Dear Runners

The Dallas White Rock Marathon Board of Trustees, its sponsors and over 1,500 volunteers thank you for participating in the 1998 Rock. We experienced ideal marathon conditions on race day, outstanding race organization and execution and one of our largest total number of marathon and relay participants in the Rock's 29-year history. The result was a great event. Those of you who have participated in The Rock in the past have come to expect the same. And to those of you who were among the first time marathon participants, we sincerely hope that your experience at the 1998 Rock established a benchmark by which you will evaluate all marathons.

Even though the Dallas White Rock Marathon is organized and administered by an all volunteer organization, it would not be possible for us to stage the marathon without the cooperation of our sponsors, many of whom have supported us for several years. In addition to our major sponsors, American Airlines, The Dallas Morning News, Coca Cola/Powerade and Robert Haugh, we are extremely proud of and grateful to the many other fine companies who help us with the

Marathon and are listed elsewhere in this booklet. We encourage you to patronize those companies and acknowledge their sponsorship. Importantly, the City of Dallas and the Town of Highland Park are essential partners in our event. The logistics of executing a major marathon in a large metropolitan area are staggering. We simply could not continue to present our Marathon without their ongoing cooperation and support.

Our charitable partner, Texas Scottish Rite Hospital for Children, has become absolutely indispensable. The credibility and energy that Texas Scottish Rite Hospital brings to our event challenges us all to continue to "raise the bar" — not to mention the significant opportunities for us as we look ahead. We are extremely proud to be associated with the hospital and the work that it does for all children. We are also grateful for their "can do/roll up their sleeves" attitude in helping us plan and execute our Marathon. We also appreciate and support the work of the group of volunteers who have designated themselves stewards of Dallas' most popular and best running venue, the Dallas White Rock Lake. We

thank the "For the Love of the Lake" organization and its leadership for all they do for everyone.

Finally, a word of thanks to you our participants. You are the lifeblood of our Marathon and the object of our planning and efforts. Our primary goal is to make our Marathon the best for you that our resources permit. Your participation and return to The Rock annually tells us when we are doing an effective job. Please let us know when we fall short of your expectations and do not hesitate to contact us with your constructive comments. We look forward to your participation in the 30th Dallas White Rock Marathon the weekend of December 5, 1999. Make your plans now to participate. The Board promises to work very hard to make the 1999 Rock the best yet.

Don Lucas, Chairman, Board of Trustees

Dallas pediatrician William Moore knelt and prayed at the finish line after his first marathon win in Dallas' 29th White Rock Marathon. He then picked up his 3-year-old daughter, who proudly wore her father's finisher's medal.

The clock read 2 hours, 20 minutes, 37 seconds at Dallas City Hall Plaza, the fastest time since 1995 when the Marathon offered prize money. Moore finished more than five minutes ahead of Jim "Spider" Sillery, 26, of Bloomington, Illinois, who's time was 2:26:08.

Moore, at 37, the oldest winner of the Rock, was the first of approximately 3,200 marathoners to finish the 26.2 mile course, run in near perfect conditions. Sheila Carmody of The Woodlands won the women's title in 3:04:34, edging Cheryl Grainger, who was the 1997 runner-up.

The race started slow for Moore, who hung back early as Spider Sillery secured the lead. Sillery had a 48 second advantage after the first three miles. But Moore chipped away at his lead, and just after mile 15, Moore overtook Sillery. Sillery, who set a personal best by more than three minutes, had been battling tendinitis early in the week. In spite of cramping, he managed to hold off Jonas Larm, 25, of Sweden, who placed third with a time of 2:28:05.

Carmody, a 31 year-old nurse, pulled away from Cheryl Grainger late in the race to win the women's division. It was her first marathon victory since making a serious return to the sport two years ago, and ten years since she had last run The Rock. Her time of 3:04:34 was well off the record set by Julie Brown in 1981. Even so, she was almost three minutes better than last year's winning time by Canadian Ena MacPherson.

Cheryl Grainger, 43, was given the choice of being overall runner-up or Masters Champion, and opted to finish second two years in a row. "I guess I'm getting used to this," the good-natured Grainger said as she congratulated Carmody.

Team Luke's women's five-person relay crushed the White Rock Marathon record, winning in 2:39. Team members Danielle Trellis, Leticia Lechon, Julie Steamer, Katie Courtwright, and Michelle Byrne said they weren't thinking about breaking records, they were just out there having fun.

Team Run On's five-man relay team crossed the finish line in record time, as well. The winning time of 2:13:40 eclipsed the record by more than two minutes. Team members were Rene Sepulveda, Ephraim Mokgokohu, Chris Strait, Joe Beisner, and Paul Fulton.

Those who ran the 29th Dallas White Rock Marathon experienced a rarity... the weather was actually nice. It was clear and cool at race time, but by the time the leaders crossed the finish line, the weather had warmed to near 60 degrees.

Comments from Runners

Overall, A+++ , good organization, good volunteer support, good weather (oh, go ahead and take credit for it since you did move the race back a week). Thanks for all the efforts and please convey my thanks to the volunteers who made it all happen. — *Jeanne Pitz*

Thanks for a wonderful experience. I have never seen so many nice people in the same spot. The "Watering" holes, the cheering onlookers, the Dallas Police, all were very nice. I especially enjoyed the music as I finally made it to the finish line. I ran my first marathon this year and am revved up. See you next year for sure. — *Dot Eastin*

As a first time marathon runner and a resident of Dallas, I want to express my pleasure and excitement after running the White Rock Marathon. Not only have I achieved personal gratification in completing the event, but I realized in running the marathon what a great city Dallas is. — *Randy Golden*

Thanks for a wonderful marathon! This was my first "big" marathon, and I thoroughly enjoyed it. Great shirts, food, aid stations, registration, music, etc. It was a lot of fun to have so many people to run with and so many Dallas folks out supporting the runners. Please extend my thanks to those wonderful folks in the last 8 miles or so who kept telling me "you look great" and "you can do it." Tell them #1757 says "THANKS!" — *Scott Taylor*

I don't know how I can possibly express my appreciation to all the volunteers that made Sunday's [race] experience possible. I can only return the favor by volunteering myself at runs in my hometown of Atlanta. I was especially appreciative of the blue numbers for us first-timers! — *Susan Merriman*

I came from Quebec City to run the marathon and I surely did not regret it. Your organization did a great job. The landscape was gorgeous. The people all over the course were enthusiastic. Thank you for your hospitality. — *Jocelyn F. Rancourt*

It was my first marathon and I have to say it was a wonderful experience for several reasons. First, the volunteers were wonderful. At every water stop it was great to see smiling faces and hear good cheers. Also it was a nice course. I enjoyed the variety from the lake to the neighborhoods, and finishing downtown. — *Mandy Nichols*

Thanks for all the hard work your committee invests in this wonderful event! The course not only showcases our beautiful White Rock Lake, but the diverse beauty of Dallas. — *Kristen Kunke*

MARTIN'S COCINA presents' The Beef with Heart

ered doing a healthier style of fajita, even though I love Texas beef, the Argentine beef I especially flown in from Argentina is to me the most nutritionally sound beef in the world. It is hormone free, chemical free, and produced from the Pampas Grasslands.

I've developed a special marinade which is U.S.D.A. approved to go with this beef. Soon the packaging will be in a store near you. For more information please contact Martin Zisman at 214-319-8834 or write the above address.

I wish to thank some of our sponsors for helping us: Todd Whitthorne channel 8 co-host of Good Morning Texas, Custom Meats who helped make the Argentine Beef a reality, Hardies Produce for donating the vegetables and fruits, Southwest Securities for their cash donation, Great Harvest Bread Company for all the baked goods, Sysco Foods, Coca Cola, Ben E. Keith, and R.L. Schreiber Company, and Excel Linen.

In closing congratulations to all marathon runners! I hope everyone enjoyed the meal we prepared, which was another world's record.

Thank you,

Martin J. Zisman

Martin's Cocina was pleased to partner with Texas Scottish Rite Hospital for Children in this past years White Rock Marathon. For the past 76 years, Texas Scottish Rite Hospital has treated more than 110,000 children with pediatric orthopedic conditions & related neurological disorders. Supported entirely by voluntary donations since its founding in 1921, the hospital has never charged any family for a child's treatment. We had 38 former patients as volunteers in the 1997 White Rock Marathon.

As owner of Martin's Cocina Mexican Restaurant, I, Martin Zisman was proud to be the food sponsor. In keeping with the spirit of the event, it is my desire to bring healthy food to the participants, and it was my pleasure to have featured Argentine Beef Fajitas for the post race dinner. This was billed as "The World's Largest Fajita Feast." We served in excess of 6,300 people. When planning the menu we consid-

Volunteers Come in All Ages

The White Rock Marathon's favorite "Bag Lady", 73 year old Joyce Rhines, was in her perennial spot on race day, managing the Bag Drop area at City Hall Plaza. Joyce, a local 5K runner, has her heart in The Rock even if her feet aren't in for that distance.

The six 12 year old students in Phyllis Wilson's Total Communication class, also assisted the race this year, as they prepared volunteer cards for mailing. Meanwhile, Phyllis completed her 6th White Rock Marathon.

Special gratitude to Dick Taylor, who headed up the Sag Wagons for the 15th year - since retiring from marathon running. Dick personally transports the vehicles across town to the drivers, as well as organizes and drives on race day. Then, he returns the vehicles after the course closes.

Other volunteers in leadership roles included Bob Skaer, who coned the course, Rollie Stevens with split-timers, Parks Stearns with course monitors, Billy Martin for packet pick-up, and Jeanine Hemingway with the Texins Striders for the finish line. These people, all noteworthy by their tenure, return annually to maintain the consistency of the Rock's numerous volunteers. Whatever their age, duty, or motivation, each person who volunteered for the 1998 White Rock Marathon was appreciated!

A special contributor this year was Rickey Brown of the Pointe Group. Rickey, a former college decathlete, designed all aspects of the 1998 Rock's graphics, from posters and bumper stickers, to T-shirts and the cover of this results book.

Thanks to every volunteer for the effort and for the memories they helped make for the runners.

AID STATION HIGHLIGHT -- HATS OFF TO JCPENNEY

It was 1984 when someone at JC Penney asked "Who could organize an aid station for us at the White Rock Marathon?" Since running The Rock in 1981, I'd spent more time injured than not, and this was a chance to be a part of things again. I said, "Sure."

The Rock is OUR race!

We have carved out a 15-year history near the 13 mile mark (on W. Lawther), dishing out water, sports drinks, fruit, Vaseline, tissues, ice, and encouragement. More than 90 people have helped, including JCP associates, an army of friends and families, and a great band (The Midnight Hour). In 1990 we were a French Restaurant, since then, we've been The Addams Family, a Service Station, a Beach Party and this year, Woodstock.

Guests include Arthur Lydiard (probably the world's greatest running coach) and Fred Lebow (of NYC Marathon). And in 1987, I got to put a medal around the neck of the man who started me running.

What amazes me is that the volun-

teers keep coming back!!! Jerry Kennedy helped for 14 years despite his department being sold, Daryl Molitor, Frank and Mary Ellen Bonet, Barbara Hughes, Jacques Lofye, Jack & Louise Duncan, Bob Molyneux, Janis Burger, Joan Hondowicz, Bob Johnson, John Caldwell, Barb Hughes, Debbie Saat, Penny Laughlin and Lorinda Collins, for openers.

We've been soaked, frozen and blown away. We've gotten up early, set-up, filled-up, mixed up, poured, dipped, cheered ('Way to Go' and 'You're looking Gooood'), raked-up, swept-up, and picked-up. We've had cold, wet heads, orange-sticky hands, hoarse voices and

sore feet, backs, and knees. We hang in..... proud to be part of The Rock.

*I love our little tradition.
I love the people who help.
I love the runners who
thank us.*

Like Daryl Molitor wrote in 1991: "Who would not enjoy getting up before the crack of dawn, standing out in the cold for hours, freezing your fingers, getting rained on and ending the day by picking up garbage? I'm going to do it again NEXT YEAR!"

So next year we'll "Party Like it's 1999!" Look for us near mile 13.

The Rock is OUR race!

BY DAWN BURKE AID STATION COORDINATOR

Long before the sun rose on marathon morning, a small army of volunteers was already setting up aid stations along the marathon course. It was "Flashback Sunday" at the 1998 Dallas White Rock Marathon. From the flower children of Woodstock to the Godfather of Soul, the Beach Boys to the Beatles, Motown to the Monkees, the sounds of the 60's greeted the runners as they made their way through Dallas. Volunteers handed out water, PowerAde, oranges and enthusiasm to 3223 marathoners and 505 relay teams that ran the 1998 White Rock Marathon.

In keeping with our 60's theme, our request to "Let the Sun Shine" was granted. The crisp, sunny weather was welcomed by all, particularly after last year's cold downpour. Although we're all die-hards, volunteers and runners alike, it's just more fun when the weather cooperates!!

The 1998 Aid Station Awards, as voted on by the runners, are as follows: Best Overall Aid Station: Luke's Locker, theme Luke's Country; Best Aid Station Theme: J.C. Penney, theme Woodstock; and Most Enthusiastic Aid Station: Grapevine Runners and Walkers, theme "I Heard It Through the Grapevine." Congratulations to ALL of our outstanding aid stations for their efforts, and a heartfelt thanks for their continued support!!

Another huge "Thank You" goes out to Francey Beall and her "Two Men and a Truck" crew. Organizing, delivering, and picking up the aid station supplies for 20+ aid stations is no small feat, and we couldn't do it without them. Be sure to "High Five" all of them in 1999 at the Party Hog's Aid Station at Mile 25.

Relay Roundup

By Nancy Scholberg

Again, the relays proved to be a popular event with the marathon. 299 2-person teams and 206 5-person teams participated — an increase from last year's participation!

As the relays continue to grow in popularity, we continue to experience growth issues and have developed a strategy to address them. In particular, we may cap the relay at 1,500 runners in 1999 to help ease the crowded exchange areas. The first exchange at mile 6 may be re-routed to a parallel street to facilitate a cleaner exchange, joining the marathon runners on Airline. Mile 6, over the years, seems to be a popular spectator spot on the course resulting in a frenzied and crowded exchange area.

The mile 10 exchange will be moved before the Aid Station at the Paddle Boats next year. We found that we didn't have enough room for the relay runners to find their partner and hit the trail running.

The 2 person relay exchange will continue its location just off of Northwest Highway. Safety is the main consideration with this exchange area.

The buses were better organized this year. One volunteer at each exchange area was given the job of directing runners to their bus.

We continue to ask for your constructive criticism. We know we can improve and your experience from previous relays can only help us. Many of last year's suggestions were used for this year's event. We thank you and ask you to continue!

Texas Scottish Rite Hospital for Children

More than 75 years of Dedication to Children and Medical Breakthroughs

Texas Scottish Rite Hospital for Children has been committed to treating children with orthopedic conditions, neurological disorders, and learning disabilities for more than 77 years. A renowned leader in pediatric orthopedic research, treatment and education, Scottish Rite has treated more than 100,000 patients since its founding in 1921, none of whom have ever been billed for treatment. In fact, the hospital is funded solely from voluntary donations from individuals, corporations, and foundations.

At Texas Scottish Rite Hospital for Children, children always come first. The hospital is dedicated to providing the finest medical care to the children of Texas in an atmosphere of child-friendly decor and caring medical staff and volunteers.

The hospital has distinguished itself as:

- one of the leading pediatric orthopedic centers in the nation;
- one of the nation's largest pediatric treatment centers for birth defects/injuries of the hand;
- a leading regional referral center for pediatric rheumatology
- a national leader in treatment and research of limb deficiencies and the Ilizarov procedure, which lengthens and straightens bones
- the largest single-site interdisciplinary center in the US for the treatment of spina bifida.

Running with a Partner

Partnership with the Dallas White Rock Marathon has brought Texas Scottish Rite Hospital a new level of awareness among the running community in Dallas.

It also brought Olympic champion Carl Lewis for an extended visit with patients and staff the day before the 1998 marathon.

While a gifted athlete, Lewis is no stranger to adversity, and his ability to focus

on achievement of goals is a powerful motivator for the young patients at the hospital. However, if you ask Carl, he would say that it is the other way around... he draws inspiration from the children he meets.

Texas Scottish Rite Hospital for Children plans to forge into the new millennium with the same kind of commitment it has exemplified over the past 77 years to medical research and the children of Texas.

Meet Paige Porterfield

Guest Speaker at Pre-Race Banquet provides inspiration to runners

When Paige Porterfield was born, doctors told her parents not to expect Paige to ever walk or talk. But Paige has not only walked -- she's trotted, cantered, and galloped to award-winning performances in American Quarter Horse shows. As for her communications abilities,

nowadays, Paige is a young lady whose optimistic voice is motivating audiences around Texas.

Paige, who has cerebral palsy, spent her teen years turning her never-give-up attitude into a room full of equestrian trophies. In doing so, she has gained the respect and admiration of her peers as she set an example for anyone who doubts their

I'm not disabled.

I'm inconvenienced.

--Paige Porterfield

ability to accomplish their goals.

Paige's outgoing personality has made her life anything but limited

-- she's participated in pageants, has been her school's mascot, was elected Vice President by her classmates at John Brown University. With an extremely positive attitude, this young Texan also loves to work with and encourage children with disabilities to see their unlimited potential for success.

Ask finishers of the 1998 White Rock Marathon what they were thinking as they ran through the finish line chutes -- many will tell you that it was Paige's inspirational speech the night before.

Today, the 22-year-old is back in the saddle, taking her message of determination and her uplifting perspective on the road as a motivational speaker, encouraging listeners of all walks of life to meet challenges with a smile.
