EHA Delivers Comfort and Hope to Its Clients

On July 22, Ebenezer Healthcare Access (EHA) continued its commitment to supporting families beyond healthcare by delivering beds to clients in need, providing comfort, stability, and dignity. Throughout the week, EHA distributed 15 full-size beds and five cribs to families across the community. Earlier this month, the organization also provided additional beds and cribs to clients from Sudan, Turkey, the Democratic Republic of the Congo (DRC), and Russia, helping more families meet essential household needs.

Among the recipients was Faida Joselyne from the DRC, who expressed gratitude after her children received beds of their own. She said the gift meant a great deal to her family and hoped more families

would learn about EHA's services. Another client, Idriss Arbab from Sudan, also thanked EHA after receiving beds and accessories for his family. These efforts reflect EHA's holistic approach to serving individuals and families by addressing basic household needs alongside healthcare access, language support, and cultural navigation. This work is made possible through community partnerships, including Secret Smiles, whose ongoing donations of beds and related items help EHA reach more families in need. By responding to the needs of its clients, EHA continues to help families build safe, healthy, and stable lives while strengthening the community it serves.

EHA and Lindenwald Kiwanis Partner to Build Healthier Future

Ebenezer Healthcare Access is making a meaningful impact in the lives of children and families through its Healthy Smiles & Strong Starts program, which focuses on improving access to dental care and preventive health services. Through this initiative, children are given the opportunity to develop healthy

Together, they demonstrate the power of collaboration in creating healthier smiles, stronger starts, and brighter futures.

habits, receive needed care, and build a strong foundation for lifelong wellness.

The Lindenwald Kiwanis Club of Hamilton Fairfield recently supported this important mission by presenting Ebenezer Healthcare Access with a \$2,000 donation. This generous contribution will help further the program's efforts to reduce barriers to care and ensure more children have access to the resources they need to thrive.
