

Career Development Month Lesson Plan

This November, help students kickstart their futures during National Career Development Month. Students are repeatedly asked, “what do you want to be when you grow up?” It's a complex question; help students explore a variety of career pathways through first-hand videos.

Learning Objectives

- Identify various career opportunities in the field of business or financial services
- Identify skills important to gain for careers in business or financial services

What You'll Need

- Create your EVERFI account or log back in
- Assign your students one or more courses listed below in "Individual Time" ([Quick Start Guide](#))
- Pull up the [YouTube video](#) or share it with small groups directly

Introduction [5-10 mins]

As a class or in small groups, watch the first 5-10 mins of [this recorded webinar](#) on the topic of “Entrepreneurship & Accounting”

Think-Pair-Share [10 mins]

Discuss the following questions as a class or in small groups:

- What is one thing you learned about this career field that you didn't know before?
- What do you think would be the benefits and drawbacks of this type of career?
- Would you like to pursue one of these careers? Why or why not?

Individual Time [10-20 mins]

Instruct your students to start one of the following EVERFI digital courses:

- **Vault: Understanding Money** (grades 4-6)
- **FutureSmart: Financial Literacy** (grades 6-8)
- **Accounting Careers: Limitless Opportunities** (grades 9-12)
- **EVERFI: Financial Literacy – Lesson 2: Employment and Taxes** (grades 9-12)
