Profile

I am an award-winning garden photographer and feature writer of more than 30 years, published regularly in books and magazines worldwide. Recently I have also been developing my work in natural world photography and fine art photography.

In April I contributed some of my Saltmarsh Series to my first exhibition, a pop-up by Greenpeace, and am showing at the Maltings in September as a member of the N23 group.

I am also an accredited psychotherapist.

Work Experience

Freelance Photographer and Writer

1991- present

- Editorial and commissioned work to 2023 specialised in garden and plant photography, and writing garden features, including a regular monthly feature in the Norfolk magazine. Published in books and magazines worldwide.

Psychotherapist

2011 - present

- Counselling and psychotherapy practice, encompassing an age range from young people aged 14 and over, through adults and older people.
- Clinical supervision of other counsellors, trainer, and facilitator.
- I have worked with a range of issues including complex trauma, depression, anxiety and social anxiety, eating issues, psychosis, addiction issues, health and ageing, OCD behaviours, and neurodiversity.

Software Design

1983 - 1990

- Programmer, analyst, consultant, project manager in software design in the City of London, Copenhagen and latterly for Norwich Union. Left work on birth of first daughter.

Assistant Photographer

1976 - 1979

- 3 years as assistant photographer in London following A levels.

Education

MA in Counselling.

2010 - 2011

University of East Anglia

BSc Hons (1st) in Computer Science.

1979 - 1983

Portsmouth University
