1

ACCESS EVERFI

To log back into your account, select the EVERFI app on your SSO (single sign-on) homepage or district portal.

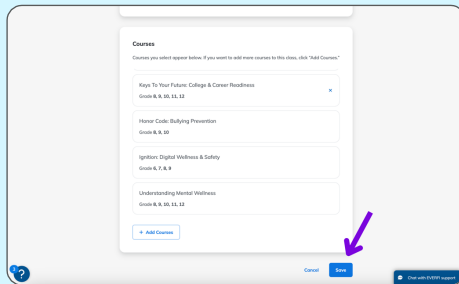

2

GO TO YOUR CLASS

Head to the “My Classes” tab on the top left. Click “Edit Class,” then scroll down to “+ Add More Courses” and select additional courses.

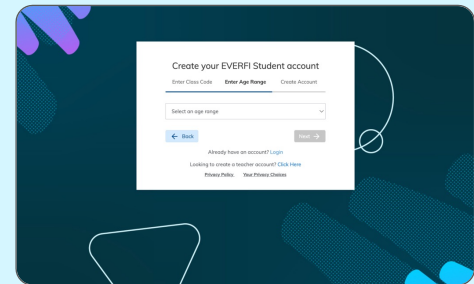

3

ADD ADDITIONAL COURSES

Now that you’ve picked your additional courses, click “Save Selection,” and then the blue “Save” button on the bottom right. You will now see all the courses that have been assigned to your class.

4

SHARE WITH STUDENTS

Ask students to log back into EVERFI. They will then select their age range and click “Next” to continue. The newly added courses will now appear on their student dashboard.

PREVIEW COURSES?

Experience them for yourself by clicking the “Details” box next to a course and then selecting “Preview Course”
