DALLAS WHITE ROCK
MARATHON
HALF MARATHON & 5-PERSON RELAY

Dear Runners:

Despite the cruel intentions of Mother Nature, the 2011 MetroPCS Dallas White Rock Marathon was a great success! With temperatures hovering in the 40's and over an inch and a half of rain, it was a day typically best spent indoors. But the runners came, ran, and conquered - numerous PR's were set; was it because everyone just wanted to be done and get out of the rain? The heroes of the day were the numerous volunteers who gave up the warm, dry comfort of their homes and headed out to their assigned points to support the runners on the race course and at the start/finish.

Fair Park opened its arms and welcomed the runners to a number of buildings designated to help people escape the rain. MetroPCS won the day with warm gloves and ponchos to outfit the runners for the race. The new race start location resulted in a shorter wait to cross the start line, and the rain held off until everyone had exited Fair Park. The course was wet, but the police and volunteers were waiting. The post-race corral featured a bigger and better bag drop that was efficiency working at its peak. The treat of the day was the warm soup that our food crew was able to whip up race morning. Friends and family were able to reunite with their runners out of the rain in the Auto building.

We had over 4,600 finishers in the marathon and more than 2,675 finishers in the half marathon. Runners came from 47 States and 20 different countries. Combining the two races, we had a ratio of 53% female and 47% male. Looking at each race individually, men outnumbered women in the Full Marathon 84% to 36%, while women outnumbered men in the Half Marathon 66% to 42%.

What does 2012 hold for us? Along with a new Start/Finish in Downtown Dallas and an improved course, we are working to enhance the post-race festivities and make this the best race experience around. We hope you'll join the fun on Sunday, December 9, 2012!

See you at the Start Line -

Marcus

DALLAS WHITE ROCK
MARATHON
HALF MARATHON & 5-PERSON RELAY

Dear Friends,

My name is Mabeth Diaz, and I had so much fun this year representing the thousands of children treated at Texas Scottish Rite Hospital for Children (TSRHC) as the Junior Race Director of the 2011 MetroPCS® Dallas White Rock Marathon®.

You all did a great job at the race, and I want you to know I admire your efforts! Your support helps provide medical care to patients like me who are treated at TSRHC.

After severely injuring my right leg in an accident on an all terrain vehicle last summer, I became a patient at TSRHC. I was faced with making a grown-up decision that would change my life forever.

In October 2010, me and my family decided to amputate my right leg below the knee. I felt that this decision was right for me, and it would allow me to do the things I love the most—playing sports. Two weeks after my surgery, I was re-learning to walk with a prosthetic leg that the hospital made for me.

Not only has TSRHC provided the care I need to be stronger and walk on my own again, the thing I like most about the hospital is how everyone treats you with love. Now, I am able to get back to playing soccer, basketball and golf.

Thank you for being involved with the 2011 race. On behalf of the hospital, we hope to see you for the 2012 MetroPCS® Dallas White Rock Marathon®. Your support means the world to us!

-Mabeth Diaz

DALLAS ROCKS!™

TSRHC patients Phillip, at age 7 of Dallas; Ariel, at age 6 of Dallas; Gabriella at age 7 of Keller; Jamaya, at age 8 of Dallas and Vanessa, at age 7 of Midland

Texas Scottish Rite Hospital for Children (TSRHC) is grateful to each runner, volunteer, civic leader, sponsor and the MetroPCS® Dallas White Rock Marathon® board and committees for making the 2011 race a huge success! On behalf of each child treated at the hospital, thank you for your support. Your involvement with the MetroPCS® Dallas White Rock Marathon® allows TSRHC to continue

to build on its 90 years of providing exceptional care to Texas children. TSRHC patients are treated for orthopaedic conditions, certain related neurological disorders and learning disorders, such as dyslexia, regardless of the family's ability to pay. Your steadfast commitment to this event illustrates that there is more to a race than running. We can't wait to see you at the finish line in 2012!

www.tsrhc.org

For more information about TSRHC, to volunteer or to make a donation, please call (214) 559-5000 or (800) 421-1121 or visit www.tsrhc.org.

Chuck Dannis Receives The 2011 Victory Award for Excellence

(Phil Baker, DWRM Chairman and Chuck Dannis)

The Victory Award for Excellence is given annually by the Dallas White Rock Marathon Board of Directors to honor individuals and members of the running community who epitomize the value of physical fitness, who have had a positive effect on health and fitness, and who, through their outstanding effort, determination, courage and commitment, inspire others to accomplish fitness goals for themselves.

The 2011 recipient of the Award for Excellence, Chuck Dannis, Chairman Emeritus of the Dallas White Rock Marathon Board of Directors, is recognized for instituting a number of new initiatives, including the first TV deal bringing live TV to the White Rock Marathon, a multi-station radio sponsorship, a corporate relay division aligned with the SMU Cox School of Business, and an elite high school relay race. Chuck has also spearheaded the marathon's water stop at the DRC Half race, helped with the Susan G. Komen Race for the Cure, is the founder of the Crossor/Dannis race series, and

has completed numerous marathons, bike rallies, and triathlons, including the Hawaiian Ironman and Escape From Alcatraz triathlon.

Chuck's athletic career included playing football at SMU, being the 870th person to finish the Hawaiian Ironman Triathlon (1982), and too many local races to count. Chuck was instrumental in relocating the Marathon to Victory Park/American Airlines Center before most runners had even heard of it. Chuck continues to be a "big idea" guy and is always thinking of ways to improve the marathon experience for the participants in the Dallas White Rock Marathon.

Chuck is married to Ann Dannis, a long time nationally ranked triathlete, and is father to two talented children, Charlie, who is blessed with incredible singing and acting talent, and Dutch, whose football accomplishments are starting to overshadow his father's.

The Dallas White Rock Marathon Board of trustees is honored to announce Chuck Dannis as the recipient of the 2011 Victory Award and to have him on our Board of Directors.

The Rock's Spirit Award

Periodically the Dallas White Rock Marathon Board of Directors recognizes a local running hero who inspires others to make a difference in their lives and health through running. In 2012 the Board selected Ed Jackson for his contributions to the running community and the White Rock Marathon over the past decade.

Ed Jackson

Probably most famous for the creation of the Jackson Five-0 100k, a race held at Bachman Lake through the 1980's and early 90's, Ed has been a constant fixture in the Dallas running scene for decades. He is highly supportive of the health and fitness benefits of running and shares his passion with other runners.

Ed Jackson's running started early in life and included being a track star at Oklahoma University. Ed continued to run after graduating from college and at 83 years young he can still be seen running on the shores of White Rock Lake most Saturday mornings. Ed consistently places high among the finishers in his age group in numerous races including the Dallas YMCA Turkey Trot, Dallas White Rock Marathon, Dallas Running Club events and other area races. Ed has never stopped cheering on others to do their best during their races and in life.

“When my heart suddenly stopped at the finish line, Baylor brought me back to life.”

Matt Kieffer, 37, just finished his first half marathon when his heart suddenly stopped. Trainers from Baylor SportsCare were stationed at the finish line and were able to act quickly and restart his heart using an automated external defibrillator. “Baylor literally saved my life,” he says. As a preventative measure, Matt had an internal cardiac defibrillator implanted at Baylor Hamilton Heart and Vascular Hospital. The device monitors his heart and will shock it back into normal rhythm if an abnormality is detected. “Luckily it hasn’t had to trigger yet, but if it does, I know I’m protected.” Matt has resumed running, lifting weights and playing with his two young children. “I’m living life to the fullest. Thanks to Baylor, I can.”

The Rock Runs for a Great Cause

2011 MetroPCS Dallas White Rock Marathon Check Presentation to Texas Scottish Rite Hospital for Children

On March 1, 2012, the Dallas White Rock Marathon (DWRM) board of directors presented a \$1 million check to the race's primary beneficiary, Texas Scottish Rite Hospital for Children (TSRHC). The \$1 million, donated from the 2011 MetroPCS® Dallas White Rock Marathon® race proceeds, marks a steep increase from the \$580,000 check presented to the hospital one year ago. Since the selection of TSRHC as the race's beneficiary in 1997, the marathon has contributed more than \$2.6 million to the hospital.

"We are thrilled to fulfill our pledge of donating \$1 million to Texas Scottish Rite, a hospital that does so much amazing work empowering young people in this community and beyond," said Kevin Snyder, chairman of the DWRM board of directors. "As support for our race continues to grow, our goal is to continue supporting Texas Scottish Rite as our primary beneficiary with significant donations each year."

"Texas Scottish Rite Hospital for Children is truly grateful for the tremendous support of the Dallas White Rock Marathon board members, sponsors and friends," said Bob Walker, president and chief executive officer of TSRHC. "The Dallas White Rock Marathon board shares a commitment to quality and creating the best possible experience for the participants, which goes hand in hand with the hospital's mission of providing the highest-quality medical care for a patient family when they arrive at the hospital. With this contribution, the hospital celebrates the hard work and commitment of so many people who helped make the 2011 MetroPCS Dallas White Rock Marathon a record-breaking year."

Funds contributed to TSRHC by the DWRM are from race revenues, corporate sponsorships, online fundraising and individual gifts. The DWRM is a 501(c)(3) nonprofit organization.
