—

**Confirmation of discontinued product series**

This is to confirm that the Magnum 12 / Magnum 24 series of fire alarm panels were discontinued by Elotec AS in 2007, entering a 10-year support phase.

Since the expiration of this support phase, Elotec AS can no longer provide spare parts for such systems, and only limited support. Additionally, vital components for manufacturing of additional parts are no longer in production.

Best regards  
Elotec AS
