

International MBA Profiles' Portfolio

2023-2024 Class

 early makers
since 1872

em
lyon
business
school

Class Profile

emlyon's distinctive academic approach 'early makers' is rooted in the belief of lifelong learning, with student encouraged to make a constant link between thought and action: «doing to learn, learning to do». Through collective and individual learning experiences, emlyon has set out to train responsible managers capable of taking up the challenges of today and tomorrow.

The International MBA, through carefully designed courses, in-depth specializations and hands-on learning, allows participants to develop the skills they need to become the future leaders in their fields. Each cohort is unique and diverse, made-up of already experienced and successful men and women from many different industries all around the world.
