Goals

How can we:

- **Engage** students with powerful learning opportunities?
- **Provide** more personalized learning experiences?
- **Build** confidence and communication skills?
- **Empower** students to take the lead?
How successful will students be if they are academically prepared for life but lack the skills necessary to:

- Maintain positive relationships?
- Set and achieve positive goals?
- Make responsible decisions?
- Understand and manage their emotions?
- Empathize?
2022 Skills Outlook

Growing

What’s One Way You Encorporate SEL Into The Classroom?

Post your answer in the chat!
SEL Skills: CASEL

- Assess strengths, build confidence
- Empathy and understanding of others
- Make choices, ethics, focus on well-being
- Manage emotions, stress, set goals
- Build relationships, communicate, ask for help

CASEL: Collaborative for Academic, Social, and Emotional Learning
Let’s Look at Some Strategies

- What can we implement regardless of where learning takes place?
- Which strategies are beneficial for all learners in all grade/content areas?
- Which strategies promote SEL and essential future ready skills?
Learning Stations

What are the benefits?
