

# Career Clusters Exploration

## Arts & Communication

We've all been asked the question and we probably ask our students, "**What do you want to be when you grow up?**" It's a complex question but one we can help students explore by introducing them to a variety of careers.

### Materials Needed

- YouTube Videos
- EVERFI Class[es] created
- Student devices

### Learning Objectives

- Identify various career opportunities in Arts & Communication
- Identify skills important to gain for Arts & Communication careers

## Lesson Activities

### Part 1\* [10 mins]

- Watch the [Arts & Communication Career Exploration](#) playlist on the EVERFIK12 YouTube Channel

### Think-Pair-Share [10 mins]

- What is one thing you learned from this career that you didn't know before?
- Why do you think this career was of interest?
- Is there a career highlighted that you'd like to do? Why or why not?

### Individual Work [10 -30 mins]

- Utilize a lesson from FutureSmart, Venture - Entrepreneurial Expedition, Keys To Your Future

\*Note that Part 1 can be completed in whole or small groups
