

# Art-Making Booklet

These activities inspired by the exhibitions *Sandra Jorgensen* and *Could Be Architecture*, invite you to explore light, shape, and color that make up the world around us. In this booklet, you will explore the seriality of subject matter, play with shape and color, and consider what objects in your own life carry significance.

PAINT THE COVER! Re-color one of the most famous pieces from Sandra Jorgensen's "Buggy" series!

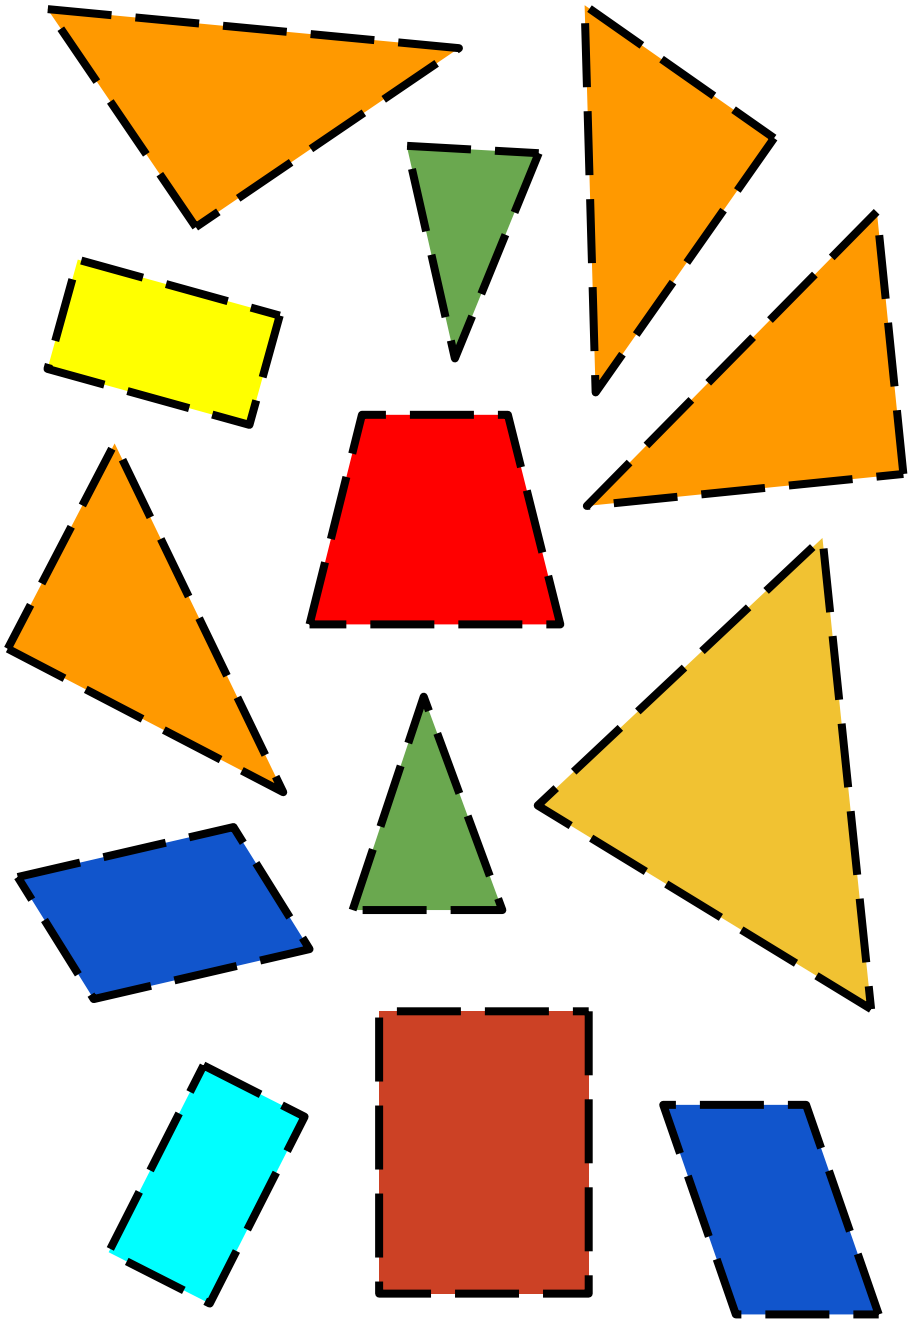

# Shape-Scapes

Inspired by the current exhibitions, *Sandra Jorgensen* and *Could Be Architecture: McCormick AfterParti*, this activity challenges you to solve these six different puzzles. Cut the pieces and place them on the corresponding outline.

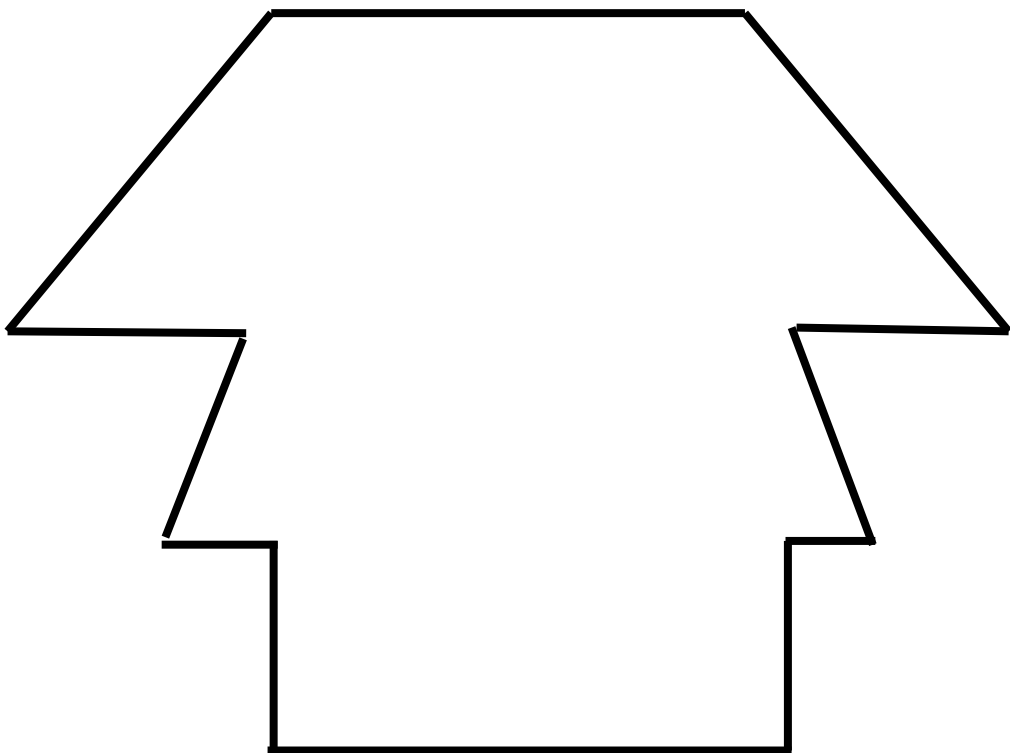

- 1.The pieces must all be connected.
- 2.No pieces may overlap.
- 3.The pieces can be rotated and/or flipped to form the shape.
- 4.All tiles must be used.

# Drawing Activities

Sandra Jorgensen draw and painted her baby buggy in various ways. Challenged to create a series of drawings of the same object. Think of something that you collect or that is relevant on your day to day. Draw it following the instructions on the next pages.
