WHITE ROCK LAKE
DALLAS, TEXAS

FACTS AND HISTORY
THE WHITE ROCK MARATHON

The White Rock Marathon was the brainchild of Talmage Morrison, one of the founders of the Cross Country Club of Dallas, and its President for the first three (3) years. Following the lead of the American National Marathon of Galveston, Talmage set out to establish a first rate event that would serve as a focal point to the distance running activities of the North Texas area. The original course went completely around the lake two times and then out two miles and back.

Four days after the completion of the 1973 White Rock Marathon part of the road on the west side of the lake was torn up and rerouted by a capitol improvements program of the park. The 1974 White Rock Marathon, under the direction of Ralph Taite, marked the shift to a 3 loop course on the flat east side of the lake. This fast course, used in 1974, 1975, and 1976 has been the site of many personal best; White Rock has been the site of both the fastest men's and women's time in Texas.

December, 1976 saw the addition of a half-marathon, a seminar and the partnership of the Aerobics Center. Below are capsulized the prior White Rocks.

1971

March 6, 1971. The inaugural White Rock saw 82 entrants including 2 women to the starting line. Following a course which circled the lake twice (11.1 miles each loop) and then down 2 miles and back, Little Rock, Arkansas school teacher Ricky Richardson outdistanced Wayne Comer of Houston 2:38:09 to 2:40:11. The noon starting time saw cool temperatures melt away and the famous White Rock winds buffet the runners. Nevertheless 61 runners finished. Annabelle Corboy was the only woman finisher with a time of 4:12:25. Twenty-three runners bettered 3:30 with eight going under 3 hours.

1972

March 4, 1972. Noon saw 143 entrants greeted by a starting temperature in the lower 60's and a 15 mph wind. North Texas States's Paul Hoffman, running an even paced run, blasted to a 2:23:18. At age 19, Paul's run was one of the best at that time ever run by an American Junior. Gary Tuttle, to later set American records at 10 miles, 20 km, and 1 hour held off fast closing Wayne Comer 2:28:13 to 2:28:54. Four of the women finished with Terry Stansky at 3:49:29 leading the way. 109 finished with 46 runners beating 3:30 and 21 cracking 3 hours.

1973

March 3, 1973. Warm weather pushing temperatures to about 70° greeted the 155 runners in the 3rd White Rock Marathon. Wayne Comer twice a bridesmaid easily outdistanced the field finishing over 6 minutes ahead of Ronnie Hess in the time of 2:37:45. Four women finished lead by Patti Price at 4:27:45. Thirty-three of the 107 finishers slipped under 3:30 and 14 cracked 3 hours.

1974

February 23, 1974. A new starting time of 9:00 a.m. and a new course partially necessitated by destruction of the part of the lake road greeted 159 runners. Temperatures were in the low 40's and the famous White Rock winds were quiet until about 10:30. Terry Ziegler and Don Kennedy came through the first of three loops at a sub 2:14 pace. At 10 miles they were 51:00 and 51:01. Slowly pulling away, Ziegler came home in 2:19:18 with Kennedy at 2:21:34. Kathy Loper led the three women finishers with 3:13:48. Eighty-three of the 125 finishers were under 3:30 and 34 bettered 3 hours. For Ziegler it marked this 12th marathon and 6th victory, but this one thrust the Oklahoman into national prominence with his first sub 2:20.

1975

February 22, 1975. The cold winds blew and the rain came down in buckets to greet 219 starters. Terry Ziegler repeated as champion with a time of 2:26:07. Mike Albert with a strong finish edged Hank Pfeifle 2:27:43 to 2:28:19. Kathy Loper defending her women's title splashed to 3:00:54 as ten women finished in this Aquathon. Overall 167 runners finished with 123 bettering 3:30 and 46 sneaking in under 3 hours. Dorothy Doolittle, later in the year to run the 10th fastest marathon even run by a women (2:51:22) showed her promise with a 3:09:47.

1976

February 21, 1976. A cloudless "Norther" provided 50° weather, but strong winds again conspired to deny the 240 entrants a perfect day. Don Kennedy was unchallenged from the start and opened up an early lead at the 1/3 point and maintained that margin until he eased in in 2:25:59. Roger Vann ran an even paced 2:26:50 for second place. Dorothy Doolittle, seemingly unaffected by the winds shattered Kathy Loper's course record with a 2:53:43 leading the 14 women finishers. Overall, 178 finishers with 128 under 3:30 and 56 under 3 hours maintained the course's reputation as fast.

1976

December 4, 1976. The 7th time was a charm, but it came with numerous changes and innovations. The Aerobics Center of Dallas joined the Cross Country Club of Dallas in sponsoring the growing race. Greg Pape, the race director, determined that the first Saturday in December was historically good marathon weather and the decision was made to switch to that date. 519 runners (300 marathon) toed the line and were started by the Mayor of Dallas, Robert Folsom. The runners responded to perfect weather (50°; winds under 5 mph) with fantastic times. Jeff Wells of Dallas exploded on the National scene with a sparkling 2:15:11, nosing out his roommate at Dallas Theological Center, John Lodwick who was close behind the entire way at 2:16:23. Clint Mericle and Kyle Heffner battled to 2:23:16 and 2:23:39 for 3rd and 4th places. The ladies winner, Jean Ohly of Southern Illinois University ran 3:07:26 to lead the way for 23 women finishers. The 250 finishers showed 176 battering 3:30 with 76 under 3:00.

In the half-marathon Olympian Kenny Moore breezed to a 1:08:34 win over Mark Pearlstrom at 1:11:32 and Paul Shofner 1:11:43. Parsla Blakis was the top lady of 23 at 1:29:34. 190 runners completed the half marathon.

THE 8TH ANNUAL WHITE ROCK MARATHON

PERFIDY (*pûr' fî dî*) An act of violating faith, or a trust; faithlessness; treachery; Texas weather.

Late Registration swelled the entrants to 1604 runners, tripling last year's 519. After Dallas Mayor Bob Folsom fired the starting gun it would be 65 seconds until all the runners passed the starting line. Last year's bridesmaid, John Lodwick, running a strong race despite the lack of other runners to push him moved out smoothly to post a time of 2:16:43. Tom Marino of SMU ran very even splits for 20 miles to grab second place from Ron Tabb. A comparison of the splits shows the progress of the race:

	<u>5 mi.</u>	<u>10 mi.</u>	<u>15 mi.</u>	<u>20 mi.</u>	<u>Finish</u>
Lodwick	25:36	51:36	1:17:21	1:43:40	2:16:43
Marino	26:38	53:00	1:19:25	1:45:43	2:20:09
Tabb	26:17	53:04	1:20:00	1:47:17	2:22:01

John stated that although he tended to lose concentration in the later stages of the race that the constant encouragement of hundreds of other runners on the course thrilled him. Lodwick, a 23 year old seminary student in Dallas, attended high school in Richardson, Texas, and ran at Rice University. His marathon best was at White Rock last year when he placed 2nd in 2:16:23.

The ladies' race provided one of the closest and finest efforts ever seen as Marianne Pugh of Dallas and Penny DeMoss of Los Altos, California went at each other tong and hammer.

	<u>5 mi.</u>	<u>10 mi.</u>	<u>15 mi.</u>	<u>20 mi.</u>	<u>Finish</u>
Pugh	32:25	1:05:40	1:39:21	2:13:43	2:56:55
DeMoss	32:25	1:05:39	1:39:20	2:13:40	2:56:58

The splits show the spirit and drive of both women as this contest went every step of the 26 miles, 385 yards.

In the half-marathon Denver's Tony Sandoval jumped to a huge early lead at 5 miles over John Kellog of Dallas of 50 seconds (25:20 to 26:10) only to see Kellog come roaring at him in the latter stages to finish only 11 seconds behind Sandoval's 1:09:02.

Oklahoman, Karen Bridges, only 19 years old averaged an unbelievable 5:55 per mile to post a 1:17:37. Mary Mullarkey of Denton after a quick 30:32 at fives miles nailed down 2nd place in 1:22:52.
