

Thanks to new exchange partnerships and double degrees  
**emlyon business school offers its students an even wider  
choice of international courses**

**emlyon** business school can already boast an international footprint with campuses in Shanghai and Mumbai. The school is continuing to extend its offering in exchange programs and double degrees, mainly addressing students on its Grande Ecole Program (PGE) and Bachelor of Business Administration (Global BBA) courses. From the start of the 2024 academic year, some 2,000 students will have the opportunity to study in prestigious establishments outside France thanks to more than 200 global academic partnerships.

**12 new exchanges available for emlyon business school Bachelor and Grande Ecole Program students**

**In Europe:**

### **Three new double degrees are now also offered by emlyon business school in partnership with:**

- **The New York Film Academy**, based in Los Angeles, considered to be one of the most innovative film schools using a learning by doing approach; PGE students have the possibility to add an MA in Producing or Film and Media Production - embodying our philosophy of hybrid knowledge.
- **UCLA**, emlyon business school PGE students can add a one-year UCLA-Extension leading to a master's degree.
- **Sherbrooke University**, one of the leading Canadian universities in sustainable development, ranked among the global top 10 by the Sustainability Tracking, Assessment & Rating System (STARS) for BBA and PGE students.

### **Isabelle Huault, Executive President and Dean, emlyon business school:**

*"International development is one of the cornerstones of **emlyon** business school's "Resonances 2028" plan. We have concluded partnerships with some of the world's most reputed teaching and research establishments to offer our students a wider choice of exchange programs and double degrees every year so that they can benefit from that all-important international experience. Moreover, our international outlook is forged by our own international campuses, strong partnerships with renowned establishments such as the London Interdisciplinary School and the inclusion of large numbers of international students and faculty at **emlyon** business school."*

### **About emlyon business school:**

Founded in 1872 by the Lyon Chamber of Commerce, **emlyon** business school has an enrollment of over 9,260 students of 130 nationalities across four campuses worldwide (Lyon, Shanghai, Paris, and Mumbai). The School relies on a Faculty of 170 internationally recognized professors and researchers, and a network of 222 global academic partners, to provide learning tracks of academic excellence open to the world. The school runs a community of 45,000 alumni spread over 130 countries. As a benefit corporation (société à mission) emlyon aims to “train and support informed leaders, throughout their lives, who are able to transform organizations efficiently for a fairer society and with greater solidarity and respect for the planet”. The School’s pedagogy closely links action and reflection. Skill hybridization and social responsibility are also at the heart of its training programs, where the best of both socio-economic and academic worlds meet. The strategic plan, “Resonances 2028”, reaffirms the importance of the “maker spirit” that has been the DNA of emlyon since its creation. The plan is built around the five qualities expected of “makers”, emlyon students and alumni, to become entrepreneurs of change, namely: academic excellence; entrepreneurial spirit; engagement; hybrid knowledge; resonance with society.
