TEXAS
SCOTTISH RITE HOSPITAL
FOR CHILDREN

*By being a part of the White Rock
Marathon, you've helped make life
brighter for thousands of Texas children.
Thanks to an exciting partnership,
proceeds from the marathon benefit
Texas Scottish Rite Hospital for Children.*

Since 1921, Texas Scottish Rite Hospital for Children has been dedicated to improving the lives of its young patients. Supported solely through private donations, the hospital has emerged as one of the nation's leading pediatric medical centers for the treatment of orthopedic, related neurological and learning disabilities.

Each year, the hospital provides ongoing treatment to more than 12,000 children at no charge to their families. And through the hospital's commitment to research and study, medical breakthroughs and new technologies have dramatically impacted the lives of more than 110,000 children, not only in Texas, but throughout the world.

*Thank you for your participation
in the White Rock Marathon.
By working to reach your goals,
you've helped a lot of children
come closer to reaching theirs.*

Marilyn Cintron, also known as "Petunia the Clown" encourages Grant Huker of Allen, Texas, a participant in the Kids Rock for Scottish Rite 1K.

DEAR RUNNERS

Good runners and good weather a good race makes! Right? The promise of good weather gave us an exhilarating start. Two hours into the race we were greeted with cold rain reminding us why the marathon is called both an endurance event and a mental war. This year we had to endure the distance and the weather. However, the cold and wet weather brought a warm welcome for the first time ever "Finisher's T-shirt"

You might call this year's Rock the NAFTA victory race. Our male and female winners came from Mexico and Canada, respectively. Congratulations to Emilio Gonzalez and Ena MacPherson, who claimed the top honors. First place wheelchair athlete was Joe McNeil from Hope, Arkansas. The turnout for the relays was phenomenal with 425 teams. The fastest relay team this year was Team Run On! This five person team (Open Male) claimed a 2:17:07 victory.

The 1997 Marathon marked the beginning of a new direction for our event -- one that aligns the Dallas White Rock Marathon with Texas Scottish Rite Hospital for Children. Dallas based, Texas Scottish Rite Hospital for Children has operated continuously since 1921 and has treated over 100,000 children. We are pleased to partner with the Texas Scottish Rite Hospital for Children. Together we can increase the quality of the Rock and raise money for the treatment of children. We all win in this race!

The Marathon weekend would not be possible without our generous sponsors including:

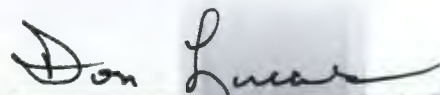

American Airlines
Martin's Cocina
Palm Harbor Homes
Robert Haugh
The Dallas Morning News

A page of thanks in this results book recognizes all of the other patrons and contribu-

tors. There are thousands of volunteers who help us every year. Take a minute to look at the list of organizations and individuals that contribute to the safety and success of the race. Even better, drop them a note or e-mail of appreciation.

As we approach the 21st century we will continue to explore new ways to improve the sharing of information and communication regarding our event. Please visit our web site at www.livelif.com/the_rock/ If you are ever curious about the voice answering our hotline at (214) 528-2962, it is Doris Lafayette.

Thank you for being the most important part of the race. Become a volunteer and help make the 29th running of the Rock the best ever. December 13, 1998 is "just around the corner" Send e-mail to our race director Bob Luchsinger at the following address: bluchsinge@aol.com.

Winning The Rock

Emilio Gonzalez, a farm worker from Toluca, Mexico, celebrated his first career marathon victory at Sunday's 28th running of the Dallas White Rock Marathon.

The 35 year-old crossed the finish line in front of Dallas City Hall in the pouring rain, arms outstretched, waving a Mexican flag. He outran fellow countryman and El Conejo teammate Marco Polo Becerra, 24, through the final 10K to win his first title in 15 tries, in 2 hours, 26 minutes, 6 seconds. Gonzalez, making his second Dallas appearance, improved his finish but not his time. He placed fourth here in 1995, when he set his personal marathon best, 2:18:41. Victor De Jesus Diaz won the '95 Rock in 2:16:03.

"It feels good to win, even if the time is ... slow," Gonzalez said through an interpreter.

Gonzalez ran nearly five minutes faster than last year's winner, Gregorio Romo of Mexico (2:30:57). But Gonzalez's time was well off John Lodwick's record, 2:12:18, set in 1982.

Gonzalez and Becerra were the first of the 2,655 marathoners to finish the 26.2 miles course. Ena MacPherson of Nova Scotia (3:07:21) edged Cheryl Grainger of Colorado (3:07:35) to win the women's title. MacPherson was well off the women's record, 2:33:39, set by Julie Brown in 1981. She was more than eight minutes off last year's winning time, 2:58:34, run by Shannon Compton.

Only one of the 428 relay teams finished ahead of Mexico's winning duo. Team Run On's men's open team clocked a 2:17:07. The team consisted of Terry Garret, Cris Strait, Clyde Colenso, Duncan Cragg and Paul Fulton. The team had hoped to eclipse the men's open five-person relay record, 2:15:20, set by Team Luke's last year. "I'm a little disappointed in the time," said Fulton, who ran the anchor leg. "But I'm glad we won."

Joe Melanson of Orange, Texas, set a personal best, 2:39:49, to place ninth overall and win the masters title. The 42-year old said he had planned to use Dallas as a training run for Houston. He decided to race it this week when the weather turned cool.

"It turned out great," he said. "This weather is ideal for marathoning."

Conditions started out nearly perfect Sunday morning for the 4,500 registered marathon and relay runners and 1,500 volunteers. Cloudy skies and a 8:00am race start temperature of 42 degrees greeted everyone. The threatening rains, forecast for the afternoon, held off only a couple hours. The leaders had already reached mile 23. The masses still had miles to go.

"The weather is most difficult for the beginners," said marathon board chairman Don Lucas. "They usually struggle at the end anyway."

Becerra looked strong early as he and Gonzalez grabbed the lead before the second mile. They took turns in front, shielding the wind for one another. But Becerra said he kept losing his footing once the rain began.

His discomfort was compounded by a pain in his side that worsened by mile 22. He fell on the slick streets around mile 25.

"I didn't prepare 100 percent for this marathon," said Becerra, through an interpreter. "It was just a training run. I'm going to be at Boston." Becerra won a marathon the last time he came to the area. He captured the 1997 Fort Worth Cowtown Marathon title last February in 2:24:50. Efrain Moreno of Mexico held off Mesquite's Ramon Maldonado in the battle of first-time marathoners vying for third. "I didn't do enough training," said Maldonado, the area's first full marathon finisher. "Now, I know what I need to do next time."

The 26.2 mile course, mostly flat but with a few tough hills, begins and ends in downtown Dallas. Along the way, runners pass through the wooded Turtle Creek area, prestigious Highland Park, around White Rock Lake, through beautiful Lakewood, and the Swiss Avenue historical district.

Emily McAdams Honored by Marathon Board

For the past ten years, the Dallas White Rock Marathon has been blessed with a major sponsor whose representative to the Board of Trustees was not only an outstanding marathon runner but also a major contributor to the success of each race. The names MassMutual, Emily McAdams and The Rock became running synonyms.

Emily was known on the Board of Trustees as a leader. Her leadership went beyond the board room and planning sessions. Since 1982, she ran The Rock 13 consecutive years. This accounts for four 1st place division victories and finishing in the top three of her division 11 of the past 13 years!

Donald Key, (Chairman of the Board of Trustees 1981-1996) recognized Emily's contributions to The Rock at this year's pre-race banquet. To illustrate Emily as a catalyst for change and growth he quoted from William Shakespeare, "We know what we are but we know not what we may be" Many thanks to Emily for showing us what the marathon could become.

Photo by Tim Dabrowski

On the operational side, Emily took responsibility for the merchandise selection and organization of the Rock Shop. MassMutual provided an aid station for 10 years claiming 1st place in their corporate division for five of those years.

We appreciate Emily and MassMutual for their contribution to the Dallas White Rock Marathon.

Emily and her husband, Mike, whose Dallas Agency represents MassMutual wish to express their appreciation to the runners of The Rock for their support. "Sponsorship of this event was a very positive way to get our company name out there before the public", Emily said, "We were very pleased with the results. The aid station is also a great way to foster teamwork amongst employees. They develop a sense of camaraderie by working together to be #1 in the eyes of the runners."

Thanks Emily, but no goodbyes. We expect to see you at the finish line and awards ceremony for years to come.

Comments from Runners

"Congrats on a great event. I was in town from Chicago on business and stayed the weekend just for the marathon. Beautiful course, plenty of room for all athletes."

"Only in Texas are there fajitas after the race!"

Scott Adams

"Once again the Rock was a great event. This is my 4th in 5 years. Miss the Luke's Fashion Show and the mile markers on stands. Need more cookies and pasta at the post race dinner."

"Finishers' T-shirts were a great addition. I'll be back next year."

Jennifer Wells

"This was my first marathon. Given the race conditions and how they changed, I can safely say I've experienced the agony and the ecstasy of marathoning all in one shot. Having the convention center open before the race was great. Police did a great job."

Bill Baxley

"Great run."

Rick Danna

"The stations and amenities for runners is fantastic. Volunteers, incredible. Even though I run just to finish, I feel like I'm leading all the way around the course."

Tom Byrne, NEC America

"I ran a PR and was overall quite impressed with the organization and execution of the entire program.

The singer for the National Anthem was wonderful.

Great final instruction book. Relay parking suggestions were very helpful.

Good, well run finish chute."

Jim McGraw

From the Wheelchair Division

"Give the wheelchair division the public recognition that the athletes deserve. The publicity would encourage the growth of the sport and give other disabled persons someone they can relate to."

Steve Berkenbile

From the Relay Runners

"This was my 2nd year to participate in the 2 man relay. Despite the rain (which added to the drama of the race) I had a great time. Thanks for the relay participant medals, a great addition."

The Dallas White Rock Marathon Benefits The Love of the Lake

"For the Love of the Lake!" is a grass-roots group of volunteers working to improve White Rock Lake and the surrounding park. Since its inception in 1995, thousands of people have participated in a variety of ways ... from picking up litter, to painting murals and buildings at the park, to attending fund raising events, to staffing water stops at the White Rock Half Marathon! (Where they were voted Number One by this year's runners). "For the Love of the Lake!" (aka FTLOTL) has purchased numerous items benefiting the park with funds raised from the community and through grants including: (1) 7 freeze-proof, handicap accessible drinking fountains along jogging trails. (2) 400 attractive, covered trash receptacles with recycling capabilities. (3) 40 tables & 80 chairs for park buildings. (4) 24 benches with bike racks. (5) The White Rock Lake marquee at Buchner and Lake Highlands (6) A 10 station outdoor exercise station (to be installed soon) (7) A children's train called "The White Rock Express" at Tee Pee Hill

A few of the projects implemented by FTLOTL Include: ● Painted murals in 6 pairs of restrooms depicting scenes from around White Rock Lake.

● Created Second Saturday Shoreline Spruce-Up. Since April 1996, hundreds of volunteers have picked up thousands of bags of litter and recyclables from shoreline and trails on a monthly basis. ● Sponsored "Recycle at the Rock" to build & install 400 litter and recycling receptacles. ● Organized "Painting in the Park" to paint buildings throughout the park ● Sanded and repainted 360+ foot railing along Garland Road

● Refinished hardwood floors in Dreyfuss Club ● Created duck mascot Litter-free Louie to educate about keeping the lake clean. ● Sponsored "Bake for the Lake" at Great Harvest Bread Co (raised \$7,000)!. ● Sponsored "Rock for the Rock" at Coca-Cola Starplex which raised over \$12,000!

In recognition of all of the accomplishments achieved by FTLOTL, they have been honored with many awards. Included are numerous proclamations from Dallas Mayor Ronald Kirk, the Dallas City Council, and the Dallas Park Board. In 1996 Keep Dallas Beautiful awarded "For the Love of the Lake!" its award for Environmental Excellence in the Recycling/Solid Waste Reduction category.

Mobil Aid Station Returns Year After Year

**THANKS
FOR
STOPPING
AT
Mobil**

A good Aid Station is one that you can count on! Year after year since 1983, runners of The Rock have enjoyed the friendly service and refreshing approach that Mobil brings to Mile Marker 17. The station is staffed by the Mobil Running and Walking Club who come out to support their fellow runners and for the comradery with one another. Some of the key people responsible for the aid station's longevity and dedication are Kevin Hellman (founding father), Marisa Quinones, aid station representative, Bill Toy, Gary Howsam, and Mike Sokolovich. It was Danny and Peggy Mitchell who coined the name "Donut Pit Stop." Many who thought runners would refuse donuts, are now eating their words. You will always find a hole for your donut as you pass through this friendly station.

The 1997 Marathon Aid Stations

BY DAWN BURKE AID STATION COORDINATOR

I don't know where to begin to thank the aid station volunteers and their sponsoring organizations for their efforts in the 1997 Dallas White Rock Marathon. From 6:00 a.m., when our early aid stations started setting up, until after 2:00 p.m. when the marathon course closed, these hardy folks braved the elements to serve refreshment and encouragement to our 2756 marathoners and 1054 relayers. As the runners slogged their way through the slick streets of the Park Cities and Dallas in the downpour, our aid station volunteers were making their own futile attempts to stay warm and dry as they tirelessly handed out water, PowerAde and oranges.

After getting their initial boost from the Baylor-Tom Landry Center staff, runners made their way through "Luke's Country", at mile 4, and voted them the Best Overall Aid Station. The Run On Retro Geeks, at mile 10, were voted the Best Corporate Aid Station. Following the Yellow Brick Road into the Cross Country Club of Dallas' Land of Oz, at mile 11, runners were greeted by the whole "Emerald City" gang, and voted them the Best Non-Corporate Aid Station. Runners finished at City Hall Plaza, where the volunteers from the Texas Scottish Rite Hospital for Children cheerfully handed runners a final cup of refreshment before the post race feed. We had it all this year: cold, rain, winged monkeys, triathletes, farmers, disc jockeys, a beach party and a big pink bus and FUN!!

We at the Marathon have gotten feedback from a number of runners, and they are overwhelmingly appreciative of the efforts that all of our volunteers undertook at the aid stations. I've heard from a number of the volunteers who staffed these aid stations, and despite the dismal weather, they had a great time, and look forward to returning for the 29th Dallas White Rock Marathon. We certainly look forward to working with each and every volunteer next year, and again THANK YOU!!!

Relay Teams Increase by 125!

By Nancy Scholberg

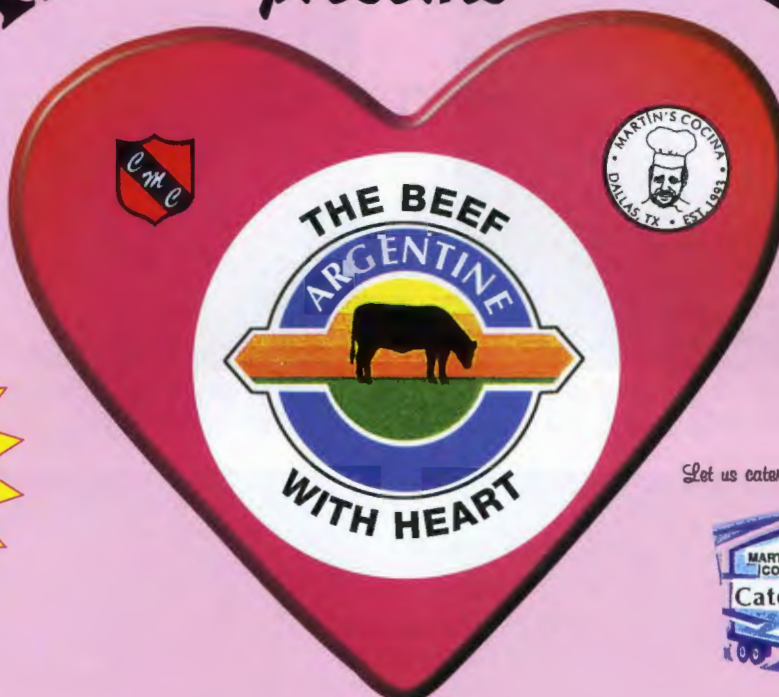

The The Rock Relay Teams continue to grow. Last year 300 teams participated. This year we topped over 425 teams - 250 Two-person teams and 175 Five-person teams.

Why the growth? Key improvements were made to attract relay participants. Primarily, transportation to and from the exchange points was offered to the runners. We also rid ourselves of last year's batons and replaced them with colorful light weight wrist bands. A special shirt for relay participants helped distinguish the relays from the marathoners. And, additional efforts were made to better organize the exchange areas. Veteran runners served as team captains for each exchange area and were responsible for gathering their own volunteers to work at each site. Having the "runner's perspective" helped make each exchange a bit smoother and more organized. Although we made progress, we are striving to improve the relays and still have a way to go.

There continues to be the ever present feud about allowing relays in the marathon. Some of the "purists" feel that if you can't run the distance, you shouldn't be out there. On the flip side, some of the relay participants did not like being "labeled". (Participants wore a small relay sign on their back as a means to identify themselves to the marathon runners.) THE ROCK Board stands firm in its commitment to continue to promote the relays. Many relay participants end up training and actually running the marathon the following year due to their positive experience, excitement and participation in the relay. And, if any relay participants could get excited about running next year's marathon after standing out in the cold, wet weather, waiting for their team mate at the exchange area, we can all feel good about that.

MARTIN'S COCINA

presents

MARTIN'S COCINA
is the first restaurant
to introduce
"ARGENTINA BEEF"

Let us cater your next dinner or party!

Martin's Cocina was pleased to partner with Texas Scottish Rite Hospital for Children in this year's White Rock Marathon. For the past 76 years, Texas Scottish Rite Hospital has treated more than 110,000 children with pediatric orthopedic conditions & related neurological disorders. Supported entirely by voluntary donations since its founding in 1921, the hospital has never charged any family for a child's treatment. We had 38 former patients as volunteers in the 1997 White Rock Marathon.

As owner of Martin's Cocina Mexican Restaurant, I, Martin Zisman was proud to be the food sponsor. In keeping with the spirit of the event, it is my desire to bring healthy food to the participants. It was my pleasure to have featured Argentine Beef Fajitas for the post race dinner. This was billed as "The World's Largest Fajita Feast." We served in excess of 6,300 people. When planning the menu we considered doing a healthier style of fajita. Even though I love Texas beef, the Argentine beef I had especially flown in from Argentina is the most nutritionally sound beef in the world. It is hormone free, chemical free, and produced from the Pampas Grasslands.

I've developed a special marinade which is U.S.D.A. approved to go with this beef. Soon the packaging will be in a store near you. For more information, please contact Martin Zisman at 214-319-8834 or write to the above address.

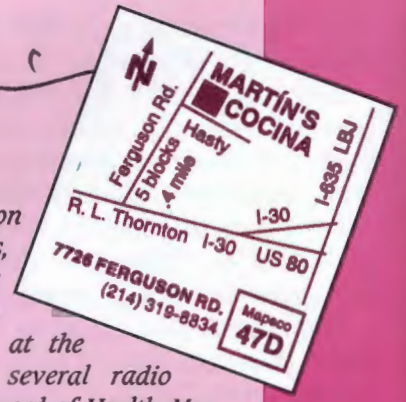

I wish to thank some of our sponsors for helping us: Todd Whitthorne channel 8 co-host of Good Morning Texas, Custom Meats who helped make the Argentine Beef a reality, Hardies Produce for donating the vegetables and fruits, Southwest Securities for their cash donation, Great Harvest Bread Company for all the baked goods, Sysco Foods, Coca Cola, Ben E. Keith, R.L. Schreiber Company, and Excel Linen.

In closing congratulations to all marathon runners! I hope everyone enjoyed the meal we prepared. This "Worlds Largest Fajita Feast" set another world record.

Thank you,

Martin J. Zisman

Rio King completed his **25th Rock** this year. This ties the previous record set by Uly Vlamiades.

The Rock Sports/Fitness Expo from 2-7 on Friday and from 9-5 on Saturday was held at the Dallas Convention Center this year and featured runner's clinics by triathlete, Scott Tinley, and world famous runners Steve Scott & Alberto Salazar as well as seminars, exhibits, apparel and footwear vendors.

Saturday night's pre-race banquet, held at the Adam's Mark Hotel, was once again sold out. The evening featured presentations from Steve Scott and Alberto Salazar.

The Annual Award for Excellence was presented to Steve Scott. (See the feature article on Steve Scott on page 39 of this book.)

Donald Key (representing the Marathon Board of Trustees) presented an award of thanks to Emily McAdams for her leadership and ten years of sponsorship via MassMutual. (See the tribute to Emily McAdams feature article - page 16)

Race Day morning we had an exhilarating start. The weather seemed perfect. Like all major sporting events, the event was preceded with the singing of the Star Spangled Banner. (First time in 28 years of the race!) The Honorable Mayor Ron Kirk was the official starter for the race.

Texas Scottish Rite Hospital for Children brought the fun and excitement of youth to the marathon events with a Kid's Rock race for kids and kids carnival which included skill games and face painting. Clowns brought excitement to the kids and livened up the festivities.

We need your help to make next year's race the best ever. Please visit our website to find out how you can help make a difference by volunteering.

1997 DALLAS WHITE ROCK MARATHON

First, runners, THANK YOU for participating in the 1997 Dallas White Rock Marathon. The conditions were not ideal, especially if you are middle to back of the packers like we are. The only thing worse might have been standing still in it for 5 or 6 hours as our volunteers did. We can't thank them enough. As veterans of many marathons, we know the difference between working a race and running a race. We'd rather run any day!

We'd like to take a moment of your reading time to personally thank some very key people. The Marathon would not be there for you to run without them. These are not 5 or 10 hour volunteers. These people all devote huge amounts of their time and attend endless meetings throughout the year to help us produce this event. We (Bob & John) could not do it without them. Period.

They are: Dawn & Mike Colvin (Aid Stations, Buses, Post Race, Cleanup), Debye & Ed Humphrey (Volunteer Coordination, Expo Registration), Nancy Scholberg (Relay Coordination), Bob Wallace (Finish Line Coordinator, Results Help, Aid Station), Bob Wilder (Medical Director), Bob Jones (Dallas Amateur Radio Club), Pat Cheshier (Officer in Charge of Police, Safety of Course), Andy Beach (Course Certification), Billy Martin (Race Week Packet Pickup).

The Dallas White Rock Marathon is unique among the ranks of big time races in that it is all volunteer. No one is paid (many donate goods and services as well) at any level. Please let them know how much you appreciate their efforts on your behalf. We can't tell you how proud we are to call them our friends.

The most memorable thing about The 1997 Rock for most of the volunteers, as well as runners was the RAIN. According to everything I was able to hear, read, and look at prior to leaving the house; the rain was scheduled for much later in the day. I spent several weeks prior to the race telling all volunteers to be sure to "bundle up" and layer on extra clothes to stay warm. Now I'm trying to figure out if all of those wonderful people standing out there for hours in the rain were dedicated, or if all of their layers of clothing had absorbed water like a sponge and they just couldn't move. Whatever the reason, they were all appreciated!

This year, Carrie Paige was my liaison with For the Love of the Lake; the organization that has done so much to improve the White Rock Lake area. The Rock supports For the Love of the Lake, and they show their support to us by recruiting volunteers and providing crowd support.

The unsung heroes are the nicest surprise any event can have and The Rock has many. Without these people my assignment would be impossible. These are the people that return year after year and work behind the scenes completing their task. Billy Martin handles packet pickup at Race Headquarters the week of The

Rock. Ed Humphrey takes charge of packet pickup once it moves to the Expo. On race day morning while Joyce Rhines has a crew at City Hall Plaza collecting drop bags, Bob Dunbar is taking care of race day packets. Bob Skaer is out coning the course with two trucks full of cones and people. Rollie Stevens, with four family members assisting, supervises Mile Split Timers. Long time sag wagon Guru, Dick Taylor, was joined by Marilyn Clemens to support the sag wagons, and Parks Stearns served as the Course Guide Captain.

Even in the cold and rain a large group of Texins Striders were in attendance, as they have been for many years, at the finish line. Jeanine Hemingway headed up race day activities in the finish chutes for the Texins Striders this year. Accolades to this group.

Many thanks to all of these dedicated volunteers from me personally, as a Dallas White Rock Marathon representative, and as a runner of this event. I hope they will all join us again next December for our 29th running. THE VOLUNTEERS ARE THE BACKBONE OF THE ROCK.

Dallas White Rock Marathon Award for **Excellence**

1997

The Dallas White Rock Marathon Award for Excellence is presented annually to recognize an individual or entity who has demonstrated the positive effects of running on health and fitness through outstanding effort, determination, commitment and courage. Candidates for this award must excel in one or more of the following areas: Made a major contribution to the sport of running or to the Dallas running community; overcome significant impairment or personal tragedy to run; experienced a major lifestyle change through running; made a major impact on the lifestyle of others; or achieved outstanding performance in running.

The recipient of the 1997 Award For Excellence is Steve Scott. The 41-year-old Californian has not only run competitively for more than 20 years, but has established a legacy of success that is the envy of runners of all types. Mr Scott's list of accomplishments is significant:

A member of the U.S. Olympic team in 1980, 1984, and 1988.

At times the holder of the world record in two events and the American record in five events.

The top U.S. runner in the 1500 meters from 1977 through 1988, he currently holds the record for the most sub-4 minute miles in the world. Mr. Scott's latest achievement may be his most heroic. The married father of three has recently overcome a battle with testicular cancer. He has resumed his running regimen and has set a goal of running a sub-four minute mile as a masters division runner.

In terms of impacting the lifestyles of others, Steve Scott is a role model for persons of all ages. Scott hosts the Steve Scott Running Camp and Workshop for adult runners in California. The program emphasizes education for all runners and provides an overall positive running experience for camp participants. He also serves as a member of the Board of Directors for Health Awareness Foundation, a corporation which educates our youth on fitness and health, using professional athletes as role models.
