

# Brondell®

**Product: VivaSpring Filtered Showerhead in Chrome**  
**Model Numbers: FSH25-CB, FSH25-CG**  
**Replacement Filters: FF-15**

Your Style. Filtered. You're not just washing with H<sub>2</sub>O! Scary, right? Free chlorine, lead, and mercury are all contaminants that can be found in your shower water. Protect yourself with the VivaSpring filtered shower head so you are not absorbing them through your skin or inhaling them through your shower steam. The VivaSpring shower head uses patented technology to reduce these contaminants, and as a bonus, the process also has a mild anti-bacterial effect. This means you're using safe, clean water when washing your most vulnerable and precious commodity – yourself!

- Certified filtration delivers smoother, younger-looking skin and silkier, shinier hair
- Filtering shower water provides lung protection, so you're not inhaling contaminated steam
- Wide rain spray provides soothing coverage
- All metal connection for durability
- Metal ball joint for angle adjustment of showerhead
- Silicone nozzles are easy to clean
- WaterSense certified means VivaSpring uses less water, with no sacrifice to quality or product performance
- Filtration tested & certified to NSF/ANSI standard 177
- Available with obsidian or slate gray face
- 6 month filter contains USA sourced KDF material for powerful filtration
- Proud members of 1% for the Planet - Brondell donates 1% of annual sales to environmental nonprofits
