A modern web browser and when applicable the Adobe Flash plug-in (usually included with the browser) are required. To check your browser version, operating system, or other details, visit [supportdetails.com](http://supportdetails.com).

<b>RAM</b>	1 GB+
<b>Operating System &amp; Browsers</b>	<ul style="list-style-type: none"> <li>• Mac OS X Yosemite or El Capitan: Chrome/Firefox (latest version), Safari 9+</li> <li>• Windows 7: Chrome/Firefox (latest version)</li> <li>• Windows 8.x: Chrome/Firefox (latest version), Internet Explorer 11</li> <li>• Windows 10: Chrome/Firefox (latest version), Internet Explorer 11</li> </ul>
<b>Browser Settings</b>	<ul style="list-style-type: none"> <li>• JavaScript: Must <u>not</u> be disabled</li> <li>• Pop-Up Blockers: Must be disabled</li> <li>• Security Level Settings: Default settings supported; IE Maximum Security levels not supported</li> <li>• Privacy Settings: Default settings supported; Maximum Privacy Setting (disabling cookies) not supported</li> </ul>
<b>Tablets</b>	<p>As with all web-based products, you may find different levels of success depending on the age of your tablet and software. While we recommend the following minimum requirements, it is not possible for us to test all device models and software combinations. For this reason, we cannot guarantee a perfect experience on your particular model, and highly recommend you test the course on your device to determine if it is compatible.</p> <ul style="list-style-type: none"> <li>• AlcoholEdu Ongoing Education, Diversity, Equity, and Inclusion for Students, Sexual Assault Prevention for Athletics Staff, Sexual Assault Prevention for Community Colleges, Sexual Assault Prevention for Graduates, Sexual Assault Prevention for Student Athletes, Sexual Assault Prevention for Undergraduates and Sexual Assault Prevention Ongoing Education: iOS version 9.3 or later running on iPad 2 or later</li> <li>• All other Higher Ed. courses:             <ul style="list-style-type: none"> <li>○ iOS version 9.3 or later running on iPad 2 or later (please use Safari).</li> <li>○ Android version 4.4.4+ (KitKat) or later</li> </ul> </li> </ul> <p><b>Note:</b> We do not support smartphones at this time. The courses may work on them, but we do not develop or test against them so they are not recommended.</p>
<b>Flash Player</b>	Please note some browsers may require Adobe Flash for multimedia content.
<b>Screen Resolution</b>	Minimum resolution 1024x768 is required. 1280x1024 or higher is preferred.
<b>Audio/Video</b>	Sound card with either speakers or headphones.
<b>Bandwidth</b>	If you do not have broadband and are using dial-up connection, you will have difficulty using our courses. Each course loads and plays videos and other media on the pages.

	<p>Broadband connection (e.g. DSL, cable modem or FIOS) with 1Mbps bandwidth or better required; dial-up connections will seriously impede full functionality and viewing multimedia content.</p> <p><b>Note:</b> Test your downstream bandwidth at websites such as <a href="http://speedof.me/">http://speedof.me/</a></p>
<p><b>Screen Readers</b></p>	<ul style="list-style-type: none"> <li>• AlcoholEdu Ongoing Education, Diversity, Equity, and Inclusion for Students, Sexual Assault Prevention for Athletics Staff, Sexual Assault Prevention for Community Colleges, Sexual Assault Prevention for Graduates, Sexual Assault Prevention for Student Athletes, Sexual Assault Prevention for Undergraduates and Sexual Assault Prevention Ongoing Education: Firefox/NVDA and Mac/VoiceOver</li> <li>• All other Higher Ed. courses: Mac/VoiceOver &amp; IE/JAWS</li> </ul>
