Product Specification:

d line Bathroom box set containing: toilet brush, toilet roll holder with steel bracket, spare toilet roll holder and 2 hooks w/pin. All parts produced in AISI 316 satin or polished stainless steel.

The design is characterized by simplicity and functionality, and the minimalistic exterior hides advanced technic that ensures the products strength and durability for many years.

Product care:

d line products are produced in the highest quality stainless steel, marine grade, AISI 316. To sustain the unique d line surface appearance please follow the below instructions:

- Wash down the surfaces using soapy water or mild detergent
- Always thoroughly rinse off with clean water
- To complete the cleaning procedure dry/polish the surfaces with a soft dry cloth

Please do not use scouring powder, steel wool, chloride based detergents or other aggressive cleaning products as these may damage the surface.

If spots or corrosion appear on the surface it is not due to the stainless steel quality, but to impurities in the environment, aggressive conditions or improper or insufficient cleaning.
