Guillotine like blade for
one-cut operation

DURABLE
Heavy duty steel frame for
maximum stability and long life

LEVEL
Positionable "V" support keeps
planks level while cutting

Guillotine like system designed for
cutting end pieces to be covered
with base molding

The 10-35 8 in. Laminate Cutter will easily cut laminate planks up to 10mm thick. The "Guillotine-like" mechanism easily shears the laminate with one easy motion. Its quiet, electricity-free operation makes for a convenient on-site installation and easier end of job cleanups. The 10-35 is perfect for cutting end pieces to be covered with base molding.

Quality & Excellence Since 1938.
