CableBox™

OUT OF SIGHT, OUT OF MIND

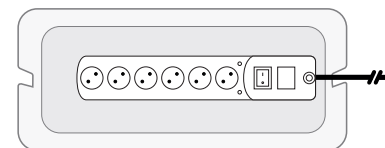

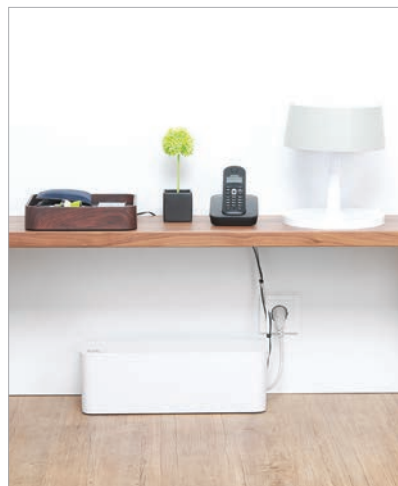

UNDER OR ON THE DESK, NEXT TO THE COMPUTER, OR BEHIND THE TV, LOOSE TANGLED CABLES ARE ALWAYS UNTIDY DUST TRAPS. CABLEBOX IS THE SOLUTION TO SOLVE THESE ISSUES.

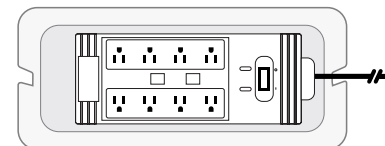

Simply place your power strips or surge protector inside CableBox. No need to unplug anything first. Then stow away the surplus cable lengths, close the lid and done. Designed with cable outlets either side of the box, CableBox will fit almost every size power strip with extra space for the cords, adapters, etc.

SPACE IS GAINED

Designed to fit all shapes and sizes of surge protectors and power strips. Made from flame retardant plastic.

Suitable for Long Surge Protectors (not included)

Suitable for Wide Surge Protectors (not included)

COLORS

CableBox is available in Black or White. Rubber feet prevent it from slipping.

SPECIFICATIONS

Package Contents: One CableBox and Ten Twist Ties.
