

KGJ Price [Railway Contractors] recognises the importance of providing sufficient financial cover in the event of matters of an unseen nature arising that result in loss or damage or financial loss.

KGJ Price [Railway Contractors] shall have arrangements in place to provide the required insurance cover and shall include:

- a) Providing at least the minimum levels of insurance required by law.
 - b) Providing levels of insurance as specified on a contract specific basis.
 - c) Acknowledging that Network Rail will provide Contractor all risks and public liability insurance or self-insurance on construction projects.
 - d) Making sub contract arrangements that pass on appropriate insurance requirements.
 - e) Maintaining required insurances with reputable insurers for the periods stated in the contract.
- The Transport Manager shall ensure that insurance cover is sufficient to cover all vehicles and operations
 - Insurances shall as a minimum cover; Employer Liability, Public Liability and Goods-in-Transit
 - The level of insurance shall be subject to review on at least an annual cycle
