What is **HOPE?**

PROJECT H.O.P.E. (***HELPING OTHER PEOPLE EVERYDAY***) is an initiative by the Rotaract District Organization RID 3012, launched in 2020. It was started with an aim to celebrate the commencement of the Rotary year, organised in each tenure from July 1st to July 8th.

This event is dedicated to addressing and raising awareness about the seven Rotary Focus Areas and District Community Projects, with each day dedicated to a different focus area. Our District Projects cater to diverse fields.

The seven Rotary Focus Areas represent key areas of humanitarian concern and action for Rotary International, a global service organization dedicated to promoting peace, fighting diseases, providing clean water, saving Mothers and Children, supporting Education, growing local Economies, and protecting the Environment. These areas serve as guiding principles for Rotaract clubs worldwide in their efforts to make a positive impact in their communities and beyond. HOPE aims to create sustainable solutions and foster a better world through service projects, partnerships, and advocacy initiatives.

With the seventh edition of HOPE i.e. HOPE 7.0, RID 3012 plans to achieve greater heights with the greatest impact ever through its commitment to "SERVICE ABOVE SELF" and "FELLOWSHIP THROUGH SERVICE" to cultivate leadership, promote fellowship, and inspire young adults to serve humanity with integrity and compassion in their pursuit of positive social change and global understanding.

Focus Area of the Day **PEACE BUILDING & CONFLICT PREVENTION**

Rotary International's commitment to Peacebuilding and Conflict Prevention is pivotal in fostering understanding, promoting dialogue, and building resilient communities across the world. Through peace education, conflict resolution initiatives, cultural exchanges, and humanitarian service projects, Rotary empowers individuals to address the root causes of conflict and strengthen social cohesion. By supporting peace fellowships, encouraging inclusive leadership, promoting respect for diversity, and creating opportunities for meaningful collaboration, Rotary helps cultivate a culture of peace and mutual understanding. Through partnerships, advocacy, and community engagement, Rotary International continues to strengthen peaceful societies and inspire lasting solutions that contribute to global stability and harmony.

At the Rotaract District Organization level, young leaders focus on Peacebuilding and Conflict Prevention through grassroots initiatives and community-driven projects. Our Rotaract clubs often collaborate with educational institutions, civil society organisations, community leaders, and local stakeholders to organise peace dialogues, leadership workshops, cultural exchange programmes, awareness campaigns, and initiatives that promote inclusion and social harmony. Rotaract members and clubs play a vital role in advancing Rotary's goals of peacebuilding and conflict prevention at the local level, making a meaningful impact on creating more inclusive, compassionate, and peaceful communities.

In Rotary International District 3012, we aim to promote peace, strengthen understanding, and empower communities to resolve conflicts through dialogue, collaboration, and service. This year, we have raised our expectations and implementation to new heights, striving to create an even greater impact through innovative initiatives, wider outreach, and sustained community engagement.

Message from Rotary International President

RTN. OLAYINKA H. BABALOLA

Dear Rotarians and Rotaractors,

As we begin a new Rotary year, I invite each of you to embrace a simple yet powerful purpose: Create Lasting Impact.

For generations, Rotary has been known for changing lives through service. We have fought disease, promoted peace, strengthened education, supported communities, and brought hope where it was needed most. But our greatest impact begins long before any project. It begins with each one of us.

Rotary transforms those who choose to serve. It shapes our character, broadens our perspective, and reminds us that true leadership is rooted in compassion, integrity, and action. When we grow as individuals, our clubs grow stronger. When our clubs grow stronger, our communities flourish.

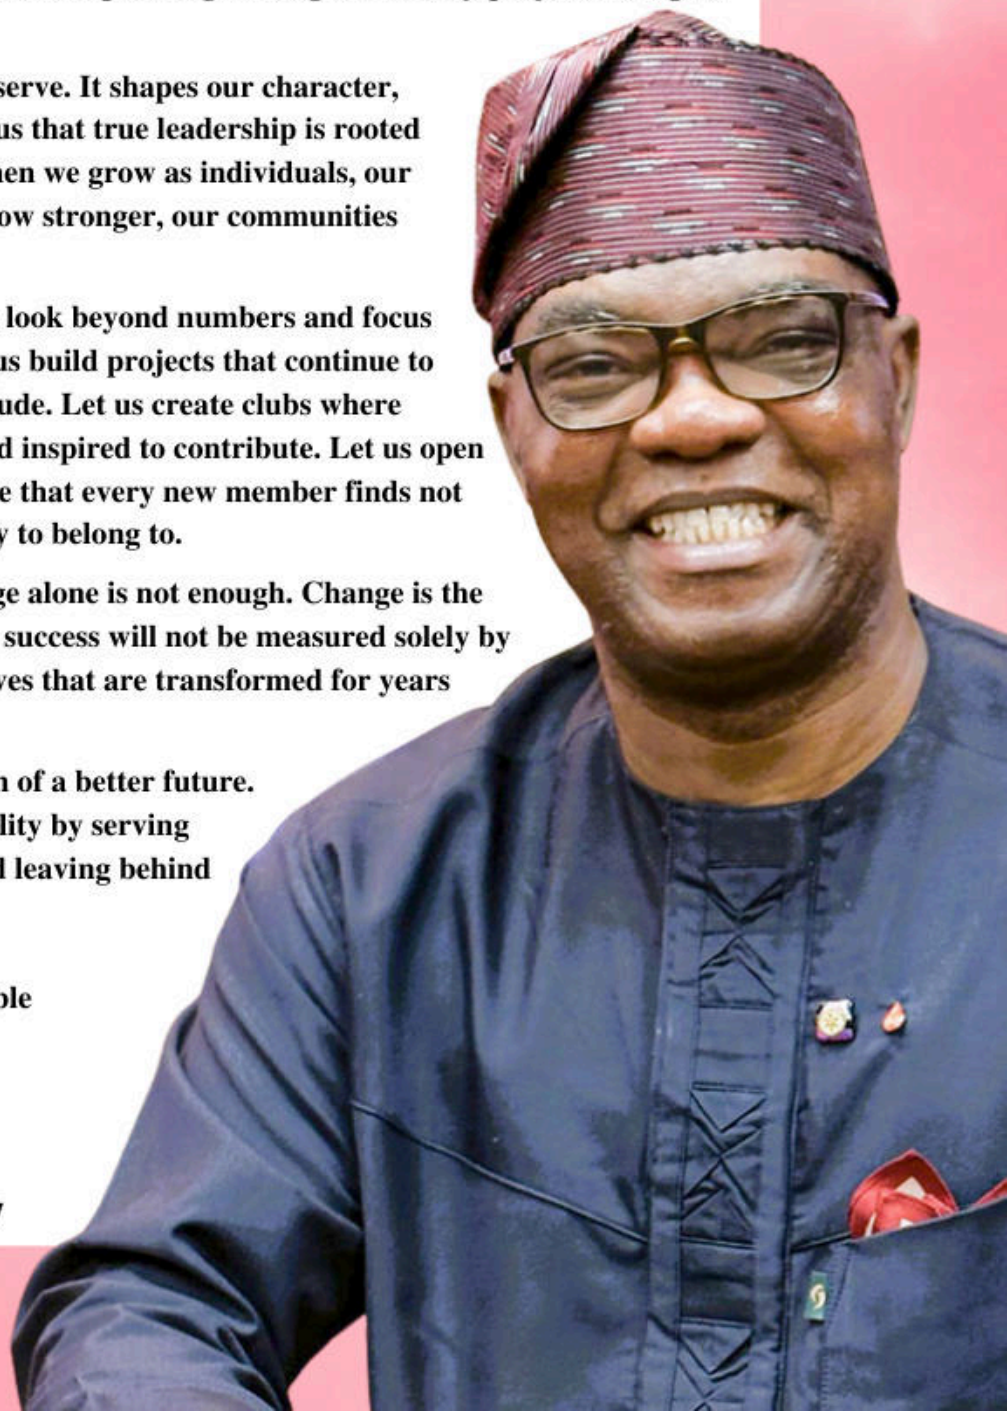

This year, I encourage every member to look beyond numbers and focus on meaningful, sustainable impact. Let us build projects that continue to uplift communities long after they conclude. Let us create clubs where every person feels welcomed, valued, and inspired to contribute. Let us open our doors, embrace diversity, and ensure that every new member finds not only an organisation to join, but a family to belong to.

Creating change is important, but change alone is not enough. Change is the beginning. Impact is what endures. Our success will not be measured solely by what we accomplish today, but by the lives that are transformed for years to come.

As members of Rotary, we share a vision of a better future. Together, let us turn that vision into reality by serving with purpose, leading with humility, and leaving behind a legacy that inspires generations.

I look forward to witnessing the incredible difference we will make together.

Yours in Rotary Service,
Rtn. Olayinka H. Babalola
President, Rotary International 2026–27

Message from District Rotaract Committee Chair

RTN. VIDUR CHHARIA

Rotary has profoundly shaped my understanding of leadership, service, and the responsibility that comes with creating opportunities for others. Serving as the President (2019–20) of the Rotary Club of Sahibabad, and as a Major Donor and Paul Harris Fellow (PHF), I have witnessed how empowered individuals and united teams can create an impact that extends far beyond a single project.

To me, Rotaract has always been more than an organization—it is a movement where ideas find purpose, leadership is shaped through action, and service becomes a catalyst for lasting change. It is the passion of young leaders, their willingness to innovate, and their commitment to communities that continue to define the true spirit of Rotaract.

Every initiative we undertake carries a responsibility beyond successful execution. Guided by Rotary's Areas of Focus, our efforts contribute to healthier communities, stronger education, environmental sustainability, economic empowerment, and a more peaceful world. When service is rooted in purpose, every project becomes an opportunity to create impact that extends well beyond the day it is delivered.

The true identity of a club is not defined by the number of projects it undertakes, but by the purpose behind every initiative and the legacy it leaves for others to build upon. The future of our district will be defined by the choices we make today—how we lead, how we collaborate, and how we choose to serve. Let us continue to raise the standard of Rotaract by creating initiatives that inspire confidence, strengthen communities, and leave an enduring legacy of service.

Yours in Rotary Service,
Rtn. Vidur Chharia

RTR. AYUSH RAJ

Rotaract is built on the belief that every act of service has the power to inspire hope and create lasting change. Project H.O.P.E. (Helping Other People Everyday) beautifully reflects this spirit by encouraging us to serve with purpose, compassion, and commitment.

As we begin this Rotary Year, let us come together to address the seven Rotary Areas of Focus through meaningful community service. Each project we undertake is an opportunity to make a difference, strengthen our fellowship, and remind ourselves that even the smallest efforts can leave a lasting impact.

I encourage every club and every Rotaractor to participate wholeheartedly in this initiative. Together, let us lead with empathy, serve with dedication, and make Project H.O.P.E. a true celebration of "Service Above Self."

Message from the **DISTRICT CORE TEAM**

Rtr. Kyra Mehra
Deputy District Rotaract

Every meaningful change begins with a single step, and Rotaract gives us the opportunity to take that step together. It is not just a platform for service but a journey that shapes our character, strengthens our bonds, and inspires us to become leaders who create a positive impact. As we continue this journey, I encourage each one of you to serve with sincerity, lead with humility, and embrace every opportunity to learn.

Let us strengthen our fellowship, uphold the values of Rotaract, and work hand in hand to make a meaningful difference!

As we begin a new Rotary year, I wish every Rotaractor of District 3012 a year filled with meaningful service, lasting friendships, and inspiring achievements. May we continue to lead with integrity, serve with compassion, and create a positive impact in our communities.

Here's to new opportunities, stronger collaborations, and an unforgettable year ahead. Wishing you and your club a successful tenure.

Message from the DISTRICT CORE 26-27

Rtr. Tarun Aggarwal
Joint District Rotaract Secretary

Every journey of impact begins with a single act of service, and Rotaract gives us the chance to walk that path together. Beyond projects and events, it is the people we meet, the lives we touch, and the values we carry forward that truly define our journey.

As we move ahead, let us lead with compassion, serve with purpose, and never underestimate the difference even the smallest effort can make. Together, we can create meaningful change and leave a legacy that lasts.

They say one person can't change the world... good thing Rotaract never works alone! Every project, every laugh, every late-night planning session, and every act of service brings us one step closer to making a real difference.

So let's keep showing up, lifting each other up, and serving with big hearts. Here's to creating memories, making an impact, and proving that together, we really can make the world a little brighter.

Leadership, to me, has never been about standing ahead—it's about walking beside people, understanding their journeys, and empowering them to discover their own potential. As a Trainee Psychologist, I believe that empathy is one of the strongest forms of leadership, and my years in Rotaract have only strengthened that belief. From leading a club as President to serving across district initiatives, every experience has shaped me into someone who values people before positions and purpose before recognition. As your Zonal Rotaract Representative, I hope to build a zone where collaboration replaces competition, ideas are celebrated, and every club feels inspired to create meaningful change. Together, let us make this tenure not just a collection of successful projects, but a journey remembered for the lives we touched, the bonds we built, and the hope we spread.

Stepping into the role of Zonal Rotaract Representative after serving as a Club President has been a profound shift in perspective one that deepened my understanding that true leadership isn't about titles, but about listening, uplifting, and standing firm through challenges. Under Day 7 of HOPE 7.0, Project Harmony aimed to promote peace, empathy, respectful communication, and conflict prevention through digital awareness and collaborative learning. Our club designed and shared an Instagram awareness carousel highlighting practical tips for peaceful communication and encouraged all members to amplify the message by reposting it on their stories, extending its reach across social media. To further strengthen the initiative, the club actively collaborated in two online awareness sessions, Stand Together Against Bullying and Know Your Rights, which focused on fostering kindness, preventing bullying, promoting legal awareness, and empowering individuals to build more inclusive and harmonious communities. Through these combined efforts, the initiative reached 100+ people online via social media while engaging 10 volunteers in creating awareness and participating in the collaborative sessions, encouraging responsible citizenship and a culture of peace.

Message from **TEAM PUBLIC RELATIONS**

In a world that often rushes past, Hope Week reminds us to pause, connect, and care. As the PR Team of RID 3012, it fills us with pride to witness how each project, post, and partnership during this week echoed our collective spirit of service and solidarity. Hope is not just an idea—it is in every meal served, every smile shared, and every hand extended to those in need.

Through the power of communication, we aimed to amplify the voices of change and compassion across districts and digital spaces. This week is not just about visibility—it is about impact. And every club, every volunteer, every story make a difference.

To all the Rotaractors who went the extra mile—your efforts are the reason hope continues to shine in every corner we reach. Here's to keeping the momentum alive, and to telling stories that move hearts and inspire action.

With gratitude and pride,
Public Relations Team
