Cm

The musical score for the Coda section consists of four measures. The top staff is a vocal line in treble clef, showing a single note on the first measure followed by rests. The bottom staff is a piano accompaniment in bass clef, featuring a rhythmic pattern of eighth and sixteenth notes with chords. The key signature is C minor, indicated by two flats.

## Paroles

### Couplet 1

Deep deep deep and dark  
Lost in a Las Vegas park  
I feel dizzy, I missed my ride  
I think I saw the other side

You called me angel, little star  
You were my jail, my cellar  
You locked me in, turned off the light  
Oh yes, you held me tight

### Refrain

Oh baby don't you know  
I'm no picture on a wall  
So let me go  
Baby you ate my soul

### Couplet 2

Like a bird full of rage  
In a world like a cage  
I couldn't breathe, I couldn't fly  
I missed the busses passing by

It only took me so long  
To realize I was wrong  
In the middle of nowhere  
I run away in the desert

### *Refrain*

### Pont

Oh darling you're not to blame  
I was the monster of your life  
You wanted a house, a dog, the whole game  
But I'm nobody's wife

No no no no no...

### Couplet 3

Deep deep deep and dark  
Lost in a Las Vegas park  
I feel dizzy, I missed my ride  
And I saw the other side

I built the jail where you are  
I left the keys in the car  
I can't say that I am sorry  
What you call love is agony

### *Refrain*
