

**The 2022 Financial Times Executive MBA ranking:  
up 14 places, emlyon business school  
enters the TOP 50 of the best EMBA programs worldwide**

The Financial Times published today, on October 17<sup>th</sup>, 2022, its ranking of the best Executive MBAs across the world. [emlyon's Executive MBA](#) soars 14 places and ranks #47 in the world. It also moves up 1 place in France and is now among the Top 5 of the best Executive MBAs of French business schools, along HEC, ESCP, ESSEC and KEDGE.

One month after the [2022 Financial Times Master in Management ranking](#), emlyon business school once again performs outstandingly in **an international ranking of reference**, this time in **executive education**. Data has been collected via online questionnaires for graduates, and surveys for business schools.

emlyon's Executive MBA stands out particularly in **differentiating criteria aligned with the school's mission**:

- **Environmental, Social and Governance (ESG): emlyon's Executive MBA ranks #4 worldwide in this category.** Social and environmental commitment is irrigated in all modules of the Executive MBA program (strategy, finance, supply chain, marketing and communication, etc.), in order to reinforce the training of EMBA participants about issues on ecological transition, social sustainability and ethics.
- **Work experience and salary increase:** Candidates of emlyon's Executive MBA are high-quality candidates who provide a solid work experience when entering the program. The program allows them to progress significantly in their professional trajectory.
- **Gender diversity:** emlyon has a 35% rate of female participants in its Executive MBA program.

In November 2022, emlyon will launch its [Online Executive MBA](#) to provide for the next intakes, a program with the same high-quality while offering maximum flexibility.

**According to Christine Baldy-Ngayo, Associate Dean of Executive Education at emlyon business school:** *"The ambition of emlyon's Executive MBA is to allow all participants to learn more about themselves, to discover professional horizons where they can grow and build their employability. Its goal is to train responsible executives able to anticipate and address the social, technological and environmental issues of today and tomorrow. We are happy and proud of this Financial Times ranking acknowledging both the quality of the Executive MBA program on the international scene and the social and environmental commitment of emlyon for a sustainable impact of organizations and society."*
