

Limited Warranty

STATEMENT OF LIMITED WARRANTY

This warranty is given by The Lincoln Electric Company (Australia) Pty Ltd ("Lincoln Electric"), 35 Bryant St, Padstow NSW 2211, Tel: 1300 728 720

Under this warranty, Lincoln Electric® warrants all new machinery and equipment ("goods") manufactured by Lincoln Electric® against defects in workmanship and material subject to certain limitations hereinafter provided.

The benefits to the purchaser given by this warranty are in addition to other rights and remedies of the purchaser under a law in relation to the goods. **Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.**

This warranty is void if Lincoln Electric or Lincoln Electric's Authorised Service Facility finds that the equipment has been subjected to improper installation or power supply, improper care or abnormal operations. Further, this warranty does not apply to:

- cable wear and consequential damage resulting from cable wear due to flexing and abrasion. The purchaser is responsible for routine inspection of cables for possible wear and to remedy the issue prior to cable failure;
- any damage or failure to the goods due to use with non-original accessories (e.g remote controls, interconnection cables, coolant, wire feeder etc.);
- any damage or failure to the goods due to use of non-original spare parts;
- engines and engine accessories; ^{Note 1}
- Air Vantage® compressors; ^{Note 1}
- any batteries supplied with the goods; ^{Note 1}
- repairs done to the goods and undertaken by the purchaser outside Lincoln Electric's premises without written authority from Lincoln Electric obtained prior to any such repair; or
- any damage or failure of the goods as a result of normal wear and tear or the neglect misuse abuse or failure to properly service goods by any purchaser.
- Transport damage;

^{Note 1} These items are covered by the manufacturer's warranty.

WARRANTY CLAIM PROCESS

The purchaser must contact Lincoln Electric (see contact details above) within the applicable warranty period about any defect claimed under this warranty. Lincoln Electric may direct the purchaser to one of Lincoln Electric's Authorised Service Facilities. Determination of warranty on welding and cutting equipment will be made by Lincoln Electric or one of Lincoln Electric's Authorised Service Facilities as directed by Lincoln Electric. At Lincoln Electric's request, the purchaser must return, to Lincoln Electric or Lincoln Electric's Authorised Service Facility, at the purchaser's cost, any goods claimed defective under this warranty, or permit Lincoln Electric or Lincoln Electric's Authorised Service Facility to inspect the goods at the purchaser's premises.

Lincoln Electric may at its absolute discretion repair or replace the goods at its own premises or at such other premises as Lincoln Electric may designate provided that all freight charges to and from Lincoln Electric's premises or such other premises as Lincoln Electric® may designate shall be paid by the purchaser.

If Lincoln Electric or Lincoln Electric's Authorised Service Facility confirms the existence of a defect covered by this warranty, the defect will be corrected by repair or replacement at Lincoln Electric's option.

CUSTOMER ASSISTANCE POLICY

Lincoln Electric® business is manufacturing and selling high quality welding equipment, consumables, and cutting equipment. Our challenge is to meet the needs of our customers and to exceed their expectations. On occasion, purchasers may ask Lincoln Electric® for advice or information about their use of our products. We respond to our customers based on the best information in our possession at that time. Lincoln Electric® is not in a position to warrant or guarantee such advice and to the extent permitted by law assumes no liability, with respect to such information or advice. As a matter of practical consideration, we also cannot assume any responsibility for updating or correcting any such information or advice once it has been given. The provision of information or advice does not create, expand or alter this warranty. Lincoln Electric® is a responsive manufacturer, but the selection and use of specific products sold by Lincoln Electric® is solely within the control of, and remains the sole responsibility of the customer. Many variables beyond the control of Lincoln Electric® affect the results obtained in applying this type of fabrication methods and service requirements.
