THE EASY GUIDE.

WELCOME TO OUR SPECIAL KIND OF HOLIDAY

No one knows how to bring the fun – and the great outdoors – to your door, like we do. This guide is your chance to come on in and take a closer look.

Whether it's your first time, or you're keen to take a fresh look at what's in store, our Easy Guide to Eurocamp is the best place to start your next big adventure.

We're still discovering new places, new experiences and new ways to enjoy the great outdoors. But some things never change, the ingredients baked into every single one of our holidays.

So what makes a Eurocamp summer always rise to the occasion?

The Eurocamp recipe

A lavish spread of locations: We've hundreds of adventure-filled parcs strung out across eleven countries, in locations from beachside to mountainside.

A generous helping of holiday homes: Our wide range of accommodation features fitted kitchens, up to five bedrooms and your own private outdoor decking.

Gallons of water-based thrills: Kids will love the brilliant pools and slides, Many of our parcs have aquatic centres as good, or better than, any water park.

A sprinkle of kids' clubs: Lots of our parcs have free kids' clubs: bringing even more fun to their day. You'll love how our parcs really care about giving kids a brilliant time.

A healthy slice of outdoor life: Enjoy spending time together in our spacious parcs where kids have the freedom to safely explore and outdoor living can be as active or chilled as you like.

A whole heap of fun: From sports galore to colourful nightly entertainment, shows and discos, our parcs bring the good times.

A hearty serving of dining options: You'll be well catered for in our parcs, with their selection of restaurants, snack bars, pizzerias and food-to-go options for meals at your place.

There's a world of possibilities out there, waiting for your family. Let's go and explore.

MORE CHOICE THAN EVER BEFORE

More parcs. More destinations. More possibilities. When it comes to enjoying our kind of holidays, the choice is yours.

New possibilities, every year

We've come a long way in 50 years. But that doesn't stop us exploring. Every year we ask ourselves the same question – how can we bring our kind of holidays to more places, and introduce more people to the possibilities in store?

It's a really special time for us. We've added hundreds of new parcs, and more accommodation we know you're going to love.

The right parc. The right place

We've hundreds of new parcs across eleven countries, from France to Croatia, Spain to Slovenia. Choose from authentic Campsites, full-of-fun Villages or our coastal entertainment hubs we call Resorts – three types of parc each sharing Eurocamp's founding principle: life's better when it's lived outdoors. And even better when you've a comfortable place to return to every evening.

A home that's made for you

Our accommodation range is bigger and better than ever before. Whatever your budget, and however big your family, we've a bright, welcoming and spacious holiday home you're going to love. And, with its own private decking – it's a promise that's good, inside and out!

More fun, for everyone

More parcs, of course, means more pools, more play and more peaceful spots to recharge in. We've world class aquatic centres, luxurious spas, theme parks and wineries, private beaches and zip wire adventures waiting for you. Think you know what a Eurocamp parc looks like? This might be the time to take another look!

WHY CHOOSE EUROCAMP?

Now you can see the appeal of our kind of holiday, why should you choose Eurocamp to deliver it? We'd like to think, when it comes to the important things, no-one does it better.

We're Europe's leading outdoor-loving holiday experts. We've been perfecting the art of holidaying in the great outdoors for over fifty years. And we're still working on making things even better.

Flexibility

We're proud of the many pioneering ways we've unlocked the typical 'package holiday' and set it free.

You tell us when you want to come, and when you want to leave. It's never the other way around. Stay for two nights, a week or two, or longer!

We can book your ferry sailings for you, or advise on the best flights to get you swiftly to our parcs. Travel your way, at times and dates that suit you.

Accommodation to fit all families - with up to five bedrooms, and space to stretch out and really make yourself at home.

Value

The price you see is the price for your whole family - not per person. One accommodation, one price! Single room supplements? That's not our style!

Our parcs are places where the fun is free - from amazing pool complexes to nightly entertainment, and sports for all.

Sticking to a budget? No problem! Self-catering is easy and fun in your fully-fitted kitchen, and with a barbecue* too!

Travel with us again and you're in line for our loyalty discount! Because we value your custom, and we'd love you to explore more.

Trust

50 HAPPY YEARS

We've been around for over 50 years: so you really can trust us to deliver on our promises.

We're fully ABTA bonded (ABTA is the UK's largest travel association), which means your money's safe with us, whatever happens.

Our excellent Trustpilot rating is your reassurance that thousands of holidaymakers, just like you, have been delighted with their experiences.

We're proud of our holiday advisors too. Whether you're unsure about travel or exploring our accommodation, they're here to help you, not just sell you a holiday.

Start your journey of discovery and see where it takes you...

OUR PARC CATEGORIES

From small and lovely to large and lively, it's easy to find the parc for you.

CAMPSITES

Small tranquil parcs with the accent on simply enjoying the outdoor life and local area.

Our Campsites are the perfect place to escape the hustle and bustle of everyday life. The surroundings are peaceful, and the living is easy. Swim in the pool, or stroll into town. Take your holiday at a gentler pace in a parc where the simple pleasures are the best ones. Campsites really help you rest up, unwind and relax.

VILLAGES

Naturally spacious with fantastic pools and activities to enjoy.

Our Villages are larger than our Campsites, with an easy-going feel that guests love. Choose from a range of on-parc activities – especially the parc's fantastic pools, typically with waterslides and spray grounds. Feeling energetic? There are activities to test your skills and facilities to help you reconnect as a family. Many Villages also offer kids' clubs to ramp up the fun.

RESORTS

Fabulously equipped parcs with lots going on – from day into night.

If you like your fun super-sized, then our Resorts are packed full of entertainment to keep the whole family occupied, from dawn till dusk. And beyond. Open your door and dive straight into the fun. From water parks to windsurfing, lunch spots to live shows, there's always something happening at a Eurocamp Resort. Until you decide to rest, of course!

OUTDOOR LIVING MEETS INDOOR COMFORT

Allow us to show you around our range of bright, spacious and welcoming holiday homes. Summer living, made effortless and easy.

Spacious, comfortable and equipped with all you need for easy days and cosy nights, our holiday homes are places where you can unpack, unwind and enjoy your time, your way. They're ideal for self-catering, but cooking isn't compulsory. You can grab a takeaway from your parc, or dine out.

Because we know families come in all sizes, our range of accommodation does too. All of our holiday home accommodation features up to five bedrooms. You can choose up to two bathrooms, and even an ensuite. We're all about outdoor living at Eurocamp too, so you'll love that all-important outside decking, perfect for al fresco dining and afternoon snoozing!
