

ASA

Anti-Static Spray

ASA is a very effective cleaner designed to eliminate dust and prevent the build up of static. It has been specifically developed for use in areas where static build-up causes major issues, computer rooms and offices, for example and is safe for use on plastic, metal, glass and synthetic surfaces. Developed with a “no-stain” formulation, it is also suitable for use on fabrics of any colour.

- Eliminates static discharges and prevents reoccurrence
- Prevents damage to voltage sensitive components and circuits
- Supplied in pump action bottle for use in hazardous working environments
- Safe on delicate surfaces; will not harm plastic surfaces which may be attacked by solvents.
