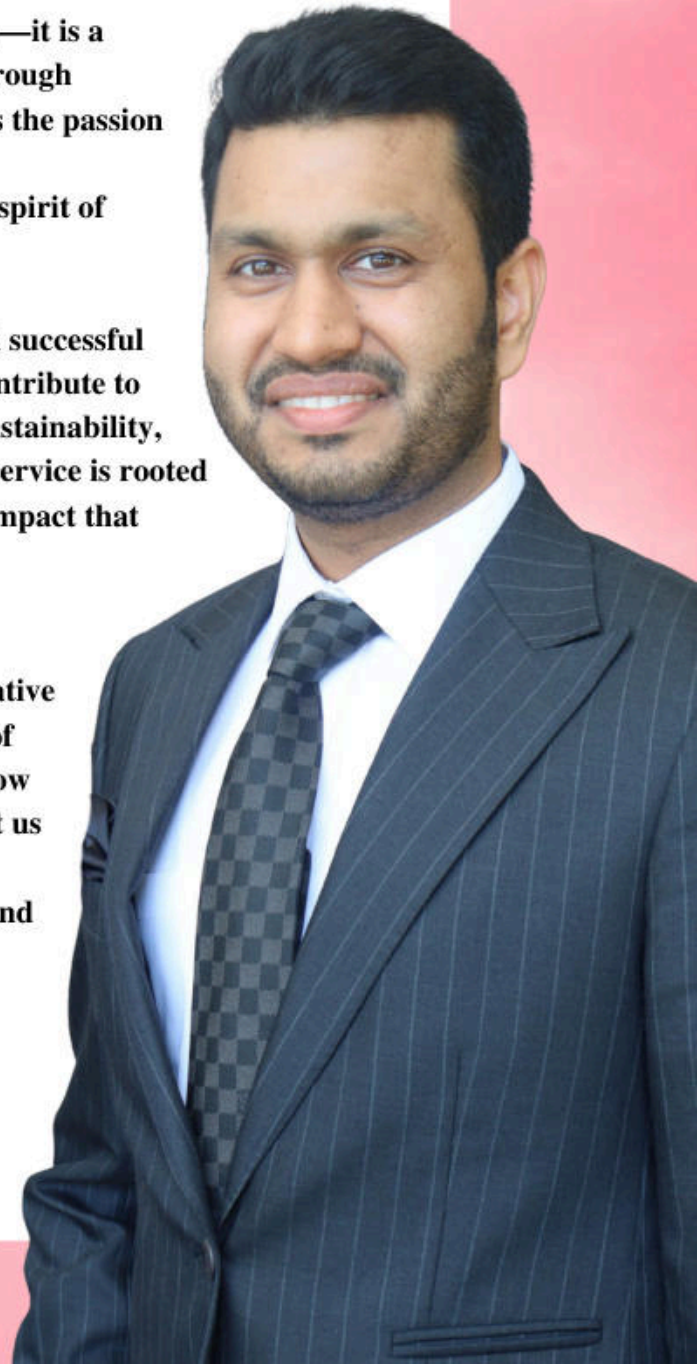

Rotary has profoundly shaped my understanding of leadership, service, and the responsibility that comes with creating opportunities for others. Serving as the President (2019–20) of the Rotary Club of Sahibabad, and as a Major Donor and Paul Harris Fellow (PHF), I have witnessed how empowered individuals and united teams can create an impact that extends far beyond a single project.

To me, Rotaract has always been more than an organization—it is a movement where ideas find purpose, leadership is shaped through action, and service becomes a catalyst for lasting change. It is the passion of young leaders, their willingness to innovate, and their commitment to communities that continue to define the true spirit of Rotaract.

Every initiative we undertake carries a responsibility beyond successful execution. Guided by Rotary's Areas of Focus, our efforts contribute to healthier communities, stronger education, environmental sustainability, economic empowerment, and a more peaceful world. When service is rooted in purpose, every project becomes an opportunity to create impact that extends well beyond the day it is delivered.

The true identity of a club is not defined by the number of projects it undertakes, but by the purpose behind every initiative and the legacy it leaves for others to build upon. The future of our district will be defined by the choices we make today—how we lead, how we collaborate, and how we choose to serve. Let us continue to raise the standard of Rotaract by creating initiatives that inspire confidence, strengthen communities, and leave an enduring legacy of service.

Yours in Rotary Service,
Rtn. Vidur Chharia
District Rotaract Committee Chair
RID 3012

Message from District Rotaract Representative

PHF. RTR. HARSHITA DHAKAD

Rotaract is more than just a community; it is a feeling of belonging, a shared passion for service, and a constant journey of personal growth. It is a privilege for all of us to be part of one of the biggest NGOs in the world,

to have a platform dedicated to the welfare of all. Ultimately, this is a journey of community service and personal growth where we discover our own potential while uplifting others.

I believe we must always put our best foot forward in serving society, for together we can make a lasting difference. No effort is ever too small; you never know how deeply it might touch and transform someone's life. All my best wishes to you as you embark on this journey of creating a better tomorrow. I wish to walk alongside you, so that no step feels uncertain and no challenge feels overwhelming. After all, Rotaract is about fellowship through service- let us come together to truly bring meaning to our motto.

Yours in Rotaract,
PHF Rtr. Harshita Dhakad
District Rotaract Representative,
RDO RID 3012

Message from District Rotaract Secretary

RTR. AYUSH RAJ

Rotaract is built on the belief that every act of service has the power to inspire hope and create lasting change. Project H.O.P.E. (Helping Other People Everyday) beautifully reflects this spirit by encouraging us to serve with purpose, compassion, and commitment.

As we begin this Rotary Year, let us come together to address the seven Rotary Areas of Focus through meaningful community service. Each project we undertake is an opportunity to make a difference, strengthen our fellowship, and remind ourselves that even the smallest efforts can leave a lasting impact.

I encourage every club and every Rotaractor to participate wholeheartedly in this initiative. Together, let us lead with empathy, serve with dedication, and make Project H.O.P.E. a true celebration of "Service Above Self."

Message from the **DISTRICT CORE TEAM**

Rtr. Kyra Mehra
Deputy District Rotaract
Representative

Every meaningful change begins with a single step, and Rotaract gives us the opportunity to take that step together. It is not just a platform for service but a journey that shapes our character, strengthens our bonds, and inspires us to become leaders who create a positive impact. As we continue this journey, I encourage each one of you to serve with sincerity, lead with humility, and embrace every opportunity to learn.

Let us strengthen our fellowship, uphold the values of Rotaract, and work hand in hand to make a meaningful difference!

As we begin a new Rotary year, I wish every Rotaractor of District 3012 a year filled with meaningful service, lasting friendships, and inspiring achievements. May we continue to lead with integrity, serve with compassion, and create a positive impact in our communities.

Here's to new opportunities, stronger collaborations, and an unforgettable year ahead. Wishing you and your club a successful tenure.

Rtr. Ishan Porwal
District Sergeant- at- Arms

Message from the DISTRICT CORE 26-27

Rtr. Tarun Aggarwal
Joint District Rotaract Secretary

Every journey of impact begins with a single act of service, and Rotaract gives us the chance to walk that path together. Beyond projects and events, it is the people we meet, the lives we touch, and the values we carry forward that truly define our journey.

As we move ahead, let us lead with compassion, serve with purpose, and never underestimate the difference even the smallest effort can make. Together, we can create meaningful change and leave a legacy that lasts.

They say one person can't change the world... good thing Rotaract never works alone! Every project, every laugh, every late-night planning session, and every act of service brings us one step closer to making a real difference.

So let's keep showing up, lifting each other up, and serving with big hearts. Here's to creating memories, making an impact, and proving that together, we really can make the world a little brighter.

Rtr. N V Aruna Devi
District Treasurer

Leadership, to me, has never been about standing ahead—it's about walking beside people, understanding their journeys, and empowering them to discover their own potential. As a Trainee Psychologist, I believe that empathy is one of the strongest forms of leadership, and my years in Rotaract have only strengthened that belief. From leading a club as President to serving across district initiatives, every experience has shaped me into someone who values people before positions and purpose before recognition. As your Zonal Rotaract Representative, I hope to build a zone where collaboration replaces competition, ideas are celebrated, and every club feels inspired to create meaningful change. Together, let us make this tenure not just a collection of successful projects, but a journey remembered for the lives we touched, the bonds we built, and the hope we spread.

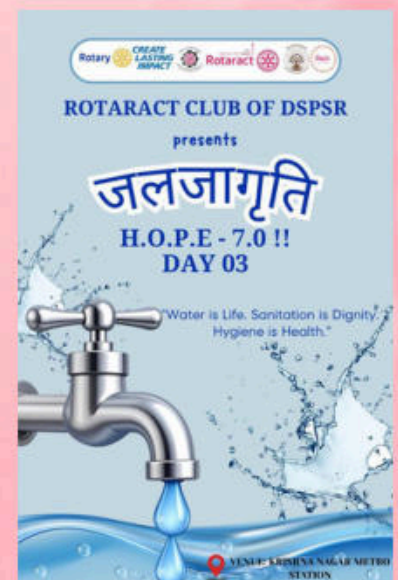

ROTARACT CLUB OF DSPSR

People impacted: 50 - 60

No. of collaborations: 00

No. of volunteers: 07

On 3rd July 2026, the Rotaract Club of DSPSR successfully conducted Jaljagriti – H.O.P.E. 7.0 Day 3 at Krishna Nagar Metro Station, Lal Quarter Market to spread awareness about water sanitation, hygiene, and the prevention of water-borne diseases. The event included a Soap Distribution Drive (30 soaps distributed), a pH Level Water Experimentation Session, an Awareness Session on Malaria and Dengue, and a Poster Making Activity involving around 20 participants. Through these activities, nearly 50 children, upcoming youth, and local community members were directly benefited. The sessions helped make people more aware of the importance of clean water, proper hygiene, disease prevention, and healthy sanitation practices. The event encouraged participants, especially children and young people, to adopt better hygiene habits and share these important messages with their families and the community, creating a positive and lasting impact.

ROTARACT CLUB OF BPIT

People impacted: 100
No. of collaborations: 05
No. of volunteers: 07

To promote critical water sanitation, proper hygiene practices, and awareness about safe drinking water and river conservation. For Day 3 of HOPE 7.0, an informative session was conducted for class 4 and 5 students at MCD School Nirman Vihar, alongside the installation of handwash stations across the campus, followed by an online session on the effects of TDS on drinking water and a public campaign addressing the urban river crises. Class 4 and 5 students, school faculty, online attendees, and the broader urban community. The activities instilled better daily handwashing habits among the children, provided tangible sanitation infrastructure for the school, raised public consciousness regarding water quality, and strengthened community awareness about river conservation.

ROTARACT CLUB OF OP JINDAL GLOBAL UNIVERSITY

People impacted: 567

No. of collaborations: 01

No. of volunteers: 19

The Rotaract Club organised a series of initiatives focused on water conservation, public health, hygiene, and community welfare. An Earthen Pot (Matka) Distribution Drive was conducted to provide access to naturally cooled drinking water while promoting sustainable alternatives to plastic storage. A Hygiene Products Distribution and Awareness Session educated beneficiaries on personal hygiene and preventive healthcare while distributing essential hygiene kits. A Virtual Awareness Session on Water Saving encouraged participants to adopt simple water conservation practices in their daily lives, complemented by a Water Saving Pledge through which individuals committed to responsible water usage. During the summer season, ORS Tetra Packs were distributed to help prevent dehydration among community members. The Thirsty Bird Initiative placed water bowls in public spaces to support birds during extreme heat, while a Pad Donation Drive improved access to menstrual hygiene products for women and girls. Collectively, these initiatives promoted health, environmental responsibility, compassion, and sustainable community practices.

ROTARACT CLUB OF ASHOKA

ARTISANS

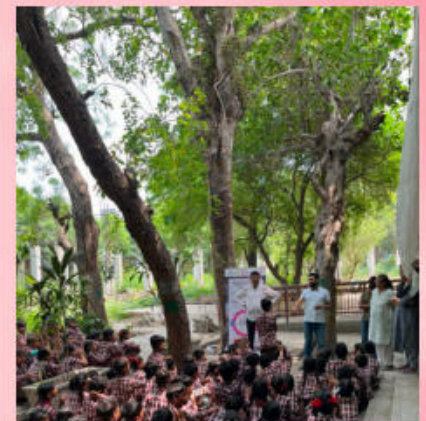

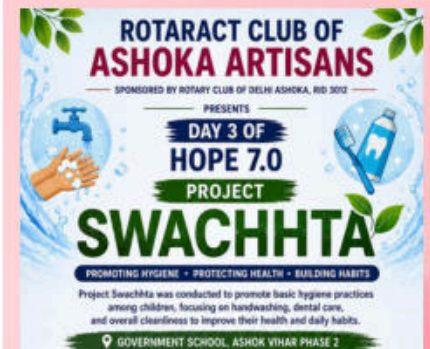

People impacted: 920
No. of collaborations: 00
No. of volunteers: 03

On Day 3 of HOPE Week, Project Swachhta was conducted to promote basic hygiene practices among children, focusing on handwashing, dental care, and overall cleanliness to improve their health and daily habits.

The team organized an interactive handwash and dental hygiene session at a government school in Ashok Vihar Phase 2, followed by the distribution of hygiene kits. Awareness about hygiene practices was also extended through social media outreach.

The direct beneficiaries were students of the government school, with wider awareness created among the online audience.

A total of 220 hygiene kits were donated, 700+ people were reached through social media awareness, and the overall outreach stood at 920+, contributing to improved understanding and adoption of basic hygiene practices.

ROTARACT CLUB OF JIMS VASANT KUNJ

People impacted: 1440
No. of collaborations: 07
No. of volunteers: 06

The Rotaract Club of JIMS Vasant Kunj conducted four impactful initiatives promoting water, sanitation, and sustainability. In collaboration with the Rotaract Club of Ardent Creators and the Rotaract Club of Delhi, Project Matka installed three Piyau, benefiting nearly 50 NGO students at Taleem Foundation and providing drinking water to JIMS Vasant Kunj security staff, delivery partners, vendors, and visitors. Project Riva, jointly organized with the Rotaract Club of Delhi, removed 5.35 kg of waste from Yamuna Ghat where 1100 people reside. Project Vyakit provided water bowls for birds, while a Water Bottle Donation Drive distributed 100 water bottles to commuters and hawkers at Connaught Place. Additionally we participated in a collaborative initiative, Project Dhara by RaC USME along with RaC Ardent Creators, RaC SBSEC, Project Saahas and Project Annpushti, RaC Delhi Preet Vihar, spreading awareness about water-borne diseases through engaging activities that impacted over 120 students.

ZONAL ROTARACT REPRESENTATIVE ZONE 2

RTR. ISHITA SANDUJA
ZONAL ROTARACT
REPRESENTATIVE (ZRR)
ZONE 2

Wishing you all a wonderful start to your tenure! May you all achieve tremendous benchmarks and take your club, your zone, your district and rotaract as a whole to another heights!!

From leading my home club as the President to continuing as the Zonal Rotaract Representative; the journey has been truly mesmerising and full of many surprises. You'll never get to know how certain things help you in ways you can't even think of, so always embrace being a rotaractor with the bottom of your heart and carry it with prestige wherever you go.

I hope to be able to grow our zone into the most impactful one and stay as a family that nurtures, provides and encourages one another in every aspect. This H.O.P.E. let us make sure that people's hope in us does not go in vain.

After all, great leaders do not desire to lead but to serve.

ROTARACT CLUB OF CAPITAL CITY NEW DELHI

People impacted: 80

No. of collaborations: 00

No. of volunteers: 04

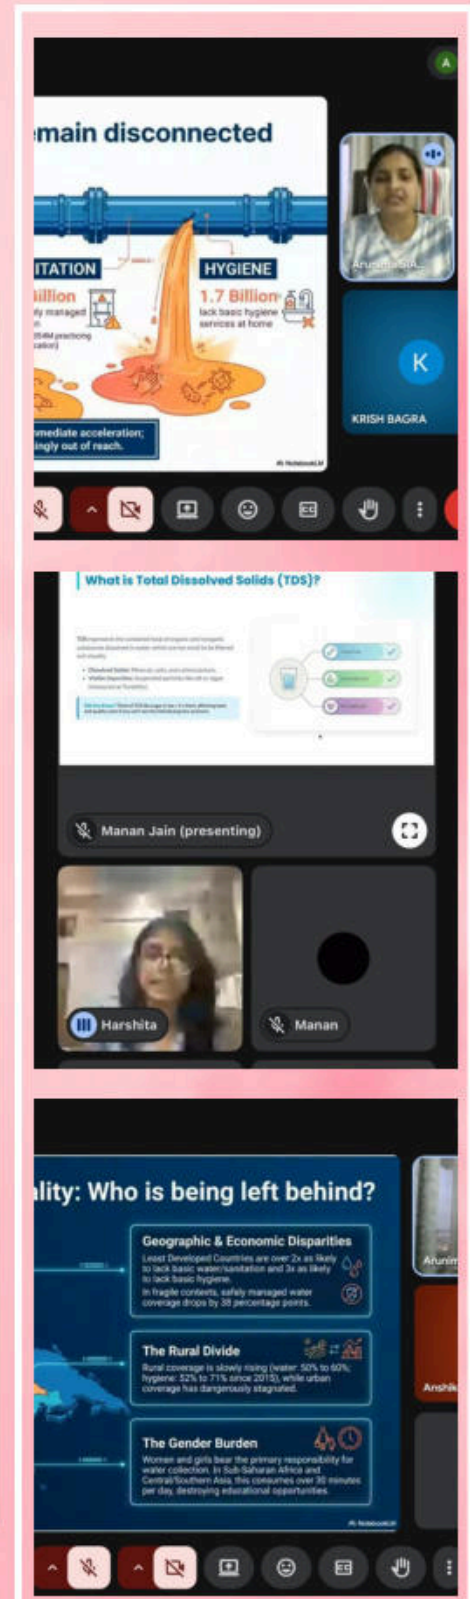

The objective of the menstrual hygiene awareness and sanitary pad distribution drive was to promote menstrual health, improve hygiene practices, and ensure access to essential menstrual products among women. The event was conducted through an interactive awareness session on menstrual hygiene, followed by the distribution of 800 sanitary pads to 80 women. The beneficiaries were women from the local community, who gained valuable knowledge about safe menstrual hygiene practices while receiving essential supplies to support their health and well-being. As a measurable impact, 80 women directly benefited from the awareness session and the distribution of 800 sanitary pads, increasing awareness of menstrual hygiene and improving access to menstrual care resources, thereby contributing to better health outcomes and reducing stigma surrounding menstruation.

ROTARACT CLUB OF SHAHEED SUKHDEV COLLEGE OF BUSINESS STUDIES

People impacted: 70
No. of collaborations: 04
No. of volunteers: 32

Project JalRaksha was organized to raise awareness about the importance of water, sanitation, and hygiene, encouraging individuals to adopt healthy practices and contribute towards sustainable communities. The initiative was executed through an interactive online session under HOPE Week 7.0, led by Dr. Arunima Chauhan, Consultant and Menstrual Hygiene Management Expert at Sulabh International Social Service Organization, who shared valuable insights on WASH, preventive healthcare, and the inspiring journey and impactful initiatives of Sulabh in transforming sanitation and public health across India. The session benefited Rotaractors, collaborating clubs, and participants by enhancing their understanding of hygiene and sanitation practices. As a result, participants gained practical knowledge on maintaining better hygiene, recognized the importance of clean water and sanitation in disease prevention, and were inspired to adopt responsible practices while spreading awareness within their communities.

ROTARACT CLUB OF DOC DSE

People impacted: 170+
No. of collaborations: 00
No. of volunteers: 12

On day 3 of H.O.P.E ,Project Sanrakshan was organized with the objective of promoting hygiene, sanitation, public health, and water conservation through community awareness and outreach. The Rotaract Club of DOC, DSE conducted a series of initiatives, including a Soap and Sanitizer Distribution Drive, Mask Distribution, Water Bottle Distribution, and Matka Setup to ensure access to essential hygiene resources and safe drinking water. A Basic Hygiene Awareness Session was organized to educate participants on maintaining personal hygiene and preventing the spread of diseases, while a Sanitation Survey was conducted to assess hygiene practices and identify community needs. Additionally, a documentary screening on Jal Bhoomi – East Kolkata Wetlands highlighted the importance of wetland conservation and sustainable water management. These initiatives benefited students, local residents, daily commuters, and underprivileged individuals by improving awareness of hygiene and sanitation, encouraging healthier practices, enhancing access to essential resources, and fostering greater environmental consciousness and community well-being.

ROTARACT CLUB OF DELHI

People impacted: 250+
No. of collaborations: 02
No. of volunteers: 05

The objective of this initiative was to promote water conservation, sanitation, hygiene, and environmental responsibility while encouraging community participation under HOPE 7.0 – Day 3

The Rotaract Club of Delhi conducted a Cleanliness Drive at the Yamuna River in joint with the Rotaract Club of JIMS VK, where volunteers cleaned a section of the riverbank. We also placed 3 water matkas at public locations and kept them filled with clean drinking water for people in need in collaboration with Rotaract club of JIMS VK. In addition, 50 hygiene kits were distributed to underprivileged individuals, a Water, Sanitation & Hygiene awareness session was organized, and another awareness session was conducted in collaboration with the Rotaract Club of Shaheed Sukhdev College of Business Studies.

The initiative benefited underprivileged individuals, people in need, local residents, awareness session participants, volunteers, and the surrounding community.

A section of the Yamuna River was cleaned, 3 water matkas provided access to safe drinking water, 50 hygiene kits supported better personal hygiene, awareness about WASH practices increased, and approximately 250+ people were directly impacted through these combined initiatives.

ROTARACT CLUB OF GL BAJAJ

People impacted: 200+

No. of collaborations: 02

No. of volunteers: 08

Project Sanrakshan was organised by Rotaract Club of GL Bajaj to promote personal hygiene, sanitation awareness, and healthy habits among the community, aiming to reduce the risk of preventable diseases through education, social media awareness and essential hygiene support. We conducted hygiene kit distribution, an interactive session on sanitation and hygiene and an online awareness drive to extend the campaign's reach. More than 200 individuals benefited from the initiative, with over 100 hygiene kits containing a toothbrush, toothpaste and soap distributed to those in need. The project encouraged better hygiene practices, increased awareness about the importance of sanitation, and empowered beneficiaries to adopt healthier daily habits, creating a positive and measurable impact on community well-being.

ROTARACT CLUB OF USME

People impacted: 138

No. of collaborations: 06

No. of volunteers: 06

RaC USME conducted impactful initiatives promoting water, sanitation, and hygiene. Along with Rotaract Club of JIMS Vasant Kunj, Rotaract Club of Ardent Creators, and Rotaract Club of SBSEC, Project DHARA was organised in collaboration with District Project Saahas, District Project Annpushti, and Rotary Club of Delhi Preet Vihar. The children were divided into small groups, where volunteers conducted engaging sessions introducing them to water-borne diseases through interactive discussions on their causes, symptoms, modes of transmission, and simple preventive practices like drinking clean water, maintaining hygiene, and following proper sanitation. They also organised a glitter handshake activity to demonstrate how quickly germs spread through contact, followed by the black pepper and soap experiment, which reinforced the importance of proper handwashing. Volunteers further demonstrated the correct handwashing technique, and 120 hygiene kits containing alum bars and Vitamin C capsules were distributed among the beneficiaries. These activities encouraged children to adopt healthier hygiene habits and understand the importance of preventing water-borne diseases.

RaC USME also organised Project PAHAL to improve access to clean drinking water for stray animals. Small water containers were placed near contaminated water sources, ensuring animals had a safe alternative for hydration. The initiative was further strengthened through a social media awareness campaign that educated the public about the importance of providing clean drinking water for stray animals and inspired simple acts of compassion, environmental responsibility, and community participation.

SAANJH: ROTARACT CLUB OF DELHI ROHINI

People impacted: 1500+
No. of collaborations: 09
No. of volunteers: 09

Saanjh Rotaract Club of Delhi Rohini's H.O.P.E. 7.0 – Day 3, Jal Dhara, transformed water from a resource taken for granted into a cause worth protecting. Under the Rotary focus area of Water Sanitation & Hygiene, 8 initiatives came together with purpose. Sakhi focused Mega Pad distribution with Project Aaina, RaC Anna Adarsh College, Sustain Wise Foundation & RaC Dyal Singh College. Chabeel served sharbat with Rotary Club of Delhi Rohini, while Water-It sparked creativity through a poster competition with Project Saahas. Rok-Mukt tackled dengue awareness with the Govt school students, a Campaign reshaped perceptions on water filtration whereas Wash It Forward built lifelong hygiene habits through different steps, Soap & Roll distributed soaps with RaC Inmantec, and My Water My Story turned reflection into advocacy. In addition collaborated with RaC BPIT. & RaC Shaheed Sukhdev college under Online webinar.

Together, these efforts touched 3345 lives with 09 Volunteers proving the smallest drop can ripple into lasting change.

ZONAL ROTARACT REPRESENTATIVE ZONE 3

RTR. SARTHAK GUPTA
ZONAL ROTARACT
REPRESENTATIVE (ZRR)
ZONE 3

Stepping into the role of Zonal Rotaract Representative after serving as a Club President has been a profound shift in perspective one that deepened my understanding that true leadership isn't about titles, but about listening, uplifting, and standing firm through challenges. Zone 3 is brimming with energy and potential, and my vision is to cultivate an environment where collaboration replaces competition, where clubs don't operate in silos but as a connected ecosystem of shared learning and collective strength. I see my role not as a supervisor, but as a connector someone who amplifies your voices at the district level, clears obstacles from your path, and genuinely rejoices in every milestone you achieve. Because at the end of the day, leadership is not about walking ahead with a pointer, it's about walking alongside, rolling up our sleeves together, and building something that outlasts any single term. That's the energy I'm bringing, and I can't wait to see what we create together.

ROTARACT CLUB OF NIET

People impacted: 1500+
No. of collaborations: 00
No. of volunteers: 65

The initiative aimed to promote awareness about clean water, proper sanitation, and personal hygiene while encouraging healthy habits to prevent waterborne and communicable diseases.

The campaign was conducted through four activities: an online awareness session on Water, Sanitation and Hygiene (WASH), a community survey to assess hygiene practices and awareness, an awareness drive educating people on safe water and sanitation, and an interactive session for children demonstrating proper handwashing techniques and personal hygiene practices. The initiative benefited school children, students, community members, and families who participated in the awareness activities.

Participants gained improved knowledge of hygiene, sanitation, and safe water practices. Children learned the correct handwashing technique, while survey findings provided insights into community awareness and hygiene behaviors, supporting future health and sanitation initiatives.

ROTARACT CLUB OF INMANTEC INSTITUTION

People impacted: 450+
No. of collaborations: 00
No. of volunteers: 09

Committed to ensuring clean, accessible water and healthier surroundings, our team dedicated the day to conservation and sanitation-driven action.

It began with Har Boond Anmol, repairing leaking taps at a government school to prevent water wastage at its very source. This flowed seamlessly into Mission Blue Zone, where the drinking water area at Kazipura School was thoroughly cleaned, ensuring students access safe, hygienic water daily. Extending this care to the community, In Amrit Boond team did matkas set up in the slum area, offering natural, cool drinking water to residents. Alongside this, Sankalp empowered people with awareness about the Swachhata App, guiding them to download it and even register real complaints turning citizens into active participants in civic cleanliness. The day concluded with Eco Flow, cleaning a handpump in a local park and establishing proper drainage, preventing waterlogging and contamination. Together, these initiatives safeguarded water at its source, in schools, in homes, and in public spaces, one tap, one matka, one complaint at a time.

ROTARACT CLUB OF ARDENT CREATORS

People impacted: 210

No. of collaborations: 03

No. of volunteers: 01

To educate children about water-borne diseases, promote healthy hygiene practices, and encourage community welfare through sustainable initiatives.

The Rotaract Club of Ardent Creators, along with RaC USME, Rotaract Club of JIMS Vasant Kunj, and Rotaract Club of SBSEC, in collaboration with District Project Saahas and District Project Annpushti, conducted interactive awareness sessions, a glitter handshake activity, a black pepper and soap experiment, and a demonstration of proper handwashing techniques. A total of 120 hygiene kits containing alum bars and Vitamin C capsules were distributed. Additionally, under Project MATKA, the Rotaract Club of Ardent Creators collaborated with the Rotaract Club of JIMS Vasant Kunj to donate three earthen pots.

Children, security staff, delivery partners, passersby, and members of the local community.

The initiative strengthened awareness of water-borne diseases and hygienic practices while improving access to safe drinking water. Two earthen pots were installed at Taleem Foundation, benefiting 50+ students, and one was placed at JIMS Vasant Kunj for security staff, delivery partners, and passersby, creating a combined impact of over 90 beneficiaries.

ROTARACT CLUB OF DYAL SINGH COLLEGE

People impacted: 1575

No. of collaborations: 01

No. of volunteers: 11

Day 3 of H.O.P.E 7.0 introduced Project Nirmaya – Towards Clean Water and Healthy Living, uniting four impactful initiatives centered on water, sanitation, hygiene, and menstrual health awareness. Sip in Kindness, held at Sector 15, Faridabad, distributed 700 glasses of refreshing chabeel drinks to frontline and outdoor workers, encouraging hydration while expressing gratitude for their tireless service. Pravah, organized at ITO Girls School, engaged 70 students through interactive activities, myth-versus-fact discussions, and practical demonstrations focused on menstrual health and hygiene. Jal Urja, conducted at Naraina Vihar, brought together 55 students for engaging activities highlighting the importance of safe drinking water and healthy hydration habits. In collaboration with Rotaract Club of Saanjh Delhi Rohini, RaCDSC organized a Mega Pad Distribution Drive, successfully distributing 750 pads and impacting the lives of 750 females, reinforcing dignity, accessibility, and menstrual hygiene awareness across the community. Together, these initiatives fostered healthier habits and sustainable living.

ZONAL ROTARACT REPRESENTATIVE

ZONE 4

RTR. TISHYA JAIN
ZONAL ROTARACT
REPRESENTATIVE (ZRR)
ZONE 4

Every new journey begins with a shared purpose, and I truly believe the greatest achievements are never accomplished alone. They are built through trust, collaboration, and the willingness to grow together, which inspires others to believe in the power of this organisation.

As your ZRR, I hope to foster a Zone where every club feels connected, supported, and empowered. My goal is to strengthen collaboration between clubs, encourage meaningful networking, create opportunities to learn from one another, and ensure that every club has the platform to grow.

Together, let's build such an environment that celebrates every success, embraces every challenge, and leaves behind a legacy of service, leadership, and unity.

This HOPE Week, let's look beyond numbers and milestones. Let's use these days to build trust, strengthen our bonds, and create such impact that carries the spirit of hope throughout the year.

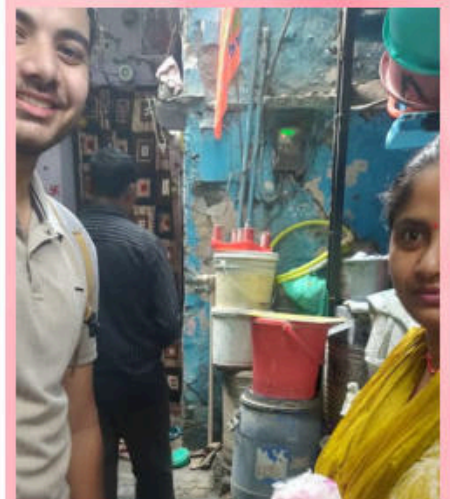

ROTARACT CLUB OF DELHI PEGASUS

People impacted: 950+

No. of collaborations: 05

No. of volunteers: 04

Rotaract Club of Delhi Pegasus, on Day 3 under Project H.O.P.E. 7.0, proudly presented Project AMBU, dedicated to promoting Water, Sanitation & Hygiene (WASH). The project began with the distribution of 100+ hygiene kits, followed by a Pad Donation Drive in collaboration with Project Aaina, where 500+ sanitary pads were donated to support menstrual hygiene. To improve access to clean drinking water, 200+ safe drinking water bottles were distributed in Project Annpushti, and with the support of Delhi Jal Board, one community water tank was installed in a slum area, benefiting 200+ residents. In collaboration with MCD, a cleanliness drive was conducted alongside the distribution of 50+ masks and gloves. Educational sessions on Water Harvesting engaged 20+ children and 30+ adults, while an awareness session on “Why Is It Important to Save Water?” reached 50+ individuals. The day concluded with Water Conservation Pledges by club members and students at TSKP, reinforcing collective responsibility. Overall, Project AMBU directly impacted 950+ individuals while creating lasting awareness and sustainable community action toward water conservation, hygiene, and public health.

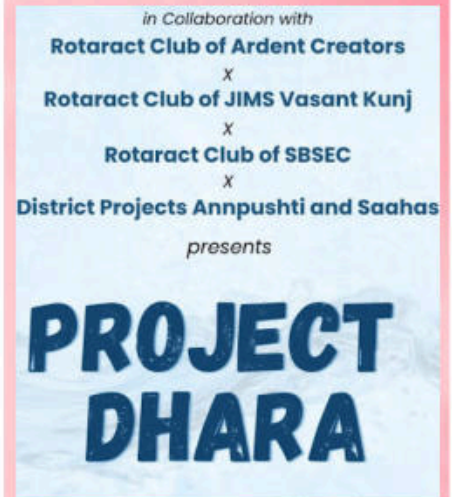

ROTARACT CLUB OF SBSEC

People impacted: 120

No. of collaborations: 03

No. of volunteers: 07

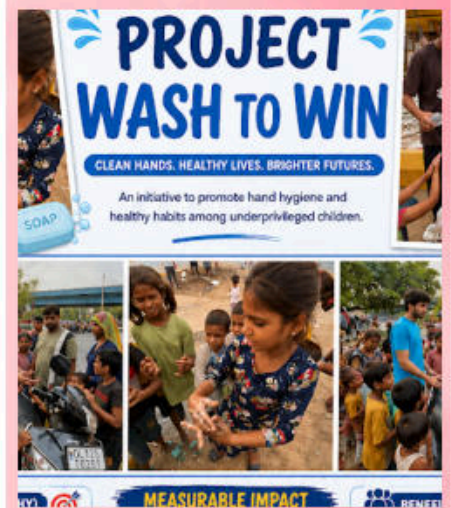

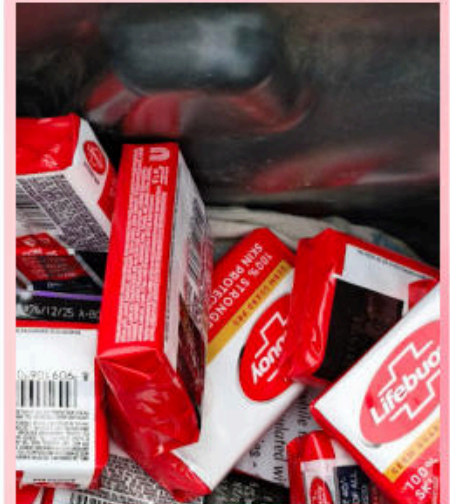

Rotaract Club of SBSEC organized Project DHARA on 3rd July 2026 under Hope 7.0 in collaboration with 3 clubs with the objective of promoting water sanitation and hygiene across communities. In the first activity, members conducted a hands-on handwashing tutorial for 120 children at Parkshala, Sector 44, Noida, educating them about proper handwashing techniques and awareness about germs and disease prevention. In the second activity, clean drinking water was placed for birds and animals across 10+ locations covering Delhi, Uttar Pradesh, Himachal Pradesh, and Rajasthan, ensuring care for all living beings. Day 3 successfully promoted hygiene awareness and compassionate environmental responsibility among the community.

ROTARACT CLUB OF HANSRAJ COLLEGE

People impacted: 15-20
No. of collaborations: 00
No. of volunteers: 02

Under Project Wash to Win, the objective was to promote proper hand hygiene among underprivileged children and reduce the spread of preventable diseases by encouraging healthy sanitation practices. Our volunteers visited a roadside community and conducted an interactive session for around 15 to 20 children, demonstrating the correct handwashing technique and explaining the importance of washing hands before eating, after using the washroom, and after playing. To reinforce the learning and encourage long term hygiene habits, we distributed 40 soap bars among the children. The initiative directly benefited 15 to 20 roadside children by equipping them with both the knowledge and the resources needed to maintain better personal hygiene. As a result, the children gained awareness about proper handwashing practices and were encouraged to adopt healthier daily habits, contributing to improved sanitation and a lower risk of hygiene related illnesses within their community.

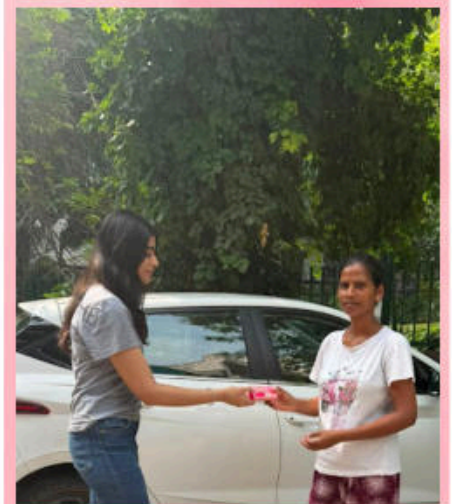

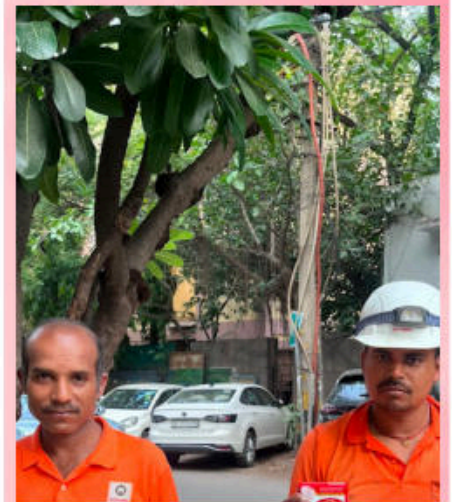

ROTARACT CLUB OF ASHOKA UNIVERSITY YOUTH

People impacted: 30

No. of collaborations: 00

No. of volunteers: 06

On Day 3 of HOPE, under the theme “Water, Sanitation and Hygiene,” the objective of our Rotaract Club was to spread awareness about the importance of personal hygiene and sanitation, especially among underprivileged communities. The initiative aimed to promote healthier habits and emphasize how basic hygiene practices can contribute to overall well-being and disease prevention. To execute this, the club organized a soap donation drive in which 30 soaps were distributed to individuals from underprivileged backgrounds. The activity was carried out with the active participation of 6 volunteers, who coordinated the collection and distribution process efficiently. The primary beneficiaries of this initiative were the underprivileged individuals and families who received the soaps, helping them access an essential hygiene product. The measurable impact of the drive was the successful distribution of 30 soaps, directly supporting hygiene needs while also reinforcing awareness about sanitation, health, and the importance of maintaining clean practices in daily life.

Message from **TEAM PUBLIC RELATIONS**

In a world that often rushes past, Hope Week reminds us to pause, connect, and care. As the PR Team of RID 3012, it fills us with pride to witness how each project, post, and partnership during this week echoed our collective spirit of service and solidarity. Hope is not just an idea—it is in every meal served, every smile shared, and every hand extended to those in need.

Through the power of communication, we aimed to amplify the voices of change and compassion across districts and digital spaces. This week is not just about visibility—it is about impact. And every club, every volunteer, every story make a difference.

To all the Rotaractors who went the extra mile—your efforts are the reason hope continues to shine in every corner we reach. Here's to keeping the momentum alive, and to telling stories that move hearts and inspire action.

With gratitude and pride,
Public Relations Team
