## **Now—the Texas Instruments TI-99/4 Home Computer**

Whether you're already quite knowledgeable about computers or want to learn how to get started, the TI-99/4 is for you.

You can begin using the TI Home Computer literally minutes after you unpack it. Without any previous computer experience or programming knowledge. You simply snap in one of TI's Solid State Software™ Command Modules and touch a few keys. Step-by-step instructions are displayed right on the screen. So you or just about anyone in your family can use the TI-99/4.

The TI-99/4 gives you an unmatched combination of features, including:

- Powerful TI-BASIC — built-in 13-digit, floating point BASIC.
- Up to 72K total memory

capacity—16K RAM (Random Access Memory), 26K ROM (Read Only Memory), plus up to 30K ROM in TI's Solid State Command Modules.

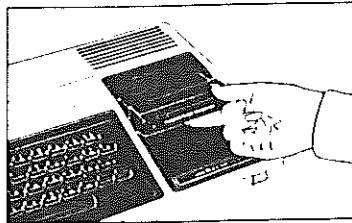

- 16-color graphics capability.
- Outstanding music and sound effects, through five full octaves.
- 13" color monitor included.
- Revolutionary Solid State Speech™ Synthesizer (optional) adds the remarkable dimension of the human voice.
- Eight-position-stick wired

remote controllers also available.

Each Solid State Software Command Module contains a complete, ready-to-use program. Command Modules are available in a wide range of application areas—from education to entertainment to personal finance and home management.

Texas Instruments is committed to making your TI Home Computer an enjoyable, useful, long-term investment—a total system that will grow in utility and value for years to come.

Come take a look at the remarkable TI-99/4 Home Computer in action. The sooner you buy one, the sooner you and your family can start benefiting from the new computer age.

# THE WHITE ROCK MARATHON

Dear White Rock Runners:

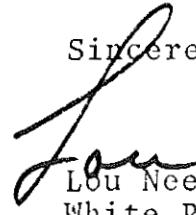

We on the White Rock Marathon Committee sincerely congratulate all of those participants who helped make the 10th Annual White Rock Marathon such an outstanding success. This year's race drew nearly 3,000 runners for the marathon, with some 2,100 finishers. In addition, this time 13 people qualified for the Olympic trials and more than 200 met personal goals of qualifying for the Boston Marathon.

The success of a race like this can only occur through the dedicated efforts of many volunteers. This year nearly 300 people donated their time to make this event come off as smoothly as it did.

We also extend our thanks and congratulations to all of the sponsors, and look forward to much success at the 11th Annual White Rock Marathon. For all of you who enjoyed this year's race, we plan to make next year's marathon even better (we will all have to pray for a repeat of the weather since that is the one thing we can't control).

Have a great running year, and we look forward to seeing you December 6, 1980 for the 11th running of the Dallas White Rock Marathon.

Sincerely yours,

Lou Neeb, Chairman  
White Rock Marathon Committee

## TENTH ANNUAL WHITE ROCK MARATHON

The 2608 entrants were greeted to the best weather of the decade in Texas's largest and fastest marathon. All of those runners realized that this was the one to "go for" and the 2144 finishers (82%) attested to the ideal conditions.

### "Shuffling Down to Buffalo"

In the men's race 14 runners would qualify for the Olympic Trials in Buffalo, New York next May and 7 were under 2:20. After an early lead by Steve Floto and Dwain Spitz (50:33 at 10), a close pack of about half a dozen reached 16 miles together when Fred Torneden and Stan Vernon attempted a "break away." Through the toughest stretch of the course (16-19 miles) they averaged a sub 5 pace. Vernon paid the price and began fading after 20. Torneden of Wichita, Kansas took a 20 second lead at 20 with a 1:42:08 split following his first 10 in 51:24.

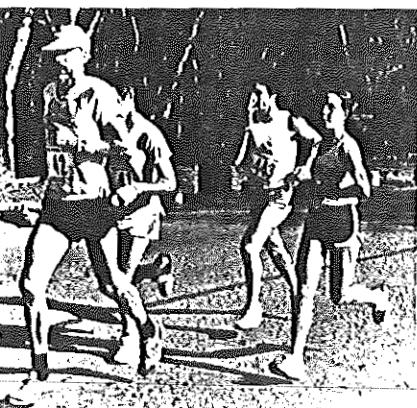

TONI BERNHARD

### "Wonder Women"

Although Toni Bernhard of Houston would not maintain the 6:12 pace that she split at 10, none of the other 204 women got within radar range of her 2:47:31 (new record). Kathleen Whitcomb of Wichita, Kansas finished second at 2:50:03 (3rd fastest ever) and Robyn Wiley of Dallas captured 3rd in 2:59:11 as 5 women slipped under 3 hours.

### "Clockwork Orange"

Kyle Heffner (running without his glasses) would later recall that Fred was far enough ahead of him that he could not have seen Fred had he not been wearing all orange. Slowly pulling on the orange blur ahead, the 100 yard gap at 20 narrowed slightly and Kyle realized that he had to really move to catch Fred. At 24 he jumped on it and drew even at 25. Heffner's finishing strength brought him in at a new White Rock Record of 2:14:30. 21 seconds back was Torneden who was also under Jeff Wells previous 2:15:11 record. Although Fred confessed that he was struggling the last 2 miles, he still averaged 5:15 from 20 miles in. Heffner's splits showed 51:24, 1:42:28 as he averaged 5:08 for 10; 5:06 for 10-20 and 5:09 for 20 and in.

FRED TORNEDEN

"Today White Rock, Tomorrow the World"

PR's and smiles were the order of the day as 311 runners bested 3 hours and 956 clipped 3:30. Boston, here we come.

#### LEADER PROFILES

##### KYLE HEFFNER

A research assistant at the Aerobics Research Center in Dallas, Kyle, 25, is pursuing a master's degree in exercise physiology. After graduating from Richardson High School, Heffner attended Texas A&M running cross-country and track. In his senior year he showed a glint of things to come at the December 1976 White Rock Marathon when he popped a 2:23:39. Now after a 2:18:30 at Nike in September and this 2:14:30 in his 10th marathon he will join former high school teammate, John Lodwick, at the Olympic Trials.

##### MIKE HAIRSTON

##### FRED TORNEDEN

Fred, 22, and a May graduate of Fort Hays State in Kansas is working as a manager of a pizza parlor in Wichita, Kansas, a job which allows him time to train during the day. This was his 2nd marathon after a summer of training at altitude and Fred felt capable of running in the 2:15's. He will take his 2:14:51 and remember not to wear orange next time.

##### TONI BERNHARD

Housewife and mother of 3 daughters (2, 4, 6) Toni, at 33, had no athletic background until she took up running about 6 years ago. After a 2:58 at Boston this year (3:10 at White Rock in 1978) this Houstonian went for coaching to well known Master Jim McLatchie. Toni has been making her name well known ever since in the southwest. Although her goal of 2:45 was obtainable, Toni's early pace 61:58 at 10 caused her to have some rough mileage late (2:06:00 at 20) before she claimed the new women's mark in this her 5th marathon.

##### KATHLEEN WHITCOMB

Kathleen, 24, is a transplanted New Englander, now an aircraft engineer at Boeing in Wichita, Kansas. Captain of the women's track team at Tufts University, she had bests of 4:51 and 10:42. In this her first marathon, she split 63:55 and 2:08:56 at 10 and 20 on her way to her 2:50:03.

## WHITE ROCK MARATHON HISTORY

In this its tenth running, the scenic White Rock Lake course can claim to be the largest and fastest marathon in Texas. This year's route is the 4th variation of the course.

### 1971

March 6, 1971. The inaugural White Rock saw 82 entrants including 2 women to the starting line. Following a course which circled the lake twice (11.1 miles each loop) and then down 2 miles and back, Little Rock, Arkansas school teacher Ricky Richardson outdistanced Wayne Comer of Houston 2:38:09 to 2:40:11. The noon starting time saw cool temperatures melt away and the famous White Rock winds buffet the runners. Nevertheless 61 runners finished. Annabelle Corby was the only woman finisher with a time of 4:12:25. Twenty-three runners bettered 3:30 with eight going under 3 hours.

### 1972

March 4, 1972. Noon saw 143 entrants greeted by a starting temperature in the lower 60's and a 15 mph wind. North Texas States's Paul Hoffman, running an even paced run, blasted to a 2:23:18. At age 19, Paul's run was one of the best at that time ever run by an American Junior. Gary Tuttle, to later set American records at 10 miles, 20 km, and 1 hour held off fast closing Wayne Comer 2:28:13 to 2:28:54. Four of the women finished with Terry Stansky at 3:49:29 leading the way. 109 finished with 46 runners beating 3:30 and 21 cracking 3 hours.

### 1973

March 3, 1973. Warm weather pushing temperatures to about 70° greeted the 155 runners in the 3rd White Rock Marathon. Wayne Comer twice a bridesmaid easily outdistanced the field finishing over 6 minutes ahead of Ronnie Hess in the time of 2:37:45. Four women finished lead by Patti Price at 4:27:45. Thirty-three of the 107 finishers slipped under 3:30 and 14 cracked 3 hours..

### 1974

February 23, 1974. A new starting time of 9:00 a.m. and a new course partially necessitated by destruction of a part of the lake road greeted 159 runners. Temperatures were in the low 40's and the famous White Rock winds were quiet until about 10:30. Terry Ziegler and Don Kennedy came through the first of three loops at a sub 2:14 pace. At 10 miles they were 51:00 and 51:01. Slowly pulling away, Ziegler came home in 2:19:18 with Kennedy at 2:21:34. Kathy Loper led the three women finishers with 3:13:48. Eighty-three of the 125 finishers were under 3:30 and 34 bettered 3 hours. For Ziegler it marked his 12th marathon and 6th victory, but this one thrust the Oklahoman into national prominence with his first sub 2:20.

### 1975

February 22, 1975. The cold winds blew and the rain came down in buckets to greet 219 starters. Terry Ziegler repeated as champion with a time of 2:26:07. Mike Albert with a strong finish edged Hank Pfeifle 2:27:43 to 2:28:19.

### 1976

Kathy Loper defending her women's title splashed to 3:00:54 as ten women finished in this Aquathon. Overall 167 runners finished with 123 bettering 3:30 and 46 sneaking in under 3 hours. Dorothy Doolittle, later in the year to run the 10th fastest marathon ever run by a woman (2:51:22) showed her promise with a 3:09:47.

### 1976

February 21, 1976. A cloudless "Norther" provided 50° weather, but strong winds again conspired to deny the 240 entrants a perfect day. Don Kennedy was unchallenged from the start and opened up an early lead at the 1/3 point and maintained that margin until he eased in in 2:25:59. Roger Vann ran an even paced 2:26:50 for second place. Dorothy Doolittle, seemingly unaffected by the winds shattered Kathy Loper's course record with a 2:53:43 leading the 14 women finishers. Overall, 178 finishers with 128 under 3:30 and 56 under 3 hours maintained the course's reputation as fast.

### 1978

December 4, 1976. The 7th time was a charm, but it came with numerous changes and innovations. The Aerobics Center of Dallas joined the Cross Country Club of Dallas in sponsoring the growing race. Greg Pape, the race director, determined that the first Saturday in December was historically good marathon weather and the decision was made to switch to that date. 300 marathoners toed the line and were started by the Mayor of Dallas, Robert Folsom. The runners responded to perfect weather (50°; winds under 5 mph) with fantastic times. Jeff Wells of Dallas exploded on the National scene with a sparkling 2:15:11, nosing out his roommate at Dallas Theological Seminary John Lodwick who was close behind the entire way at 2:16:23. Clint Mericle and Kyle Heffner battled to 2:23:16 and 2:23:39 for 3rd and 4th places. The ladies winner, Jean Ohly of Southern Illinois University ran 3:07:26 to lead the way for 23 women finishers. The 250 finishers showed 176 bettering 3:30 with 76 under 3:00.

### 1977

51° at the 9 a.m. start sounds great, but at noon 76° and a 15 mph south wind had played April Fool in December on the 909 marathoners. John Lodwick ran away with a easy 2:16:43 victory with Tom Marino at 2:20:29 and Ron Tabb at 2:22:01 foretelling future success for both. Meanwhile Marianne Pugh and Penny DeMoss led the women with 2:56:55 and 2:56:58. These two ladies were never to be more than a few yards apart and ended in a sprint at the finish.

### 1978

Race Director Dale Hager saw 2404 marathoners answer the gun in 70° muggy, cloudy conditions. SMU's Tom Marino in true White Rock tradition captured the victory after a 2nd place finish in 1977. Tom's winning time was comfortably ahead of Ed Leddy running for the Adidas Running Club in 2:18:55 to 2:20:26. Karen Bridges of Oklahoma State took more than 5 minutes off the previous ladies record with her 2:48:36. In all, 1825 finishers including 155 women would complete Texas' largest marathon.
