Data sheet 5SL6632-7

Miniature circuit breaker 400 V 6kA, 3+N-pole, C, 32 A

| Model   |                                     |  |  |
|---|-------------------------------------|--|--|
| product brand name  | SENTRON                             |  |  |
| product designation   | Miniature circuit breaker           |  |  |
| General technical data  | Williadaro Oriodic Stocker          |  |  |
| number of poles   | 4                                   |  |  |
| tripping characteristic class   | C                                   |  |  |
| mechanical service life (switching cycles) / typical  | 10 000                              |  |  |
| overvoltage category  | III                                 |  |  |
| degree of pollution   | 2                                   |  |  |
| Voltage   |                                     |  |  |
| type of voltage / of the operating voltage  | AC                                  |  |  |
| insulation voltage (Ui)   |                                     |  |  |
| with multi-phase operation / at AC / rated value  | 440 V                               |  |  |
| Supply voltage  |                                     |  |  |
| supply voltage / at AC / rated value  | 400 V                               |  |  |
| operating voltage   |                                     |  |  |
| with multi-phase operation / at AC / maximum  | 440 V                               |  |  |
| at DC / rated value / maximum   | 72 V                                |  |  |
| Protection class  |                                     |  |  |
| protection class IP   | IP20, with connected conductors     |  |  |
| Switching capacity  |                                     |  |  |
| switching capacity current  |                                     |  |  |
| • acc. to EN 60898 / rated value  | 6 kA                                |  |  |
| <ul><li>acc. to IEC 60947-2 / rated value</li></ul>   | 6 kA                                |  |  |
| and any displication of the second  |                                     |  |  |
| energy limitation class   | 3                                   |  |  |
| energy limitation class  Dissipation  | 3                                   |  |  |
|   | 3.1 W                               |  |  |
| Dissipation  power loss [W] / for rated value of the current / at AC / in   |                                     |  |  |
| Dissipation  power loss [W] / for rated value of the current / at AC / in hot operating state / per pole  |                                     |  |  |
| Dissipation  power loss [W] / for rated value of the current / at AC / in hot operating state / per pole  Current   |                                     |  |  |
| Dissipation  power loss [W] / for rated value of the current / at AC / in hot operating state / per pole  Current  operational current  | 3.1 W                               |  |  |
| Dissipation  power loss [W] / for rated value of the current / at AC / in hot operating state / per pole  Current  operational current  • at 30 °C / rated value  | 3.1 W<br>32 A                       |  |  |
| Dissipation  power loss [W] / for rated value of the current / at AC / in hot operating state / per pole  Current  operational current  • at 30 °C / rated value  • at 40 °C / rated value  | 3.1 W<br>32 A<br>30.45 A            |  |  |
| Dissipation  power loss [W] / for rated value of the current / at AC / in hot operating state / per pole  Current  operational current  • at 30 °C / rated value  • at 40 °C / rated value  • at 45 °C / rated value              | 3.1 W<br>32 A<br>30.45 A<br>29.76 A |  |  |
| power loss [W] / for rated value of the current / at AC / in hot operating state / per pole  Current  operational current  • at 30 °C / rated value  • at 40 °C / rated value  • at 45 °C / rated value  • at 55 °C / rated value | 3.1 W  32 A 30.45 A 29.76 A 27.97 A |  |  |

| product component / poutral conductor quitables                                  | Voc                  |                      |  |  |  |
|--|----------------------|----------------------|--|--|--|
| product component / neutral conductor switching                                  | Yes                  |                      |  |  |  |
| product feature / touch protection   | Yes                  |                      |  |  |  |
| product feature  | Voc                  |                      |  |  |  |
| halogen-free     see lable   | Yes                  |                      |  |  |  |
| • sealable   | Yes                  |                      |  |  |  |
| silicon-free  product extension / installable / gunplementary devices            | Yes<br>Yes           |                      |  |  |  |
