

## You may not be able to see God, but you know He's there!

Can you see God with your eyes? No, you can't. You can see the *effect* of God, but you can't see Him *per se*. You can see the works or results of God. And what God has made is absolutely spectacular.

Look at a tree for instance. The complexities of a tree are mind boggling, yet the design of a tree is very simple and easy to understand. Man in all of his “wisdom” could never design something as perfect as a tree. For the most part, a tree is self-sufficient; it just grows naturally. Its design is more incredible than anything man has ever designed. The key elements of a tree (and each element has its own unique purpose) are the roots that ground or sustain the tree, the bark protects the tree from outside forces, and the leaves absorb the water to feed the tree. A simple design yet so incredible.

How about the design of man?

“I will praise thee; for I am fearfully *and* wonderfully made: marvelous *are* they works; and *that* my soul knoweth right well.” – Psalms 139:14

“For we are His workmanship, created in Christ Jesus unto good works, which God hath before ordained that we should walk in them.” – Ephesians 2:10

The intricate and complex design of man is astounding. The nervous system, the organs, the blood system, and most importantly, look how God designed the mind! God designed man's mind to hold and remember His Word.

Some people can argue that they don't believe God exists, yet you can't deny the majesty, the enormity, and the detailed tapestry of the world we live in. It wasn't created by accident, it didn't “just happen”, there clearly and unmistakably is a greater power behind all that has been created, especially the design of man.

“The fool hath said in his heart, *there is* no God. They are corrupt, they have done abominable works, *there is* none that doeth good.” – Psalms 14:1

Yes, it's foolish to think and say that God doesn't exist. The proof of His existence is all around us and can hardly be denied.

Again, you may not be able to “see” God, but He IS there.

“God *is* our refuge and strength, a very present help in trouble.” – Psalms 46:1
