

13th Annual Dallas White Rock Marathon

DECEMBER 4, 1982

The one to start with is the one to stay with.
The Texas Instruments Home Computer
offers a big choice of accessories to let you
expand and customize your system.

Personalizing your own home system to meet your needs is easy with the TI Home Computer. There's a wide selection of accessories, many of which are available in TI's new convenient, space-saving Peripheral Expansion System.

Expand your random access memory up to 52K bytes. Or add a Disk Memory System with up to three disk drives. Or add the capability to use or write programs in several different high level computer languages.

You can get equipped to use the hundreds and hundreds of programs and services available over ordinary telephone lines. There's an

economical, high-performance printer — and, of course, with the Solid State Speech™ Synthesizer, your TI Home Computer can even *talk!*

Come in and see for yourself. You'll find that the home computer that's easier to start with is also the easiest to expand into the system that's right for you and your family.

That's why it's THE Home Computer.

THE WHITE ROCK MARATHON

To The Dallas Challengers:

On behalf of the Marathon Committee I sincerely congratulate all of the participants in the 13th Annual Dallas White Rock Marathon. The Committee believes that the Marathon is a powerful and positive statement about the way people feel about themselves. Certainly all of the 3,517 participants in The Dallas Challenge should feel fantastic about themselves.

Without question, the success of an event like this can only occur through the dedicated efforts of the many many volunteers who contribute their time, money and efforts. A special thanks goes to all of the volunteers.

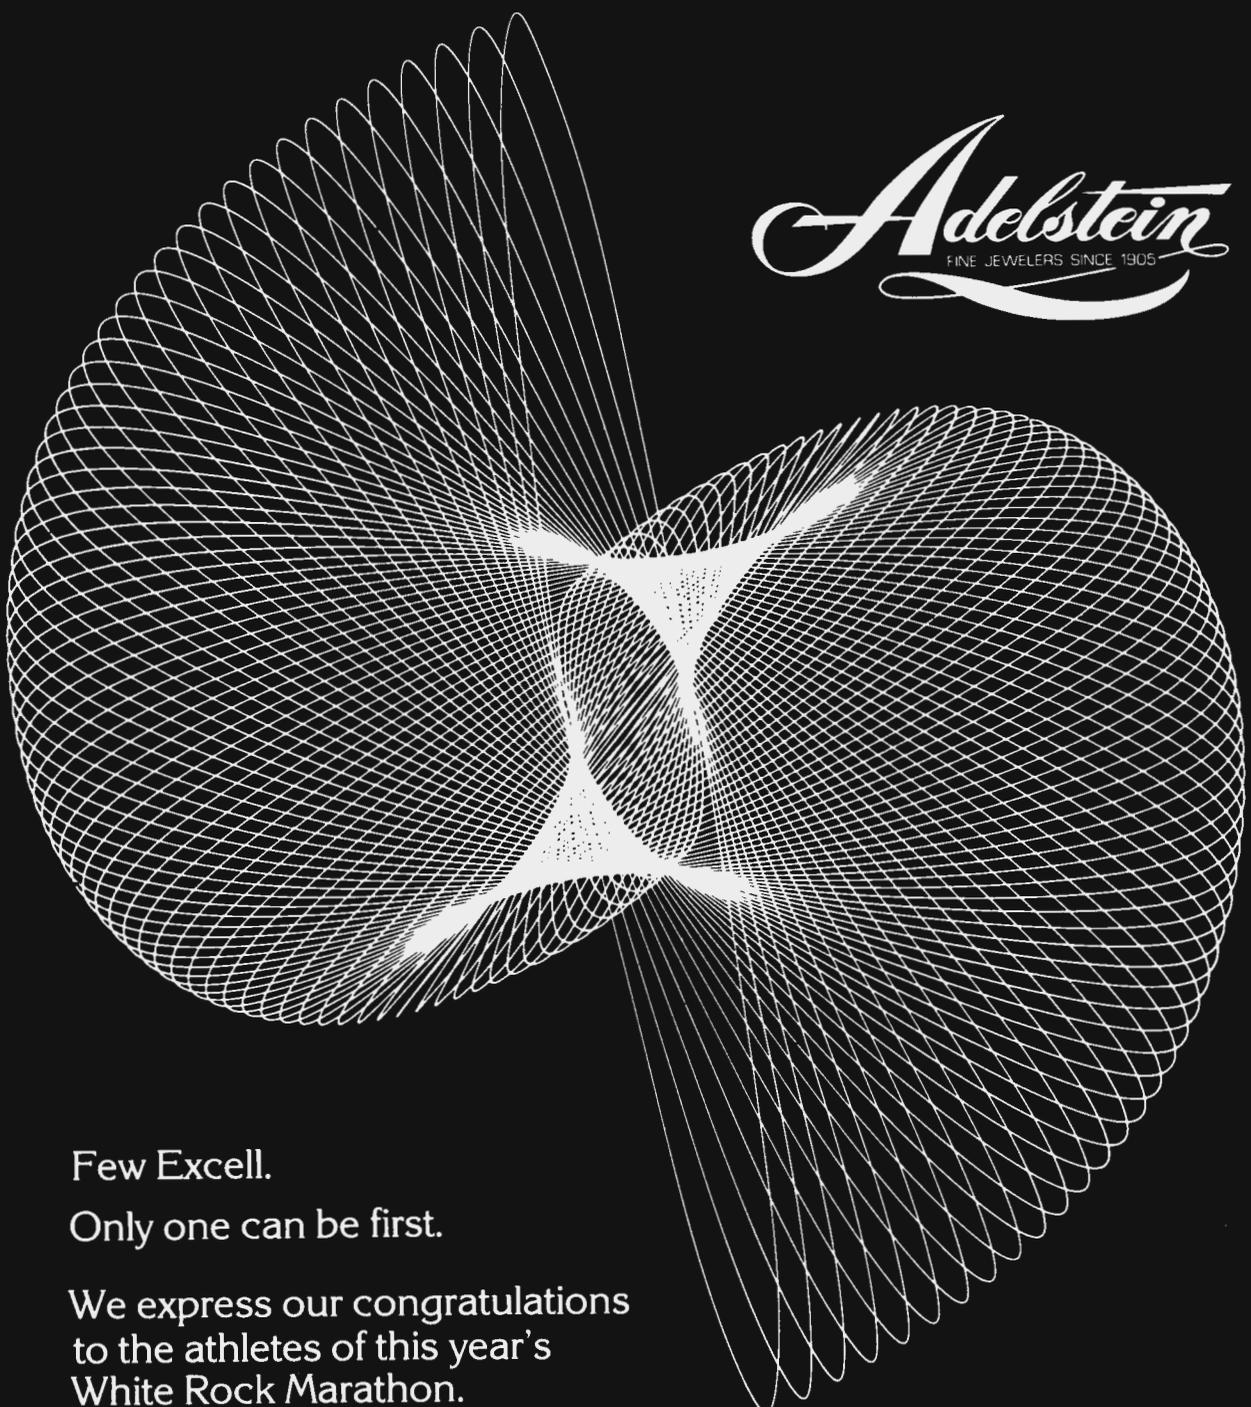

We also extend our many thanks to our sponsors, Adelstein Jewelers, The Dallas Morning News, Steak and Ale Restaurants, Texas Instruments Incorporated, and to the many supporters of the 13th Dallas White Rock Marathon.

Already, optimistic plans are under way to make the 1983 "Dallas Challenge" even better than the previous challenges. We hope you will have a great running year, and we look forward to seeing you next year.

See you on the course,

Donald Key, Chairman
Dallas White Rock Marathon Committee

Dallas White Rock Marathon

In this the 13th running of the Dallas White Rock Marathon, the race is Texas' largest and nationally renowned as one of the 10 best organized in the nation. The present course is the 4th variation using the scenic environs of White Rock Lake.

1971

March 6, 1971. The inaugural White Rock saw 82 entrants including 2 women to the starting line. Following a course which circled the lake twice (11.1 miles each loop) and then down 2 miles and back, Little Rock, Arkansas school teacher Ricky Richardson outdistanced Wayne Comer of Houston 2:38:09 to 2:40:11. The noon starting time saw cool temperatures melt away and the famous White Rock winds buffet the runners. Nevertheless 61 runners finished. Annabelle Corboy was the only woman finisher with a time of 4:12:25. Twenty-three runners bettered 3:30 with eight going under 3 hours.

1972

March 4, 1972. Noon saw 143 entrants greeted by a starting temperature in the lower 60's and a 15 mph wind. North Texas State's Paul Hoffman, running an even paced run, blasted to a 2:23:18. At age 19, Paul's run was one of the best at that time ever run by an American Junior. Gary Tuttle, to later set American records at 10 miles, 20 km, and 1 hour held off fast closing Wayne Comer 2:28:13 to 2:28:54. Four of the women finished with Terry Stansky at 3:49:29 leading the way. 109 finished with 46 runners beating 3:30 and 21 cracking 3 hours.

1973

March 3, 1973. Warm weather pushing temperatures to about 70° greeted the 155 runners in the 3rd White Rock Marathon. Wayne Comer, twice a bridesmaid, easily outdistanced the field finishing over 6 minutes ahead of Ronnie Hess in the time of 2:37:45. Four women finished led by Patti Price at 4:27:45. Thirty-three of the 107 finishers slipped under 3:30 and 14 cracked 3 hours.

1974

February 23, 1974. A new starting time of 9:00 a.m. and a new course partially necessitated by destruction of a part of the lake road greeted 159 runners. Temperatures were in the low 40's and the famous White Rock winds were quiet until about 10:30. Terry Ziegler and Don Kennedy came through the first of three loops at a sub 2:14 pace. At 10 miles they were 51:00 and 51:01. Slowly pulling away, Ziegler came home in 2:19:18 with Kennedy at 2:21:34. Kathy Loper led the three women finishers with 3:13:48. Eighty-three of the 125 finishers were under 3:30 and 34 bettered 3 hours. For Ziegler it marked his 12th marathon and 6th victory, but this one thrust the Oklahoman into national prominence with his first sub 2:20.

1975

February 22, 1975. The cold winds blew and the rain came down in buckets to greet 219 starters. Terry Ziegler repeated as champion with a time of 2:26:07. Mike Albert with a strong finish edged Hank Pfeifle 2:27:43 to 2:28:19. Kathy Loper defending her women's title splashed to 3:00:54 as ten women finished in this Aquathon. Overall 167 runners finished with 123 bettering 3:30 and 46 sneaking in under 3 hours. Dorothy Doolittle, later in the year to run the 10th fastest marathon ever run by a woman (2:51:22) showed her promise with a 3:09:47.

1976

February 21, 1976. A cloudless "Norther" provided 50° weather, but strong winds again conspired to deny the 240 entrants a perfect day. Don Kennedy was unchallenged from the start and opened up an early lead at the 1/3 point and maintained that margin until he eased in in 2:25:59. Roger Vann ran an even paced 2:26:50 for second place. Dorothy Doolittle, seemingly unaffected by the winds, shattered Kathy Loper's course record with a 2:53:43, leading the 14 women finishers. Overall, 178 finishers with 128 under 3:30 and 56 under 3 hours maintained the course's reputation as fast.

1976

December 4, 1976. The 7th time was a charm, but it came with numerous changes and innovations. The Aerobics Center of Dallas joined the Cross Country Club of Dallas in sponsoring the growing race. Greg Pape, the race director, determined that the first Saturday in December was historically good marathon weather and the decision was made to switch to that date. 300 marathoners toed the line and were started by the Mayor of Dallas, Robert Folsom. The runners responded to perfect weather (50°; winds under 5 mph) with fantastic times. Jeff Wells of Dallas exploded on the national scene with a sparkling 2:15:11, nosing out his roommate at Dallas Theological Seminary John Lodwick who was close behind the entire way at 2:16:23. Clint Mericle and Kyle Heffner battled to 2:23:16 and 2:23:39 for 3rd and 4th places. The ladies winner, Jean Ohly of Southern Illinois University, ran 3:07:26 to lead the way for 23 women finishers. The 250 finishers showed 176 bettering 3:30 with 76 under 3:00.

1977

50° at the 9 a.m. start sounds great, but at noon 76° and a 15 mph south wind had played April Fool in December on the 909 marathoners. John Lodwick ran away with an easy 2:16:43 victory with Tom Marino at 2:20:29 and Ron Tabb at 2:22:01 foretelling future success for both. Meanwhile Marianne Pugh and Penny DeMoss led the women with 2:56:55 and 2:56:58. These two ladies were never to be more than a few yards apart and ended in a sprint at the finish.

1978

Race Director Dale Hager saw 2404 marathoners answer the gun in 70° muggy, cloudy conditions. SMU's Tom Marino in true White Rock tradition captured the victory after a 2nd place finish in 1977. Tom's winning time was comfortably ahead of Ed Leddy running for the Adidas Running Club in 2:18:55 to 2:20:26. Karen Bridges of Oklahoma State took more than 5 minutes off the previous ladies record with her 2:48:36. In all, 1825 finishers including 155 women would complete Texas' largest marathon.

2608 starters were treated to perfect conditions at the Tenth White Rock Marathon as Race Director James Thruston sent the runners out into cool, 37°, dry, 40%, and calm, 6 mph, weather. Kyle Heffner of Dallas, who would later finish third at the Olympic Trials at Buffalo, New York in 2:10:54, blazed a Texas record 2:14:30. Kyle never led until he caught Fred Torneden at 25 miles. Fred who finished in 2:14:51 after a "breakaway" from 16 to 19 miles had led until Kyle's strong finish caught him. Their times both broke Jeff Wells' 1976 record time of 2:15:11. Toni Bernhard of Houston led the 204 women finishers in another new record of 2:47:31. Second place went to Kathleen Whitcomb in 2:50:03 as five women bested three hours.

In all 2144 finishers (including the legendary Arthur Lydiard) representing 82% of the field ran the classic distance. The Tenth White Rock Marathon closed out the 1970's, a decade of excellence, as seven men were under 2:20 and 310 men and women were under three hours.

1980

With 2755 entrants for the 26 mile sauna (temp. 65°; hum. 90%) 2199 finishers (241 women) were a testament to the perseverance of the hardy.

Omaha's Robert Wallace, a 29 year old Australian born runner, blasted a 2:15:19, 5 minutes better than Ben Moturi and Juan Zetina, NTSU teammates from Kenya and Mexico, at 2:20:24 and 2:20:29. This was the first time that White Rock was captured by foreign invasion.

In the women's race, Martha Sartain, increasing her pace as she went, took over 6 minutes off the prior women's record with her 2:41:14. Karlene Erickson, 15, the leader until 11 miles, was second at 2:49:16 with Hope Wilson third at 2:50:46.

Despite the formidable weather 21 runners were under 2:30 and 284 were under 3:00 including 6 women.

Great expectations and shattered dreams were to be the history for the 12th edition of White Rock. A crisp 44° greeted the 9 a.m. starting gun. Ben Moturi of Kenya and NTSU-ex appeared to have the race locked up after running away from the field with splits of 50:12 at 10 and 1:41:51 at 20 but former team-mate Juan Zetina who was 71 seconds back at 15 seemed to claim apparent victory when he took the lead at 24 only to run down by OU's David Miley with 1/2 mile to go. Miley would stretch out to a 18 second margin 2:16:12 to 2:16:30. Zetina's show was the closest 1-2 finish in "Rock" history. Moturi after a bout with cramps at 24 claimed 3rd in 2:18:00.

Julie Brown flew in from California, flew through the course in 2:33:39 and flew home all in the same morning. Her time took over 7 1/2 minutes off Martha Sartain's 1980 record. Glenys Quick of New Zealand, running her first marathon, ran 2:35:23 for 2nd. Third went to OU junior Kellie Cathey who ran 2:28:39 with negative splits. These women's times were the 1st, 2nd and 3rd fastest in W.R. history.

New number records in all categories were 3086 entrants and 2446 finishers (including 320 women). The once exclusive sub-3 hour club was opened to 320 men and women.
