### **Spare Parts**

The use of spare parts and accessories not provided, tested and released as originals by Rosenbauer can have a negative effect on design-related characteristics and thus impair operational safety.

For your own safety, use only spare parts and accessories from Rosenbauer. Use of other products and resultant injury, Rosenbauer assumes no liability.

### **Spare Parts of purchased Parts**

For spare parts of purchased parts, please refer to the spare parts list issued by the manufacturer.

### **Special equipment**

The spare parts list also contains descriptions of special equipment and additional equipment not forming part of the normal scope of delivery. The scope of delivery is always determined by your order. The equipment and furnishings for your product may therefore partially deviate from the descriptions or illustrations.

If your product should be fitted with furnishings not shown or described in this spare parts list, then please contact the customer service of Rosenbauer or one of our representatives around the world who are available whenever they are required.

## How to order spare parts?

### IMPORTANT !

When ordering spare parts for vehicles or components, it is important to indicate the order number, chassis number or serial number of the component!

The chassis identification plate is located at the right or left cabin entrance. The pump identification plate is located in the pump compartment!

## How to order spare parts?

---

**When ordering spare parts, please observe the following points:**

- 1 Order number
- 2 Pump number
- 3 Assembly group
- 4 Table/Item number
- 5 Description
- 6 Article number
- 7 Quantity

**Example for a correct spare parts order:**

- 1 X2K0011
- 2 KR235L00098
- 3 Pump NH 30
- 4 Table 3/Item number 10
- 5 Pump casing, LM
- 6 085124-001
- 7 Quantity 1 pc.

## How to order spare parts?

---

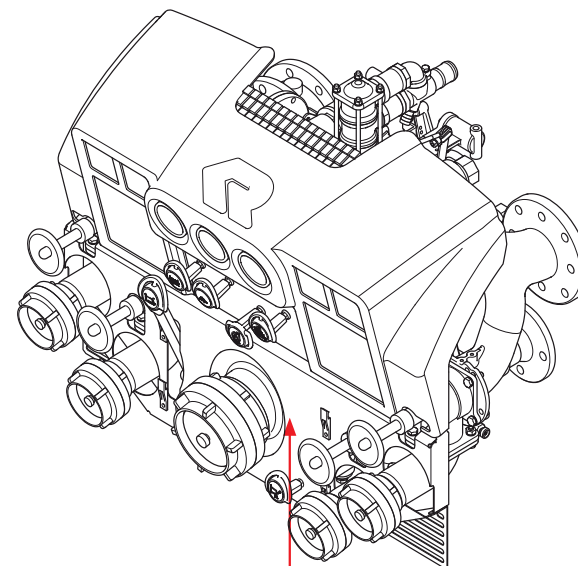

### **IMPORTANT !**

When ordering spare parts for pumps, it is very important to indicate the pump number. This number enables us to find the pump type.

The pump number is stamped sidewise on the suction cover!

**KR266L00001**

## How to order spare parts?

---

**When ordering spare parts, please observe the following points:**

- 1 Pump number
- 2 Assembly group
- 3 Table/Item number
- 4 Description
- 5 Article number
- 6 Quantity

**Example for a correct spare parts order:**

- 1 KR266L00001
- 2 Pump NH 35
- 3 Table 1/Item number 160
- 4 Impeller NH35 left, LM
- 5 531296-001
- 6 Quantity 1 pc.
