What is **HOPE?**

PROJECT H.O.P.E. (***HELPING OTHER PEOPLE EVERYDAY***) is an initiative by the Rotaract District Organization RID 3012, launched in 2020. It was started with an aim to celebrate the commencement of the Rotary year, organised in each tenure from July 1st to July 8th.

This event is dedicated to addressing and raising awareness about the seven Rotary Focus Areas and District Community Projects, with each day dedicated to a different focus area. Our District Projects cater to diverse fields.

The seven Rotary Focus Areas represent key areas of humanitarian concern and action for Rotary International, a global service organization dedicated to promoting peace, fighting diseases, providing clean water, saving Mothers and Children, supporting Education, growing local Economies, and protecting the Environment. These areas serve as guiding principles for Rotaract clubs worldwide in their efforts to make a positive impact in their communities and beyond. HOPE aims to create sustainable solutions and foster a better world through service projects, partnerships, and advocacy initiatives.

With the seventh edition of HOPE i.e. HOPE 7.0, RID 3012 plans to achieve greater heights with the greatest impact ever through its commitment to "SERVICE ABOVE SELF" and "FELLOWSHIP THROUGH SERVICE" to cultivate leadership, promote fellowship, and inspire young adults to serve humanity with integrity and compassion in their pursuit of positive social change and global understanding.

Focus Area of the Day

COMMUNITY & ECONOMIC DEVELOPMENT

Rotary International's commitment to Community and Economic Development is pivotal in empowering individuals and strengthening communities through sustainable opportunities for growth. By supporting vocational training, entrepreneurship, financial literacy, and skill development initiatives, Rotary enables people to improve their livelihoods and achieve long-term economic stability. Through projects that promote employment, support local enterprises, enhance access to resources, and encourage inclusive economic participation, Rotary helps communities become more resilient and self-reliant. Through strategic partnerships, advocacy, and community-driven solutions, Rotary International continues to foster sustainable economic development while creating opportunities that improve quality of life and build stronger communities worldwide.

At the Rotaract District Organization level, young leaders focus on Community and Economic Development through grassroots initiatives and community-driven projects. Our Rotaract clubs often collaborate with educational institutions, industry professionals, local organisations, and community groups to organise skill development workshops, career guidance sessions, entrepreneurship programmes, financial literacy campaigns, and vocational training initiatives. They contribute to strengthening communities by promoting employability, supporting small businesses, encouraging innovation, providing mentorship, and creating opportunities for personal and professional growth. Rotaract members also engage in fundraising and collaborative efforts to support livelihood initiatives and community development projects in underserved areas. By leveraging their energy and passion for service, Rotaract clubs play a vital role in advancing Rotary's goals of community and economic development at the local level, making a meaningful impact on sustainable growth within their communities.

In Rotary International District 3012, we aim to empower individuals, strengthen livelihoods, and create sustainable opportunities that foster resilient and self-reliant communities. This year, we have raised our expectations and implementation to new heights, striving to create an even greater impact through innovative initiatives, wider outreach, and sustained community engagement.

Message from Rotary International President

RTN. OLAYINKA H. BABALOLA

Dear Rotarians and Rotaractors,

As we begin a new Rotary year, I invite each of you to embrace a simple yet powerful purpose: Create Lasting Impact.

For generations, Rotary has been known for changing lives through service. We have fought disease, promoted peace, strengthened education, supported communities, and brought hope where it was needed most. But our greatest impact begins long before any project. It begins with each one of us.

Rotary transforms those who choose to serve. It shapes our character, broadens our perspective, and reminds us that true leadership is rooted in compassion, integrity, and action. When we grow as individuals, our clubs grow stronger. When our clubs grow stronger, our communities flourish.

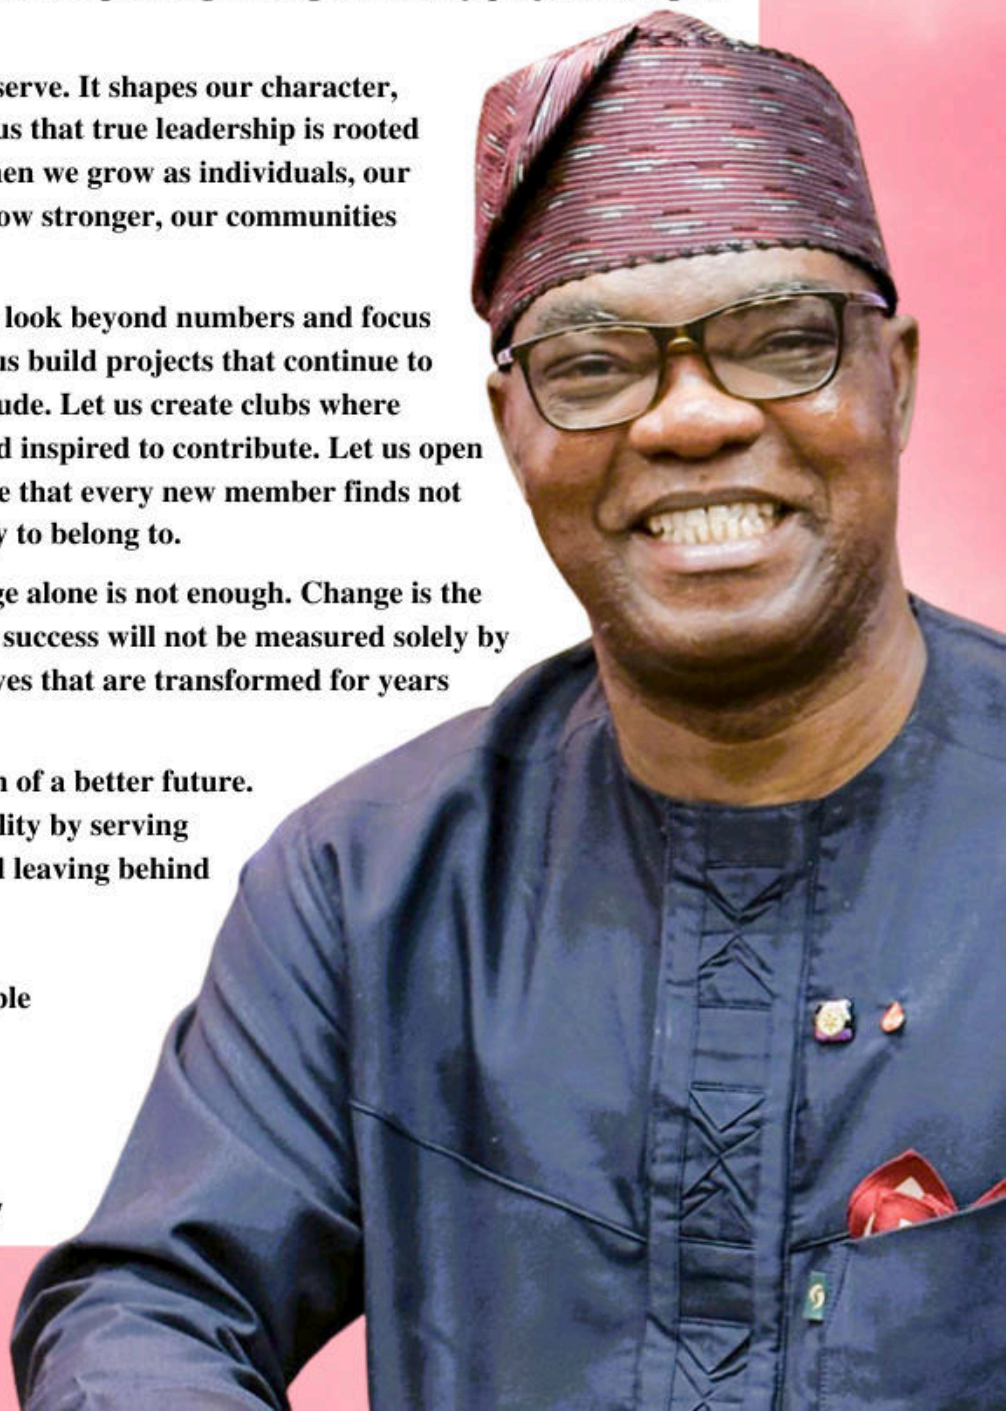

This year, I encourage every member to look beyond numbers and focus on meaningful, sustainable impact. Let us build projects that continue to uplift communities long after they conclude. Let us create clubs where every person feels welcomed, valued, and inspired to contribute. Let us open our doors, embrace diversity, and ensure that every new member finds not only an organisation to join, but a family to belong to.

Creating change is important, but change alone is not enough. Change is the beginning. Impact is what endures. Our success will not be measured solely by what we accomplish today, but by the lives that are transformed for years to come.

As members of Rotary, we share a vision of a better future. Together, let us turn that vision into reality by serving with purpose, leading with humility, and leaving behind a legacy that inspires generations.

I look forward to witnessing the incredible difference we will make together.

Yours in Rotary Service,
Rtn. Olayinka H. Babalola
President, Rotary International 2026–27

Message from District Rotaract Committee Chair

RTN. VIDUR CHHARIA

Rotary has profoundly shaped my understanding of leadership, service, and the responsibility that comes with creating opportunities for others. Serving as the President (2019–20) of the Rotary Club of Sahibabad, and as a Major Donor and Paul Harris Fellow (PHF), I have witnessed how empowered individuals and united teams can create an impact that extends far beyond a single project.

To me, Rotaract has always been more than an organization—it is a movement where ideas find purpose, leadership is shaped through action, and service becomes a catalyst for lasting change. It is the passion of young leaders, their willingness to innovate, and their commitment to communities that continue to define the true spirit of Rotaract.

Every initiative we undertake carries a responsibility beyond successful execution. Guided by Rotary's Areas of Focus, our efforts contribute to healthier communities, stronger education, environmental sustainability, economic empowerment, and a more peaceful world. When service is rooted in purpose, every project becomes an opportunity to create impact that extends well beyond the day it is delivered.

The true identity of a club is not defined by the number of projects it undertakes, but by the purpose behind every initiative and the legacy it leaves for others to build upon. The future of our district will be defined by the choices we make today—how we lead, how we collaborate, and how we choose to serve. Let us continue to raise the standard of Rotaract by creating initiatives that inspire confidence, strengthen communities, and leave an enduring legacy of service.

Yours in Rotary Service,
Rtn. Vidur Chharia

Message from the DISTRICT CORE 26-27

Rtr. Tarun Aggarwal
Joint District Rotaract Secretary

Every journey of impact begins with a single act of service, and Rotaract gives us the chance to walk that path together. Beyond projects and events, it is the people we meet, the lives we touch, and the values we carry forward that truly define our journey.

As we move ahead, let us lead with compassion, serve with purpose, and never underestimate the difference even the smallest effort can make. Together, we can create meaningful change and leave a legacy that lasts.

They say one person can't change the world... good thing Rotaract never works alone! Every project, every laugh, every late-night planning session, and every act of service brings us one step closer to making a real difference.

So let's keep showing up, lifting each other up, and serving with big hearts. Here's to creating memories, making an impact, and proving that together, we really can make the world a little brighter.

Leadership, to me, has never been about standing ahead—it's about walking beside people, understanding their journeys, and empowering them to discover their own potential. As a Trainee Psychologist, I believe that empathy is one of the strongest forms of leadership, and my years in Rotaract have only strengthened that belief. From leading a club as President to serving across district initiatives, every experience has shaped me into someone who values people before positions and purpose before recognition. As your Zonal Rotaract Representative, I hope to build a zone where collaboration replaces competition, ideas are celebrated, and every club feels inspired to create meaningful change. Together, let us make this tenure not just a collection of successful projects, but a journey remembered for the lives we touched, the bonds we built, and the hope we spread.

Message from **TEAM PUBLIC RELATIONS**

In a world that often rushes past, Hope Week reminds us to pause, connect, and care. As the PR Team of RID 3012, it fills us with pride to witness how each project, post, and partnership during this week echoed our collective spirit of service and solidarity. Hope is not just an idea—it is in every meal served, every smile shared, and every hand extended to those in need.

Through the power of communication, we aimed to amplify the voices of change and compassion across districts and digital spaces. This week is not just about visibility—it is about impact. And every club, every volunteer, every story make a difference.

To all the Rotaractors who went the extra mile—your efforts are the reason hope continues to shine in every corner we reach. Here's to keeping the momentum alive, and to telling stories that move hearts and inspire action.

With gratitude and pride,
Public Relations Team
