GET YOUR STUDENTS STARTED

Fill out your class profile, add any additional courses, and click "Create Class." Now your students can easily get started by entering their unique registration code at **everfi.com/student**.

QUESTIONS?

Click "Contact Us" on the bottom right corner of your teacher dashboard

 EVERFI from Blackbaud empowers educators to bring real-world learning into the classroom and equip students with the skills they need for success – now and in the future.

Quick Start Guide when SSO is available

Clever and ClassLink

ACCESS EVERFI

3

When single sign-on (SSO) is available for your school district, select the EVERFI app on your SSO homepage or district portal.

EXPLORE OUR COURSES

Click "Explore Courses" to view our full library of free digital courses. Then filter by grade level, topic, and/or language availability.

ASSIGN COURSES

You can now easily assign courses to your students by clicking "+ Add to Class." If you have already created classes, then you'll have the option to add courses to your existing classes.

PREVIEW COURSES?

Experience them for yourself by clicking the "Details" box next to a course and then selecting "Preview Course"
